

TAYLOR'S BIG TRUMPS

Badger State Hoj Shows Up Strong in the County Conventions.

Still He Is Doubtful About Being Nominated at Milwaukee.

Prohibitionists Capture the Republican Convention in Polk County, Iowa.

Richland County Dakotians Declare for Gen. Allen for Delegate.

ASHLAND, Wis., Aug. 18.—At the Republican county convention to-day E. A. Shores, of Ashland, and W. S. Reynolds, of Hurley, were elected delegates to the state convention. On motion of Mr. Reynolds, Sam S. Fifield was allowed to choose delegates to support him in the congressional convention and he selected B. Scott, George F. Merrill and A. S. Trimble. The following were elected delegates to the assembly convention: Ed Gleason, G. W. Harrison, Ashland; H. L. Besse, Baternut; T. L. Kerr, L. McNeil, Hurley. The committee on credentials reported that the towns of Vaughn and Hurley had sent double-barrelled delegations, the first one consisting of W. S. Reynolds, L. McNeil and A. J. Trimble, while the second was represented by T. L. Kerr, L. McNeil and A. J. Trimble. The state delegation, all of which were from the point, will support Hoj Taylor for governor, doing so at the dictation of Fifield, who is representing the Hudson mans interest in Ashland county.

REVENGE IS SWEET. Eau Claire County Gives Taylor a Clip Under the Fifth Rib.

Eau Claire, Wis., Aug. 18.—The Republican county convention elected an unopposed H. Hoj Taylor for governor, twelve to the congressional convention, and seven to the state convention, and standing three for Hoard, and one for Ginty for governor; three doubtful, but likely to vote for Ginty. A lively fight was had over a motion charged to be in the Taylor, in which the committee to report a list of delegates to the state convention, and which was voted down, the anti-Taylor men completely controlling the convention. The large number of publicans who hoped Eau Claire county had lost its rabid desire for revenge on Taylor are intensely disgusted.

UNANIMOUS FOR TAYLOR. Plausible Hoj Gets Solid With St. Croix County Republicans.

Hudson, Wis., Aug. 18.—The Republican county convention to elect delegates to the state convention at Milwaukee next Wednesday was held in this city this afternoon. Judge Humphrey, George Chinnock, Capt. Start, of Baldwin; George Martin and Jerome B. Jones were elected delegates. Judge Humphrey was called upon and made a speech in which he warmly favored Hoj Taylor for governor, and then branched off on his favorite theme, protection. Mr. Taylor was called upon and in the course of his speech expressed doubts about the nomination at Milwaukee, because his enemies were making it appear that he represented a locality which is more nearly allied to Wisconsin in business interests than it is to Wisconsin. Of course, the convention was unanimous for Taylor.

CATLIN'S FIRST CHOICE. Douglas County's Delegate Is for Taylor, and the Congressional Delegates for Haugen.

WEST SUPERIOR, Wis., Aug. 18.—At the Republican county convention to-day C. A. Catlin was elected delegate to the state convention. His first choice for governor is Taylor, and Frank A. Hoj was elected delegates to the congressional convention and for Haugen; S. E. Tubbs and G. W. Millet, delegates to the senatorial convention. Mr. Taylor was called upon and made a speech in which he warmly favored Hoj Taylor for governor, and then branched off on his favorite theme, protection. Mr. Taylor was called upon and in the course of his speech expressed doubts about the nomination at Milwaukee, because his enemies were making it appear that he represented a locality which is more nearly allied to Wisconsin in business interests than it is to Wisconsin. Of course, the convention was unanimous for Taylor.

Taylor Has a Majority. NEILLSVILLE, Wis., Aug. 18.—At the Republican convention held here to-day the following were elected as delegates to the state convention to be held in Milwaukee on the 23d inst.: M. C. King, E. H. Winchester, James Boyden and J. O. Garrison. The delegates are unopposed for governor, but they stand, Taylor 3, Ginty 1.

PROHIBS ON TOP. They Capture the Polk County, Iowa, Republican Convention and Knock Out County Attorney Phillips.

DES MOINES, Ia., Aug. 18.—The Prohibitionists had control of the Polk county Republican convention to-day and succeeded in defeating County Attorney Phillips for renomination. Their only objection to him was that he had prosecuted and convicted the constabulary searchers for accepting bribes from the liquor dealers. Phillips' defeat has aroused all the better antagonists of the independent movement of a year ago, and the Democrats will probably put Phillips upon their ticket.

ALLEN ENDORSED. Richland County Republicans Will Support the General's Candidacy for Delegate.

