A Beautiful Trophy From the Agricultural Society for Bruno Beaupre.

Summary of the Doings of Saturday Gathered From All Sources.

IT HAS NEW OFFICERS.

Result of the Election of the St. Paul Trades and Labor Assembly.

At the meeting of the trades and labor assembly held Friday evening the following officers were elected:

- President—Thomas H. McKone. Vice President—R. B. Rice. Recording Secretary—William Jones. Treasurer—George H. H. McKone. Board of the President and Recording Secretary—O. H. Francois, William Hill, George H. H. McKone, Treasurer—C. E. Alderman, Sergeant-at-Arms—C. H. Keeler, Financial Secretary—Theodore Kirchoff.

THOMAS H. MCKONE.

The above portrait presents the outline of the features of Thomas McKone, Esq., the new president of the St. Paul Trades assembly. Mr. McKone is a medium-sized man, somewhat delicate in appearance, but very vigorous in his nature, and is known as the lightning "poster printer" in the Northwest. He was born in Portland, Me., in 1841; removed to Chicago when seventeen years old and entered the National Printing company as an apprentice, and was subsequently engaged by the Great Western Printing company. After working eleven months with this firm he was engaged by the Pioneer Press company, of St. Paul, where he now is. Mr. McKone is a first-class union man and belongs to the following secret societies: Grand Lodge No. 88, A. O. U. W.; Arnold Legion No. 16, A. O. U. W.; Typographical Union No. 20, the Foresters and many other organizations. One of the prominent characteristics of Mr. McKone is his strict and impartial adherence to duty and his devotion to the interests of the wage-workers. He is married and is greatly esteemed for his many excellent qualities.

COULD NOT AGREE.

No Verdict in the Case of McDonough, Charged With Manslaughter—Court Doings.

The jury in the case of McDonough for manslaughter, after spending a night in the jury room, came before Judge Kelly yesterday afternoon and informed him that no agreement could be reached. The judge discharged the jury at once. J. J. McCafferty, attorney for defendant, asked that bail be reduced from its present figure of \$8,000, and Judge Kelly took the case under advisement. It is understood that the jury stood 10 to 2 in favor of acquittal.

AN OLD TIME CASE.

Fred M. Studley, administrator of the estate of Almerin H. Winslow, began suit in the district court yesterday against Mattias Winslow, claiming \$7,132.11, allowed by the probate court last June, together with costs of trial, making a total of \$11,000. According to the complaint, in December, 1887, Chas. T. Bowen was appointed by the Cook county (Ill.) court guardian of Ida G., Daniel E. and May N. Walrath, George S. Bowen and Almerin H. Winslow becoming his sureties in the sum of \$20,000. This bond was lost in the fire of 1871, but a new bond was filed in July, 1872. Ida G. Walrath became of age in July, 1887, at which time she was to receive as her share of the estate \$2,470.20, for which amount suit was brought in Chicago against the guardian, and a verdict of \$2,000 was secured. A verdict was secured by David E. Walrath in May, 1885, for \$4,732.11, but neither of these amounts have been collected. It is claimed that Winslow, one of the bondsmen, who died in St. Louis May 10, 1886, transferred all his property to his wife with the intent to become fraudulently released from his obligation.

LAWYER'S BRIEFS.

A motion by the defendant to dismiss was granted by Judge Kelly in the damage case of John Beaudry against the St. Paul & Duluth Railroad company. In the case of Frank L. Carro vs. Jobber Sewer et al. it was ordered by Judge Kelly that the plaintiff have judgment according to the written stipulation. The jury in the case of E. P. Wilgus against James Flannigan returned a verdict for the defendant. The Hegener manslaughter case will probably come up before Judge Kelly tomorrow. The jury in the case of R. S. Hobbs vs. N. M. Allen & Co. found for the plaintiff in the sum of \$425.86. The case of Sarah Wall against the city of St. Paul was on before Judge Kelly and a jury yesterday. The plaintiff claims that in the opening of Mendota street a strip five feet wide was taken from the property. The case was tried before Judge Kelly recently and decided in favor of the city, when the plaintiff asked for a trial by jury. The case just passed through the hands of Dawson, Jr., assignee of J. Bloom & Co., of the California Wine house, has been disposing of the goods in the California wine house, with the remainder of the stock was yesterday sold to the California Wine house company, which was recently incorporated, and the assignee was ordered by Judge Kelly to transfer to the new company, which was the silent partner with Mr. Bloom, and who is one of the incorporators of the new company, took control of the business yesterday as general manager.

