AMONG THE HORSES.

Mr. T. B. Marrett Sends His Stallion Nutwood Mambrino Down to His Stock Farm.

Foals at Lake Elysian Stock Farm by Empire Wilkes, Alexander and His Son, Railroad.

The "King of the Morgans"—The Summer Races—The Midway Sale Withdrawn.

Foals at Sherwood's Farm—Charlie Radcliff Buys Another Good One For the Track.

The executive committee of the Minnesota Association of Trotting and Pacing Horse Breeders met Thursday afternoon at W. L. McGrath's place of business on Third street. The members of the committee present were J. C. Oswald, of Minneapolis; D. S. Hall, Stewart, Minn.; C. P. Gregory, Stillwater; George W. Sherwood, and W. G. Hendrickson, St. Paul. Twelve new members were elected, as follows:

Dr. Richard Price, W. H. Brink, F. A. Seymour and W. S. Monroe, St. Paul; Dr. O. J. Evans, Arthur McMullen and G. E. McMullen, Minneapolis; O. D. Hutchinson and F. C. Avery, of Hutchinson; A. Bailey, Duluth; A. R. Monfort, Litchfield; F. G. Himmelman, Mankato.

Nutwood Mambrino.

T. B. Marrett has sent his stallion, Nutwood Mambrino, down to his farm to do stud service. He is a grand animal. Although only 3 years old, he stands sixteen hands high and weighs 1,080 pounds. He is a magnificent looking fellow and will make his mark. He is by Nutwood, 2:18¾, the sire of Nutbreaker, with a year-old record of 2:29 in the third heat of a public race. Nutwood was also the sire of the following: Felix, 2:18¼; Manon, 2:21: Menlo, 2:21½; Belmont Boy, 2:23¼; Wormwood, 2:25; Dawn, 2:19½, and a number of others within the 2:30 list. Nutwood Mambrino seems to have all the qualities of his sire, together with increased size. He will make a great stock horse. Mr. Marrett will use him mostly on his own mares for the present.

Foals at Lake Elysian.

C. A. De Graff, the proprietor of the Lake Elysian stock farm, was gratified last week by having eight foals dropped on his well known breeding farm. Among them was a filly by the renowned Nutwood and another one by Empire Wilkes. The following is the list: A filly out of Prefix, by Nutwood; out of Sapphire, by Alexander; a horse colt out of Emily A., by Ivica; Sentinel Maid, horse colt by Alexander; a filly out of Drift, by Empire Wilkes; a filly out of Frankie P., by Alexander; a filly out of Lou Loyde, by Railroad. This is a good list for one week. Here are three fillies and a horse colt by Alexander, one filly by the great Nutwood, one by Empire Wilkes, one by Railroad and a horse colt by Ivica. Mr. De Graff, who has just returned from the farm to St. Paul, says that all his stock is looking well and that Empire Wilkes is in excellent condition. Mr. De Graff has a special liking for this stallion for the reason that he looks so much like the old horse. He has about him all the points of a trotter. He is strong at all points, active and intelligent, and in every respect has the appearance of a getter of trotters.

"The King of the Morgans."

Mr. Grattan, who never lets go his hold, still stands by Herod with even more determination than ever. The old horse, it is said, would be taken to-day for a three-year-old colt. He is full of life and playful. The claim is made that he will far surpass in speed this season any other stallion in Southern Minnesota. This is a good deal to say. The horse is now 21 years old. His life has not been a bed of roses, and though he is an animal of a great deal of substance as well as speed, he is reaching that point where most trotters are retired from the track. The owner of Herod, however, is not a man that puts his hand to the plow and then looks back.

The Summer Races.

The GLOBE has been requested to republish the programmes of the summer meetings to be held at the state fair grounds at Hamline June 30, July 1, 2 and 4, and at Stillwater June 21, 22 and 23. The Twin City Driving and Jocky club offers purses aggregating $20,000 with the following programme:

First day, Thursday, 2:40 trot, $800: 2:30 pace, $1,000; 2:29 trot, $1,000.

Second day, Friday. 2:24 trot, $1,500; three-minute stake, $2,000; 2:20 pace, $1,000.

Third day, Saturday, free-for-all pace, $1,500; 2:18 stake, $3,000; 2:30 stake, $2,500.

Fourth day, Monday, 2:21 trot, $1,500; 2:33 trot, $1,000; free-for-all trot, $2,000.

Reserved for specials, $2,000.

AT STILLWATER.

The executive committee of the Stillwater Driving club offers purses aggregating $5,000. The dates are June 21, 22 and 23. The following are the purses:

First day, Tuesday, June 21, 2:40 class, $500; 2:21 class, $700; Sawyer House stake, home horses, $100.