WAHPETON, Dak., Aug. 18.—The Republican convention for Richland county this afternoon elected the following delegates to the Watertown convention: Perry, Hankinson, Lander, McCumber, Fisher, Platteau, Day, Wolf, Wolfe and Mollis. The convention adopted resolutions strongly endorsing the Chicago platform and instructed the delegates to labor for the nomination of Gen. Harrison for Allen for delegate to congress. The general has been in the city all day hobnobbing with the faithful, and on the adoption of the resolutions the delegates were unanimous in endorsing the Chicago platform, and as well as Blaine and Harrison, they have done it inasmuch as all of which must have set strangely on the stomachs of most of the local leaders present who are known to be in favor of revenue reform, and who actually passed strong revenue reform resolutions at their convention which elected delegates to Jamestown.

THE BALANCE OF POWER. Cerro Gordo County Throws It for John McHugh—Iowa Political Notes.

MASON CITY, Ia., Aug. 18.—The Cerro Gordo county Republican convention to-day elected a solid delegation for John McHugh for congressman of the Fourth district. His chances for receiving the nomination are now very flattering. Cerro Gordo's action in giving McHugh the delegation throws the

fight between McHugh and Fuller and puts Sweeney out of the list of probable candidates. Delegates from the Fourth district look very favorable for the nomination of Dellinger for congress. The delegates consent to attend the state convention at Des Moines. A. H. Hatter, W. E. Tucker, Charles Randall, W. A. Burnap, John D. Glass, J. B. Pierson, J. C. Wright, Alexander McGowan and Henry E. Stansbery. The delegates are instructed by the following resolution passed: That we endorse the action and policy of the present national committee and authorize general in their efforts to equalize tariff rates. Advice from Osage state that Judge John B. Cleland will tender his resignation as judge of the Twelfth district, to take effect Sept. 1. Gov. Larrabee will probably not appoint his successor until after the judicial election to-night, making a nomination. Two judges will be elected this fall, and in all probability George W. Kudlick, of Bremer, will be his own successor, and John C. Sherwin, of this city, the successor of Cleland.

A WAR OF WORDS. Ex Boss Keyes and a Correspondent Engage in a Vocal Riot.

MADISON, Wis., Aug. 18.—Ex Boss Keyes had a sensational altercation with a Milwaukee Sentinel correspondent in the Milwaukee office to-night. Keyes called with blood in his eye to see the "fighting editor," and finding a Sentinel correspondent there, changed his mind and attacked him because of a statement sent to the Sentinel concerning efforts being made by the Hoard men to unload Keyes from the Hoard wagon. Keyes demanded authority for the statement and called the reporter a "damned liar." The reporter returned the compliment and gave his authority, but this did not satisfy Keyes and he proceeded to heap all manner abuse on the reporter, using language too disgraceful for publication. The reporter attacked Keyes' personal reputation and accused him of working entirely for the benefit of his own pocket. Keyes got much of the altercation and left the office after characterizing all newspaper representatives as liars, and calling them all villains.

CAMPBELL FORCES ROUTED. Yankton County Republicans Reject a Resolution Favoring Hugh.

YANKTON, Dak., Aug. 18.—The Republican county convention was held here to-day. The Campbell forces were routed, the vote standing 32 to 31 for every question. The following were elected delegates to the Watertown convention: R. J. Gamble, E. E. Hudson, J. P. Crenan, A. W. Howard, Peter Huber, E. G. Smith, J. A. Potter, N. Edmunds, A. J. Wright, P. S. Samside. A resolution was offered requesting the delegation to present the name of Hugh J. Campbell at the territorial convention, but was lost. Delegates are opposed to Campbell and will not vote for him under any circumstances. They favor no particular candidate in the state convention. Robert J. Gamble may become a candidate before the territorial convention, supported by the liberal division and stanchly by the conservative division; however, that there is no authority for such statement.

GILMAN'S SCHEME. He Proposes to Pose as a Dark Horse.

ADA, Minn., Aug. 18.—The Republican county convention to elect delegates to the state and senatorial conventions at St. Paul and Crookston, met here to-day and elected the following delegates: State convention, H. H. Phelps, Ed. Swinton, A. A. Munson, A. H. Hedges, alternates, Gen. A. P. Hanson, A. J. Wright, M. T. Rude; legislatives, O. H. Myron, D. C. Lightburn, C. H. Fvealsten, P. O. Hanson. An effort was made to instruct the delegates for Scheffer first and C. A. Gilman second choice for governor, but did not succeed, and from this it is thought that Scheffer did not wish to be spoken of in any of the conventions as an avowed candidate, but that he would go into the convention as a dark horse, and that he would be brought out in case Scheffer's nomination seemed impossible.