A VALUABLE TROPHY

Just Presented to Bruno Beaupre By the State Agricultural Society. Mr. Bruno Beaupre has just had presented to him by the Minnesota State Agricultural society, for the best and fastest pair of pacers owned and driven by the owner, a very unique and beautiful token. It consists of a span of horses, representing Mr. Beaupre's pacers, made of oxidized silver attached to a side-bar harness with the top sum of the harness and lines are of gold, and so are all the trimmings to the buggy. An excellent representation of Mr. Beaupre sits in the vehicle, with the lines in his left hand, his whip in an upright position in his right hand, just

as he and his team looked when they returned to the stand after making the 2:22 1/2 heat at Hamline. The intention was to represent Mr. Beaupre and his team, carriage and all, just as they looked on the day of the race, and the artist seems to have succeeded admirably. The horses and vehicle stand upon a black walnut surface thirty inches in length by ten in width, and the platform is supported by a solid oxidized silver band at each end and on each side of which is the head of a horse, also in oxidized silver, nearly encircling which is a gold horseshoe. This beautiful present was designed by R. C. Judson, and was manufactured by Simpson, Hall, Newell & Co., of Wallingford, Conn., and cost \$50. It is on exhibition at Simon's, No. 314 Jackson street, where it will remain a week or so.

THE BAR ASSOCIATION.

New Officers Elected Last Night--In Honor of Judge Berry.

The Ramsey County Bar association held its annual meeting last evening. After hearing the reports of the retiring officers, the election of new officers followed with this result: President, C. E. Flandrau; vice president, H. L. Williams; secretary, L. K. Merrill; treasurer, H. B. Gonzalez; governing board, C. D. O'Brien, J. B. Beals, C. E. Otis, F. G. Ingersoll, G. C. Squires, C. N. Bell and H. H. Horton. Mr. O'Brien suggested the advisability of having the young men, who are engaged in the study of law throughout the city, form themselves into an association and make the bar association rooms their headquarters. The matter was referred to the governing board. It was decided that the secretary be instructed to send out circulars to the different members of the bar association requesting from them catalogues of their law libraries, to be afterwards printed in pamphlet form for the use of the members. The governing board was instructed to communicate with the judges of the district court to establish a better method of setting cases than at present prevails. The question of an annual banquet was left to the governing board. The reports of the retiring officers showed the association to be in a flourishing condition. One year ago the association was formed with a membership of fifteen, to-day there are eighty-one members on the rolls.

TO DO HONOR TO JUDGE BERRY.

The following gentlemen met yesterday forenoon at the rooms of the Bar association in Union block to take some action regarding the death of the late Judge Berry: Ex-Senator McMillan, Judge Young, Greenleaf Clark, Gordon E. Cole, and C. E. Flandrau. A committee, with Judge Atwater as chairman, was appointed to draw up suitable resolutions to be presented at the supreme court rooms next Saturday morning. Mr. Lovely, president of the State Bar association, will notify the members of that body, and the president of the Hennepin county bar will notify them in the matter, requesting them to be present on the occasion of the presentation of the resolutions which will be pronounced by a number of gentlemen who were best acquainted with the life and services of the distinguished deceased.

TRYING TO ADJUST.

A Meeting of the Creditors of the Late Firm of Rood & Maxwell.

