

A NOVEL-LOOKING COTTAGE!
 Situated at Number 303 Dayton Avenue, and Being the Uptown Dental Office of Messrs. Patterson Bros.

In St. Paul, strange as it may seem, there have been no dental offices in private houses in the residence portion of the city as in the East, and believing that such an office would be appreciated by the public, Messrs. Patterson Bros., the individual members of which firm are Messrs. Robert and Harold Patterson, have opened dental rooms, using the whole first floor of the snug little cottage, No. 303 Dayton avenue. Here they have furnished a suite of rooms in the most novel and luxurious manner and where it would be really a pleasure to have a frictions molar either drawn or filled. Here may be seen probably one of the prettiest pieces of fresco work in the city, the prevailing tints are lightbuff and blue relieved by pretty paintings of flowers, vines and on the door panels little landscapes artistically executed. The heavy Wilton carpets are in keeping with the prevailing tints of the other decorations, the windows are curtained with delicately flowered soft material, caught back with pretty corded tassels, the pastilles between the rooms are of light blue plush and figured tapestry lined in buff satin, the whole general effect being very bright and beautiful. These dental offices will be of the utmost convenience to those residing on the hill, particularly to the young ladies and masters attending school, and to ladies who are averse to climbing stairs, for the dental rooms are on the first floor even with the sidewalk. So well are Messrs. Patterson Bros. known by all St. Paulites that an introduction is unnecessary; suffice it to say that they are socially known, as well as professionally, and are held in the highest esteem.

TURNING THE TABLES

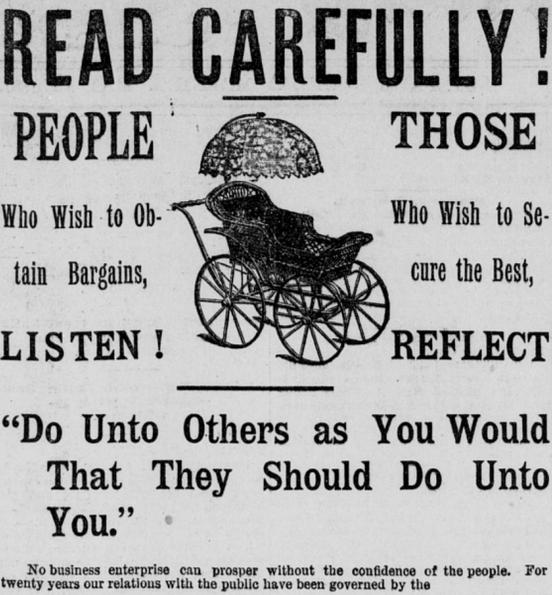

Fun for the Frogs but hard on the Boys. Rain and Sunshine play hide-and-seek with each other this month, making Spring Overcoats and Rubber Overcoats both in great demand, and keeping our salesmen in each department busy. Our RUBBER CLOTHING has been hid heretofore. It now has a department to itself. You can buy a Rubber Coat here for much less than what is usually charged for rubber clothing. Boys' rubber coats, \$1.50 to \$3.50. Men's rubber coats \$2 to \$12. Do you ever need a Corduroy Suit? Not a poorly made, inferior Corduroy Suit, but an English Cord, hand-made and good-fitting. If you want such a suit we have them for \$15. Our Black Dress Suits are now on the second floor. What a fine assortment of dress suits there is here for you. We did not realize we had such an elegant assortment of dress and semi-dress suits until our enlarged room gave us the opportunity to display them as they should be. Four-Button Cutaways, Sack Suits and Prince Alberts, made from the finest American and foreign worsteds, corkscrews and cloths, from \$16 to \$38 a suit, guaranteed equal to the best custom work and warranted to fit. Blue Flannel Suits are also on the second floor. What quantities of Blue Flannel Suits we sell. Nothing better or neater, for a moderate price suit, than a good blue flannel. A poor blue flannel is worthless. It fades and looks shabby in a week. We keep only blue flannels that we can guarantee not to fade. Prices, \$7, \$9, \$10 and \$12 a suit, including Uniform Suits, single or double-breasted, sacks and frocks.

"Do Unto Others as You Would That They Should Do Unto You."

No business enterprise can prosper without the confidence of the people. For twenty years our relations with the public have been governed by the

Golden Rule

Through sunshine and shadow we adhered to it, never doubting that ultimate success would follow its pursuit. We make no false pretenses; make no promises that we are not perfectly competent and willing to fulfill. We said we would lead on Baby Carriages. Our stock and low prices we are making us the prestige that aids us to keep our word. Ask the purchasers, those that have looked all over the city. We simply refer you to them. Where in St. Paul could you purchase a full-size Baby Carriage for the sum of \$4.95 until we made the offer? Nowhere; nor perhaps you never could. We will keep on selling carriages at our low prices, because we can afford to. As we buy more than the largest jobbers, the orders we placed last week would startle any jobber. We can retail carriages at what the ordinary merchant would have to pay for his stock, then leave us a good margin. Monday morning we put on sale full-size carriages, canopy and parasol top, at \$4.95, \$5.95, \$7.50, \$8.50. We do not ask you to take our word that they are cheap, but come and see for yourself. If you wish to buy baby carriages, tricycles, bicycles, velocipedes, iron wagons, wheelbarrows, baby jumpers, Indian clubs, Mexican hammocks, croquet sets, lawn tennis, boys' top chests, magic lanterns, willow ware, stationery, music boxes, bird cages, steel engravings, dolls, bamboo easels, traveling bags, shopping bags, portemonnaies, toilet cases, card cases, perfume, brushes, combs, soaps, sponges, wedding, birthday and complimentary presents, hanging lamps, student lamps, sewing tables, book shelves, plush albums, oil paintings, you cannot afford to spend a single dollar before looking through the

Such is the Condition of Our Competitors.