PIERCE COUNTY PIQUE. A Resolution to Instruct for Taylor Was Voted Out.

ELLSWORTH, Wis., Aug. 18.—At the Republican county convention for Pierce county held here to-day, H. B. Warner, D. W. Woodworth, C. R. Morse, R. N. Corcoran, and J. S. Murphy were elected delegates to the state convention at Milwaukee. A resolution instructing the delegates to vote for Hon. H. A. Taylor as the nominee for governor was rejected by the convention. Eight delegates were also elected to the congressional convention at Menominee, all being for the renomination of Haugen. After a spirited contest for delegates to the senatorial convention at Hudson between Dr. Ballard, Dr. Woodworth, and H. B. Warner, eight delegates were elected on the thirty-sixth ballot favorable to the nomination of Warner.

THEY WALKED AND TALKED. Ashland Republicans Open the National Campaign.

ASHLAND, Wis., Aug. 18.—The Republicans opened the campaign here this evening with a street parade by the national club with bands, torches, banners and the usual hurrahing paraphernalia. Bayfield and Washburn joined in the demonstration. J. V. Quales, of Racine, and O. H. Fethers, of Janesville, addressed over 1,000 people in the theater on the subject of the tariff. The former, however, exhausted himself before he had told anything new. Fethers said that Harrison had voted to restrict Chinese immigration, and that while Cleveland was gnawing a pretzel in a beer saloon at Buffalo, Harrison was fighting rebels in the south.

SKILLMAN'S STRENGTH. Aberdeen Republicans Think He Will Get the Nomination for Delegate.

ABERDEEN, Dak., Aug. 18.—Republicans said that Phil Skillman, of this city, has an excellent chance of securing the nomination for delegate. Mr. Skillman is apparently giving himself little anxiety over the matter. Skillman is not outspoken enough in his position to divide confidence in either the administrative or the active chief of the Austrian army, and the sole occasion for reason for supposing that in case of war the Austrians troop

Jobs Take a Hand. CEDAR RAPIDS, Ia., Aug. 18.—An enthusiastic meeting was held by the Republican jobbers and manufacturers here to-night and resolutions passed asking the delegates elected by the recent county convention to sustain the railroad commissioners by nominating Smith and Campbell. It was a protest against the Cedar Rapids contingent, who are recognized as a railroad delegation, and who refused to admit one of the jobbers on a proxy. Exciting speeches were made and local politicians were denounced.

Solid for Taylor. LA CROSSE, Wis., Aug. 18.—The Republican county convention to-day elected solid-instructed-for-Taylor delegates to the state convention. There was some McFetridge strength, but at least two-thirds of the delegates were for Taylor.

Stivers Talks Politics. BRAINEED, Minn., Aug. 18.—H. C. Stivers to-night addressed a large Democratic meeting at Fort Ripley. A Cleveland club has been organized there.

A Healthy Club. Special to the Globe. MAZETA, Minn., Aug. 18.—The Democrats of this place held an enthusiastic meeting last evening for the purpose of organizing a Cleveland and Thurman club. The following officers were elected: President, L. B. Mathews; vice president, E. B. Raymond; secretary, S. Phillips; treasurer, Z. Hilger. They start out with a membership of sixty-five and will do some vigorous campaigning in this section during the coming campaign.

Voted For Sixteen. MARSHALL, Aug. 18.—W. D. Hillier, of Marshall, is the champion voter of the state. He offers to wager a suit of clothes that he has voted at more presidential elections than any other man in Minnesota. Voting first for Quincy Adams, he has voted since at all national elections and also in 1856, for Sam Houston for president of the Republic of Texas, making in all sixteen votes cast for presidents.

Scheffer Making Headway. REPUBLICAN PARTY. A Republican mass meeting was held at Zumbrota last evening, which was addressed by Hon. Albert Scheffer, of St. Paul; Gen. S. P. Jemison, of this city, and Prof. G. J. Peterson, of Minneapolis, the latter speaking in the Scandinavian language. There is very little doubt now but that Scheffer will secure a goodly portion of the Goodhue county delegation.

Harmony Was Not There. NEW ROCKFORD, Dak., Aug. 18.—The Republican county convention met to-day and elected as delegates to the Watertown convention H. M. Cook and J. M. Gifford. The delegates elected to the legislative convention are: H. M. Clark, F. S. Dunham, J. Prader, J. Chamberlain and A. M. Thompson. The convention was composed of two factions, the one division leaving the meeting in a body. Anything but harmony prevailed.