Creditors of Rood & Maxwell and Rood, Maxwell & Chatfield, the lumbermen who failed recently at Ashland, Wis., held a meeting at the Merchants yesterday with a view to ascertaining what was likely to be realized from the assets of the late firm. According to a statement submitted to the meeting additional liabilities have been found of Rood & Maxwell, which will bring the total up to \$172,821.00. An offer of \$100,000 for the plant has been made by Capt. James Davidson, of Buffalo, but upon the plant there is a mortgage and interest amounting to \$42,000 held by the Northern National bank, and a claim of the Third National bank of St. Paul for \$60,000. In the event of the acceptance of this offer there would be a balance for division among the creditors amounting to \$58,000. Of this sum there are preferred claims aggregating \$25,281, leaving a real balance of \$32,719, which will pay about 23 cents on the dollar to creditors. Could the Northern National bank be induced to come in with the other creditors, \$19,000 would be added to the assets, and the creditors would receive about 40 per cent of their claims.

A NEW MISSION.

Dedication Services at the Burr Street Chapel To-Night.

This evening will occur the dedication of Burr Street mission, on Burr Street, near York. Address will be delivered by Rev. H. C. Mable, D. D., Rev. A. C. Kelly, Rev. E. P. Savage, Rev. W. W. Dawley and prayer of dedication by Rev. T. H. Hallowell. The services will otherwise be made quite interesting. This mission is one of several that are being established by the Paul Baptist union, an organization composed of members from the various Baptist churches of the city for building new churches and missions in St. Paul. It has already commenced active work in South St. Paul, Stock Yards, Oakland street, West St. Paul, and near the corner of York and Third streets, and also contemplates the erection of mission churches at St. Anthony Park, Merriam Park, North St. Paul and other of the factious places in St. Paul. At a meeting of the board of directors on Friday night it was decided to push forward the work of planting these missions and to raise the necessary funds to carry out the plan. One-half of the necessary fund is already subscribed.

MR. HARBAGH'S FUNERAL.

Many of His Old Friends Pay Their Last Respects--The Remains Sent East.

The funeral services over the remains of the late Springer Harbaugh were held at the dead man's residence, No. 75 Nelson avenue North, at 4:30 o'clock yesterday afternoon. The house was crowded during the entire afternoon with friends who came to take a last look at the remains, and the final offerings were numerous. Rev. J. Christie, of the House of Hope Presbyterian church, preached the funeral sermon. At 5:30 a procession formed, and the remains were followed to the union depot, where they were shipped last night to Pittsburg, Pa., for interment. The pall bearers were Charles Nichols, O. W. Johnson, Joseph Bookwalter, L. C. Jones, Charles McIntyre and George E. Skinner. The remains were accompanied to Pittsburg by Mr. Brown and Miss Bookwalter.

The Battle of Waterloo.

Hon. T. T. Alexander will deliver a lecture upon the "Battle of Waterloo," next Tuesday evening, at Acker Post hall, corner Third and Exchange streets, for the benefit of Acker Post Relief fund.

The lecture promises to be highly interesting, and the object is a most worthy one, as this fund is to be used in purchasing a library, pictures, and other home comforts for the soldiers' permanent home, which the state appropriation will not furnish. Judge Alexander recently spent several days upon this lecture tour, and his presentation was very intelligent and highly educated. Frenelmann, who has spent his entire life in the immediate vicinity of the battle, and whose father was a prominent officer in Napoleon's army. The position of the contending forces will be shown by large charts, executed under the supervision of Alexander's personal supervision.

An Evening of Music.

Those who ventured through the snow storm last evening to attend the musical entertainment at the Temperance union were well repaid, as all greatly enjoyed the exercises, which consisted of piano selections artfully presented by Miss May Pretre, entitled "Fanfare Militaire," and "Miserere," by Mozart. Miss Anna Sitzer and Miss Ethel Haisley gave two vocal numbers very nicely. Mrs. H. P. Fife read a temperance selection entitled, "What Came to Dilly's Home." The vocal duets by Mrs. W. R. Bramblett and Miss M. Kennedy were heartily received. The address of the evening was given by Mr. Walforth, who gave some very interesting information in the line of military etiquette. The closing exercise was a piano solo by Miss Sitzer.