Notice---We make American Standard Watches our Leading Card, believing them to be the best Watches made, and we sell them at such prices that other dealers are driven to Swiss and other makes. We sell Swiss also, but not with the recommendation we give to Elgin, Waltham, Hampden, etc., etc. They are inferior.

BOSS FILLED, R. W. RAYMOND (ELGIN) movement, entirely new and latest improved; case engraved and warranted for twenty years, for \$12.00; same workmanship as the Elgin, \$22.00.

CHEAPER FILLED CASE, BUT ALSO WARRANTED FOR TWENTY YEARS, \$22.00; same workmanship as the Elgin, \$22.00.

BOSS FILLED, G. M. WHEELER (ELGIN) movement, entirely new, \$12.00.

ELGIN JEWELLED MOVEMENT IN A FILLED CASE, TWENTY-YEAR GUARANTEE, \$20.00.

STEM WIND AND SET STANDALONE, AMERICAN-MADE MOVEMENT, IN 4-ONE SILVER OPEN FACE CASE, FOR \$7.50; this is a guaranteed movement and is offered at the above price for loaders and has never been offered at this price before.

ALSO, WE WILL SELL THE ABOVE KEY-WIND, for \$5.50; same watch as is largely advertised for \$6.25.

IN PLEDGED SILVER WATCHES WE OFFER a solid silver, gold-trimmed key-wind for \$5.00, guaranteed for time.

SOLID SILVER PLATING-CASE KEY-WIND, Swiss movement, \$5.00.

SOLID GOLD STEM-WIND AND SET ELGIN jeweled movement, guaranteed a perfect timepiece, for \$15.00; do the same watch with a gold case at a low price that it is a plated watch or any of the side imitations of gold; it is a claimed solid gold case, such as our competitors sell for \$35 to \$40, but it is not a 14-carat case; if it was we should not sell it for \$15.

NOW FOR A BETTER GRADE OF WATCHES:

\$2.25—A MINUTE REPEATER—BY TOUCHING A SPRING THIS WATCH STRIKES ON A STONE, CHIMES THE HOUR, QUARTER AND MINUTE; THE MOVEMENT IS FULL-JEWELLED, EVERY BEARING BEING SET WITH A BEAUTIFUL GENUINE RUBY. ADJUSTED TO GOVERN RATE AND TO KEEP THE WATCH KNOWN TO THE WATCHMAKERS' ART; THE CASE IS 18-CARAT, WEIGHS 73 DWT. AND IS VERY ELEGANT IN SHAPE AND FINISH.

LADIES' WATCHES.

\$110—A MAGNIFICENT WATCH, 14-CARAT, perfectly plain polished case, with a 1/2-carat on one case and a 1/2-carat diamond on the other; the movement is a full-jeweled nickel watch movement, guaranteed for time; the case is in the world; case is worth \$30, movement \$25 and diamonds \$50; we think this a bargain; would cost over \$90 on the market.

\$55—ONE OF THE HANDSOMEST DECORATED cases we have ever owned; has a small diamond and gold trimmings; fine Elgin nickel, full-jeweled movement.

\$40—A FULL-JEWELLED NICKEL MOVEMENT OF THE HIGHEST GRADE; Elgin make; case is in 14-carat; very heavy and handsomely ornamented; entirely new; guaranteed for time.

\$27.50—A FINE SOLID GOLD CASE WITH MEDIUM GRADE WALTHAM MOVEMENT; sold everywhere for \$45 to \$60.

\$20—A BOSS FILLED CASE WITH GOOD ELGIN MOVEMENT; open face; the largest case in the world; never cost less than \$75 when new.

\$25—AN 18-CARAT WATCH SET WITH A small diamond and decorated with hard enamel; no reason for not asking \$60 for this except that it is key-wind; it cost new not less than \$85, and is in good order.

\$25—A SOLID GOLD DIBBER CASE, WITH good Elgin movement, Louis XIV. box, top, stem wind and set; cost new not less than \$45, and is the same as new in appearance and actual value now.

LADIES' SILVER WATCHES, NEW AND SECOND-HAND, FROM \$5 TO \$10.

NICKEL WATCHES, \$5.

EVERY WATCH SOLD BY US, WHETHER new or second-hand, is warranted a perfectly satisfactory watch or no sale at all.

WHY DO YOU PAY FANCY PRICES FOR Watches when we will sell you the same for at least 20 per cent. less than any jeweler or watchmaker, and in many cases 40 per cent. less in the state, and will loan you within 15 per cent. of the amount you pay us at any time within six months, should you wish to buy.

IF IN THE ABOVE YOU DO NOT FIND WHAT you want, remember we have two watches in stock that we never carried by any one else in the city, and five to one leaving out four leading competitors.

FOR PEOPLE WHO DO NOT CARE TO BUY a fine watch or diamond and pay all cash at once, we will sell you "goods" to be called for," watches or diamonds, on which our customers pay so much per week or month, with the privilege of drawing out a portion of payments already made if any time they run short. This is more satisfactory than "installments," as we sell you at the same price as for cash, saving the large percentage you pay for collection, etc., etc., at least 50 per cent.

Goods sent C. O. D., singly or an assortment, with privilege of examination and return of any goods not wanted. We have one of the best watchmakers in the West, and solicit all kinds of specially complicated work, guaranteeing satisfaction. Also diamond setting and engraving. We do not say much about the size of our stock or amount of business done, but as a matter of fact we are doing more business and carrying a larger stock than any one else in this city, and by the very strictest of square dealing have increased our business over 50 per cent. in the last year.