The Seat of War. ABERDEEN, Dak., Aug. 18.—Arrangements are being made by which important Democratic campaign work will be done from Aberdeen. The executive committee recognize the fact that the central counties present a good field and are disposed to take advantage of the central position of Aberdeen.

Crow Wing Claims a Date. BRAINEED, Minn., Aug. 18.—The Crow Wing county Republican convention was to-day called for next Thursday, Aug. 23. It is pretty certain that the delegates to be chosen will be for McGill.

Under One Roof. WATERTOWN, Dak., Aug. 18.—A Black Hills delegation, headed by Judge J. H. Gifford, also a committee of delegates to the state convention was to-day called for next Thursday, Aug. 23. It is pretty certain that the delegates to be chosen will be for McGill.

Lovers Die Together. OSWEGO, N. Y., Aug. 18.—Robert Holmes and Jennie Lowrie, two highly respected young persons residing near this city, hired a sail boat to go to a picnic, several miles from the harbor, on Thursday. They started to return at 10 o'clock that night, but have not since been heard from. Last night the boat was found on the beach, and it is thought that the couple have been drowned.

Francis Joseph's Placard. His Removal of Field Marshal Von Kuhnfeld Weakens a Crippling Army.

LONDON, Aug. 18.—The statement now going the rounds of the European press that the removal of Marshal Kuhn von Kuhnfeld from the Austrian army was followed by the retirement of Count von Moltke from the German army as an initiative step towards the cessation of the Austrian and German armies on more effective scales is ridiculed by leading military critics, at least as far as Austria is concerned. A leading German general officer, whose name, for obvious reasons, is withheld, in an interview to-day on the subject of the recent removal of Baron von Kuhn, took a step which has gone far to diminish the credit of the military critics. He declared that the removal of Kuhn was a violation of the dual monarchy which had grown up in recent years. The Emperor Francis Joseph has, in fact, removed the only two first-rate generals of the Austrian empire, his nephew, Archduke Albert, the conqueror of Custoza, is the inspector general of the army, and Field Marshal Kuhn von Kuhnfeld was, until his retirement, the commander of the Third army corps, having its headquarters at Graz. The corps comprises the contingents of Austria, Carinthia, Styria and Istria. Field Marshal Kuhn was born in 1817, and is, therefore, of the same age as Archduke Albert, two years younger than Prince Frederick, and seventeen years younger than Count von Moltke. In 1866 he defended the Tyrol with a small force against the Italians, and his successful conduct of this difficult enterprise, followed by the publication of a treatise on mountain warfare, which ranks as a classic in military literature, established his position as one of the first of living commanders. From 1868 to 1874 he was minister of war, and to him is due the credit of the good in the reorganization of the Austrian army after the great disasters of the Bohemian campaign. In 1874 he was appointed to the post of minister of war, which has been relieved. It has become a painful fact to the majority of Austrians that in view of the present critical position of the empire the government took a very unwise step in removing Baron von Kuhnfeld. Austrians know how often count influence has removed their generals from command and how the former have sacrificed to military incompetence in high quarters, and this gives all the more reason to regret his removal. His removal was severely criticized by Kuhn von Kuhnfeld was undoubtedly had ones. There is not now in the military world much confidence in either the administrative or the active chief of the Austrian army, and the sole occasion for reason for supposing that in case of war the Austrians troop

They Were Properly Directed. It is that the Austrian general staff is understood to be the only medium for the communication of orders to the troops. Many leading politicians are of the opinion that there is as much need for the powers to increase the efficiency of their armies as there was a need for the powers themselves seem to think so, too. These politicians who entertained the opinion that excellent relations should be maintained between Emperor William and the czar by the recent imperial interview are now surprised at the warmth with which the semi-official Russian press criticise the meeting between France and Italy respecting Massovaw, directly charging Germany with creating the situation in order to weaken France and warm Germany that in the event of the latter power joining Italy Russia would not stand by while France was again being conquered. The speech of Emperor William, Thursday, at the unveiling of the monument of Prince Frederick Charles, the hero of Metz, was undoubtedly meant as an answer to these attacks and plainly indicates that the recent meeting at St. Petersburg has had to effect on the antagonism existing between Germany and France.

Speaker Carlisle Willing to Meet Magnetic Blaine on the Stump.

Parnell's Mother Issues an Appeal to Her Son's American Friends.

Congressman Bynum Bakes Up Harrison's Record on the Chinese Question.

Some Pointers for People Who Do Not Know Benny Well.