WHAT THEY SAY.

W. E. Burton—I shall be sorry to see the entire Reform school tract pass into the hands of private parties. At least the school facing on Marshall street should be retained by the state for the site of the new capitol. Before state is ready to build a first-class capitol building this location will be so thoroughly built up as to be regarded quite central enough for any one. It would be poor policy to sell it now and the creditors would receive about 40 per cent for five years for no better location.

They Stole Jack Knives.

The hardware store of Bigler & McQuillan on Dayton avenue, St. Anthony hill, was broken into by a party of four boys from West St. Paul, Friday night, and eighty jack knives, valued at 75 cents each, were stolen. Detectives Daily and Kennedy arrested John Drum on Seventh street yesterday while trying to dispose of some of the knives. Gottlieb Noran, another of the party, was arrested on a suspicion by Officer Hennessy in West St. Paul and was sent to the county jail.

A Lady of Genius.

Miss Jessie Couthon, who will shortly appear in St. Paul, is widely known as a lady of great dramatic power, and the Eastern press speaks of her in very flattering terms. While here she will play a number of roles, and will give her appearances at the Boston Herald says: Miss Couthon's talents have never been more prominently displayed than on this occasion, and her brilliant dramatic genius created the greatest enthusiasm, her good nature being severely tested in responding to the demand for encore numbers.

The French Fair.

The annual French fair for the benefit of St. Louis school will open at Market hall next Wednesday evening and close on Saturday. It promises to be very attractive. The school for which the proceeds of this fair will be devoted was erected a little over a year ago by the French Catholics, and has at present more than 200 pupils, who are instructed in French and English.

The Concert To-Night.

The third concert of the ninth series by Selber's orchestra will be given to-night at Turner hall. The programme to-night will consist of nine selections. Two of these will be vocal solos by Miss Ida Hackett, of Detroit, Mich. Two overtures will be among the selections, one by Harold and the other by Bruehl. A selection from "Aida," by Verdi, a duet for the cornet and trombone and three other selections will complete the list.

At the Olympic.

The Olympic enjoyed its usual large patronage last week, and the audiences seemed well pleased with the attraction. For the coming week the Gypsy Queens' Carnival company will appear in a production of new ideas and original sketches. The circus, "Golden Kisses," will bring out the entire cast of the company. Manager Hilton expects good houses to greet the new show.

The new Manitoba depot at Hamline is almost completed, and Agent Pravit will move into it this week. It is of red pressed brick. The marriage of Andrew Buchner and Miss Nellie Holgate occurred Wednesday evening last, at the bride's home, 215 Fairview avenue. Rev. W. S. Vail performed the ceremony in the presence of about thirty relatives and friends. The bride is Miss Annie Dean acted as best man. The Grant Monument Fund.

Likely to receive several thousand dollars from an unexpected source. Funds for the monument have been coming in slowly of late, though encouragingly. Of the whole amount desired (about \$250,000) there has been received about \$15,000.

Now, Messrs. Wyckoff, Seamans & Benedict, the proprietors of the Remington Standard Typewriter, have challenged all other typewriter machines to a contest in which it is proposed to decide the question as to which is the superior machine.

They propose to deposit \$1,000 in the hands of the umpire (who by the way is to be appointed by their competitors); each competitor also to deposit \$1,000. After paying \$500 for the expense of operators, the whole sum thus deposited is to go to the Grant Monument Fund. It is to be hoped that at least several of these typewriters will accept the challenge.

It will be seen that should this challenge be accepted by three of the competitors of the Remington, the result would be, not only to establish the superiority of one of the competing machines, but at the same time to give the Grant Monument Fund the sum of \$2,500.

It is to be hoped that competitors of the Remington, who claim superiority, will respond to this challenge promptly. See their proposition on Second page.
