TREMENDOUS SUCCESS!

No value in Dress Goods ever offered in this city approaches our last purchase. Customers overwhelmed us yesterday; to-day we are better prepared to take care of a big crowd. To those who have not seen the BIGGEST BARGAIN on record we would say: 100 pieces 42-inch all-wool Checks and Fancy Mixture, worth double what we are selling for, our price 42c. It costs nothing to look at them or sample them. All who would rather save a dollar than throw it away, should certainly make a point and come to see them, bringing all their lady friends with them. Our Bargains are not confined to any particular department, but can be found all over the store. The Upholstery Department makes a big display of CHENILLE CURTAINS at from 25 to 50 per cent. lower prices than you can obtain in Carpet Houses; choice qualities at \$8.50, \$11, \$12.50, \$13.50, \$15, \$16, \$18. Turcoman Curtains at \$3.50, \$5, \$7, \$8, \$10. Tapestry Curtains at \$8, in fact, all the necessities needed to furnish or repair a house at much less than usual price.

We will consider it a favor if you will inquire for BLACK SATIN RHADAME at 65 cents. Nothing like it ever shown in the city. In fact, our assortments and prices are always right for the buyer. Mail orders receive prompt attention.

GLOBE, May 17, 1887.

DUST.

The particles of dust on the wings of butterflies prove by the microscope to be beautiful and well-arranged little feathers. By the same instrument the surface of our skin has scales resembling those of a fish, but so minute that a single particle of dust would cover 250 and a single scale covers 500 pores, whence issues the insensible perspiration necessary to health. Consequently that tiny grain of dust can cover 125,000 pores of the human body. You will find when you come to brush the dust off that old suit that it is faded and worn threadbare. That you can't remove. Nothing short of a new suit will do. Now be sensible, and exercise simple common sense, such as helps you to avoid mistakes in other matters, and buy that new suit of the U T K. It is the only "producer" in the "Twin Cities," and it is the only clothing store that can give you the manufacturer's price, which is always a saving to the consumer. You will be pleased with our Black Cork crew Worsted 4-Button Cutaway Suit at \$20. The goods are genuine imported West of England and very choice. U T K, Minneapolis.

Clothing is now trumps. The BIG BOSTON, Minneapolis, has a whole fist full of dandy trumps in the shape of coats and vests, in White Flannel, Fancy Flannel, Pongee Silks, Penangs, Seersuckers, Mohairs, Brilliantines, Buillians, Alpacas, Drap d'Ete, Fancy Linens, French Calicoes, etc., etc. These goods are in the new colors, also in checks and stripes, and are cut and made for our particular trade. Gentlemen who desire novelties, either in these goods or in Fancy Neckwear and Underwear, will surely be pleased with our stock and with our prices, for everything is marked at the lowest possible price.