WASHINGTON, Aug. 18.—Speaker Carlisle, when asked this afternoon by a United Press representative what there was of truth in the statement that the rounds of the press to the effect that the national Democratic committee contemplated challenging Mr. Blaine to a joint debate of the tariff question with the speaker of the house, said: "I know nothing more about it than you and what we all read in the newspapers. No proposition of that character has been made to me, but if the national committee should conclude that it was advisable to conduct a debate and would request me to take the rostrum with Mr. Blaine, I would undoubtedly be providing, of course, that the dates fixed did not interfere with my official duties."

A MOTHER'S APPEAL. Mrs. Parnell Asks All Friends of Ireland to Come to Her Son's Assistance.

WASHINGTON, Aug. 18.—P. C. MacCourt, of the sixth auditor's office, has just received a letter from Mrs. Parnell, in which she makes a vigorous appeal to all friends of her son, for Ireland, who may possess any letters or evidence useful to her son's defense from the attacks of the London Times to forward the same to Mrs. Parnell, Ironsides Park, New York, N. Y. In the letter she says: "But I am sure that my dear wife, kind and noble son Charles is at last exposed to heavy expenses and all which may end like that of Smith O'Brien in the confusion of his property, for one can hardly believe but that the object of the Tory government is imprudent to cut off my means. God forbid that nothing worse may be their design."

HARRISON'S PROTEGES. John Chinaman's Emigration to America and an Eminent Hoosier's Record on the Question Discussed by Congress.

WASHINGTON, Aug. 18.—Discussion of the senate bill to restrict Chinese emigration took place to-day in the house to-day, but without taking action on the bill the house adjourned. Mr. McCleary, of Kentucky, from the committee on foreign affairs, reported, and asked immediate consideration of the bill. He stated that the coming of Chinese laborers into the United States, with an amendment repealing the acts of May, 1882, and July 5, 1884, the reports to take effect on the ratification of the pending treaty. Mr. McCleary gave a brief history of the Chinese treaty and said if the senate had ratified the treaty as sent to them by the president, the Chinese immigration would have been stopped. He said the president and secretary of state deserved great credit for their course in this respect, which would give the people of the Pacific coast the relief long asked for and it was the duty of the house to act at once on this important matter and give to the people of the Pacific coast the relief.

THEY WERE CLAMORING FOR. Mr. Morrow of California, Hooker, of Mississippi, Chipman, of Michigan, spoke in favor of Mr. McCleary's bill of Indiana, in advocating the passage of the bill criticized the Republican party for its failure in years past to stop the immigration of Chinese laborers. Mr. Morrow favored the opening of the doors to cheap labor but wanted them closed on cheap goods. More than this the Republican party should have done. He said that the Chinese immigration had done more to break the neck and causing instant death. Before the father could be removed from the well the son, whose head was badly crushed and whose blades broken, died, and both bodies were taken to their home. Mrs. Owens was so prostrated by the shock of their death that she has not since died.

The Liberta was of 350 tons measurement, and was commanded by Capt. Nielsen. She was built at Bergen, Norway, in 1878, and was owned by M. A. Schielderup. Her cargo consisted of 100,322 gallons of petroleum.

HE STOOD ON THE BRIDGE. When He Attempted to End His Life. An old man named Ernest Schram deliberately walked out on the Robert street bridge at 10 o'clock last night, and, pulling a 22-caliber revolver, put a bullet into his right temple. The patrol wagon was called, and immediately took him to the city hospital, where Dr. Ancker attended the would-be suicide. The bullet was too small to make a fatal wound, and he got up in the evening, and the man would recover. Schram came up from Mason City, Ia., recently, is fifty-two years old, a painter by profession, and has been working in West St. Paul. He has a wife and two children in Mason City. When questioned as to the cause of his rash act he would not give any reason, but he had evidently been drinking heavily.

Killed W. G. His Own Gun. CHICAGO, Aug. 18.—This evening at 7 o'clock, while Bernard Reilly, a grocer at 247 North Franklin street, and William Burns, an expressman, were engaged in a quarrel over a small debt owed by the latter to the former, Reilly fired a shot which killed Burns. Salmon gave himself up to the police.

Blaine, who gave their vote solidly to Gen. Harrison and sustained his record, was squarely to the interests of America on the Chinese question. The life of the statesman, the whole character of Ben Harrison was in favor of that which was called instinctively the American idea. Pending further debate, the house at 5 o'clock adjourned.

As soon as assistance could be procured the father was lowered into the well when he found his son insensible. The young man was drawn up and the rope lowered to the surface, when the rope again broke and the mother fell to the bottom, breaking his neck and causing instant death.