Second day, Wednesday, June 22, 2:30 class, $600; 2:24 class, $600; free-for-all pace, $1,000.

Third day, Thursday, June 23, three minute trot, $500; 2:30 pace, $500; free-for-all trot, $1,000.

The entries close at Stillwater June 13 at midnight, and at St. Paul June 20 at midnight. The rules of the American Trotting association will govern the races of both meetings. Four horses are to enter, and three to start. Horses distancing the field or any part thereof take first money only. The association reserves the right to postpone races or to declare them off on account of bad weather. The 3:00, 2:30 2:18 stakes close May 2.

No Midway Sale.

The annual sale of young trotting stock that has been advertised to take place at Midway on the 8th day of June next has been withdrawn. The cause of this is the lack of young stock to put into the sale. Commodore Kittson, George W. Sherwood and C. A. De Graff are the only persons interested in the project. Mr. Sherwood has sold so much of his stock of youngsters that he had nothing at all to offer, and Mr. De Graff has also sold a great deal of his. A few days ago Commodore Kittson was out to Midway looking over his stock with Mr. Woodmansee, and was so well pleased with the appearance of the youngsters that he told Mr. Woodmansee he did not care about putting them into the sale; that if he was to have his choice he would not sell them, but that as the arrangement was made he would not keep them out. When, therefore, it was found that the other two gentlemen had sold so much of their stock it was mutually agreed that the sale should not take place, and it was accordingly abandoned. This will cause a good deal of disappointment to many who were intending to buy.

The Cogsgrove Live Stock Company.

To the Editor of the Globe:

Having to return my pass to the railroad company and being unable to walk from St. Peter to St. Paul in one day, I divided the distance and stopped off at Le Sueur, and was well repaid for my trouble as I had the pleasure of meeting the members of the Cosgrove Live Stock company, whose farm and breeding barns adjoin the city limits. This farm is composed of yound blood, and from my register would say that they are all standard and eligible to go in any class. They are not only thoroughly posted on Herefords (as their records at all fairs show) but are well informed as regards speed lines of the different trotting families. At the head of their trotting stud they have Marshal Ney, by Cuyler, first dam Patchen Maid, a very superior mare by Mambrino Patchen. Cuyler, the sire of Marshal Ney, was bred by Charles Backman, Stony Ford, Orange county, New York. Cuyler is described by H. T. Helm in his book on American roadsters and trotting horses, as not surpassed by any son of Hambletonian for beauty and symmetry. The sire of the dam of Marshal Ney (Mambrino Patchen) was a wonderful getter of trotters, as his progeny will show, and his mares are eagerly sought after by prominent breeders. This firm is to be congratulated upon having at their stud a stallion so richly bred in speed lines, and if his stud book does not fill it will be only because the breeders do not know where he is. His size, style and action commend him to all breeders. Their young stallion by Tyrant, full brother to Phallas, first dam Elsie Girod, by Blue Bull, has grown remarkably the past winter. The brood mares have wintered fairly. Only one of them will be tracked the coming season, i. e., Gipsy, record of 2:32. I understand from them that they would place her in the hands of that popular trainer and driver, John Doud, this summer. She should make a grand mare in the 2:32 class. I also saw other fine drivers here which I made note of, but being foot-sore from using my tie pass, I did not feel like scoring more than one heat, but will give you one in the free-for-all soon. I. D.

Local Horse Notes.

A writer in Wilkes' Spirit, says: While at Midway I took a look at Asteroid, the fine young stallion that will be among the number to be sold by Commodore Kittson at the forthcoming sale. He is as fine a colt as walks the ground, good sized, good color, and a trotter sure. He was sired by Blackwood, Jr., dam Astoria, full sister to Dexter. His disposition is perfection, and I look for some of the prominent Kentucky breeders to secure him at the sale, for no finer choice could be made to head any stud.

Dr. J. H. Bryant has added another fine pacing mare to his long list of highly bred animals, in Maud H, a chestnut foaled in 1881, by Saratoga Star, dam Mollie Harris by Talbot's Abdallah; second dam, Lydia Talbot, by Taylor's Messenger. She has a very even gait, is speedy and a perfect picture.

George P. Smith, the popular horse trainer and driver, of Hastings, sold to S. Dawson one of the handsomest carriage teams ever seen in this city. The price is said to be $1,000. Mr. Smith contemplates bringing some more good single and double driving teams to this city.

T. B. Marrett will send his mare Annie West, by Allie West, to the fair ground to-day, to be handled by John Doud. The first dam of Annie West was by Conductor, son of Hambletonian 10, second dam by second Denmark and the dam of Leuwinski, 2:25¼.

George W. Sherwood had two foals dropped on his farm last week, by Woodford Mambrino. One was a horse colt, dropped by Margin by Gov. Sprague. The other was a filly, out of Hermione by Hospodar, second dam by Hambletonian.

John Doud has just added to his string of trotters two very fine ones from Dakota, and a rare good one from Mr. Steele, of Dakota. This is a four-year-old by Blackwood, first dam by Administrator.

Charles Radcliff has bought of F. J. Riley a yearling colt by Masterlode, Jr., dam Brutus Clay, and has sold to F. A. Seymour a bay mare, 4 years old, by Brutus Clay, second dam by Jockey.

T. B. Marrett's splendid mare, Lady Eleanor, lost her foal on the 28th ult., by Woodford Wilkes, while his mare Countess, by Hamlet, dropped a chestnut filly by Revenue.

Mr. Monroe will place his b. g. Capt. J. D. Wood, by Bashaw Mambrino, first dam Ket by Alexander's Edwin Forrest, in Doud's hands this week.

V. Simpson, of Winona, has two good ones in Mr. Doud's hands. Particularly the b. g. by Hero of Thorndale.

Mr. Marrett has shipped the b. m. Captolia to Knapsack McCarty, and she will go in his string of trotters.

Ehle Allen has purchased a large, handsome pacer for a roadster.

George H. Morgan, of the Chicago Horseman, is in St. Paul.

Miscellaneous.

Epaulette has been losing his eyesight for the last three months, and he is now almost totally blind. Robert Steel, his owner, has consulted proper medical authority, and cannot account for the affliction, except through probable hard usage before he passed into his hands, although this does not incapacitate him from doing stud duty. Mr. Steel has traced his ancestry back as far as possible, and cannot find one of them on either side so afflicted, and consequently it should not make any difference in his get, and it certainly has not made any difference so far in his engagements for the coming season, and when we come to analyze the fact we find that the great Lexington was blind, and yet his produce, with very few exceptions, had as good eyesight as any class of horses foaled.

Of all the sires of 2:30 trotters, forty-five only have those with records better than 2:18. Thirty-eight of this number have one better than 2:18 trotter each. Seven have two or more, as follows: George Wilkes, Harry Wilkes, 2:13½; Guy Wilkes, 2:15¼; Wilson, 2:16¼; So So, 2:17¼. Dictator, Jay Eye See, 2:10; Phallas, 2:13¾; Director, 2:17. Electioneer, Manzanita, 2:16; Antéo, 2:16½; Adair, 2:17¼. Blue Bell, Zoe B, 2:17½; Bessie, 2:17¾. Almont, Piedmont, 2:17¼; Fanny Witherspoon, 2:16¼. Volunteer, Gloster, 2:17; St. Julien, 2:11¼. Louis Napoleon, Charles Hilton, 2:17½; Jerome Eddy, 2:16½.

Knap McCarthy will send several of his string home from Terre Haute. He will train Astral, 2:22½, a big brown mare by August Belmont, out of Lady Patchen, that can step it off better than 2:20 four or five times. Knap's horses were never doing better, and he is more than pleased with the mare Silverone, by Alcyone.

Adelaide, 2:19¾, dropped, April 21, at Lexington, a chestnut filly by Nutwood, 2:18¾. The foal was carried one year and six days. The mare will now be bred to Robert McGregor, 2:17½, sire of Bonnie McGregor, 2:16.

Oliver K. will leave California May 8, and will remain at Chicago until July. His first race will probably be with Harry Wilkes in the $5,000 special at Detroit.

It is reported that Harry Wilkes will trot against time at Belmont park some time this month.

Bair is handling Johnston, the great pacer, with a view of lowering his record of 2:06¼.

It is proposed to trot Arab against Majolica for $1,500 a side and gate money.

ALLEN'S IRON TONIC BITTERS

The most Elegant Blood Purifier, Liver Invigorator, Tonic and Appetizer ever known. The first Bitters containing Iron ever advertised in America. Unprincipled persons are imitating the name; look out for frauds. See that the following signature is on every bottle and take none other:

ST. PAUL, MINN. Druggist & Chemist.

WEAK MEN! Debilitated through Indiscretions or Excesses, WE GUARANTEE TO CURE by this NEW IMPROVED Electric Belt & Suspensory, or REFUND MONEY. Made for this specific purpose. CURE OF GENERATIVE WEAKNESS, giving continuous, mild, soothing currents of Electricity directly through all weak parts, restoring them to health and Vigorous Strength. Electric Current felt instantly or we forfeit $5,000 in cash. Greatest Improvements over all other belts. Worst cases permanently cured in three months. Sealed pamphlet &c. stamp
