

MILLER IS THE MAN.

"Wood Pulp Warner" Named for Governor by New York Republicans.

Silk Stockings Had Absolute Control of the Saratoga Convention.

They Denounce Everything Democratic and Declare for High License.

This Alone Insures a Democratic Victory in the Empire State.

SARATOGA, N. Y., Aug. 28.—The state Republican convention assembled in the Casino at noon to-day to nominate candidates for governor, lieutenant governor, judge of the court of appeals and electors at large. It was a few minutes past 12 o'clock when the assemblage was called to order. Rev. Dr. Leach, of Albany, offered prayer. Gen. B. F. Tracey was elected temporary chairman, and on taking the chair he addressed the convention at considerable length. At the conclusion of Gen. Tracey's address the resolutions were submitted and adopted providing for the appointment by the chair of the committees on credentials, permanent organization, resolutions and electors at large. A resolution, which proposed to protest against the insertion in the platform of a high license plank, met with the approval of a majority of the delegation, but it was finally decided to leave that question to the convention. The convention recessed until 4 o'clock. The convention reassembled at half past 4 o'clock. The committee on credentials was called upon for its report, which was submitted and adopted. It favors the sitting delegates from each of the contested counties. Mr. Husted presented the report of the committee of permanent organization, recommending for chairman Gen. Geo. S. Batcher, of Saratoga. The report was adopted, and Gen. Batcher gracefully acknowledged the honor tendered him and congratulated the Republican party as one representing the people.

A RICKETY STRUCTURE.

The Platform Will Send Candidate Miller to His Political Grave.

There were various seconds of the different nominees, and, finally, at 7 o'clock the roll of counties was called for the first ballot. The roll called proved beyond doubt that Col. Cruger had received the nomination, and the friends of the contestants having withdrawn in his favor, the nomination of Col. Cruger was declared. The roll of counties was then called, and the chairman, ex-congressman Payne, read the report as follows:—

RIPE FOR A LYNCHING.

Mapletonians Came Close to Meeting Out Summary Justice to Two Brakemen.

Mapleton, Aug. 28.—Lynching of the two brakemen accused of ejecting a tramp from a train yesterday, whereby causing his death, was averted to-day only through the coolness of the officers conveying the men to Mapleton to attend the inquest. Judge Marshall Burdick, who presided, excused the jury, and the men were released. The jury, however, returned a verdict of guilty to the charge of manslaughter, and the men were committed to the jail to await their trial.

WILL HUMP HIMSELF.

Candidate Miller Denounces the Democracy and Proposes to Make a Lively Fight.

The order of nomination was here suspended upon the appearance of Warner Miller, who was escorted to the platform with enthusiastic cheers and applause. Mr. Miller addressed the convention as follows:—

TEMPERANCE AND PURITY.

ANOKA, Minn., Aug. 28.—The people of Anoka are enjoying a rich treat in the visit of the officers of the W. C. T. U., who are holding their annual convention in this city this week. The Anoka county convention opened its session this morning in the Congregational church. After reports of committees, the following officers were elected for the ensuing year: President, Mrs. S. E. Stewart; secretary, Mrs. J. M. Woods; treasurer, Mrs. Ada Wilson. Adjourned. At the same place to-day the second annual convention of the Ninth district, W. C. T. U., including Hennepin, Wright, Anoka, Sherburne and Isanti counties, was held. The president is Mrs. V. W. Voorhes, vice Mrs. E. M. S. Marble; treasurer, Mrs. Lyman Denton. The morning session was devoted to reports of committees, and practical and appropriate remarks by Mrs. Carrie Knox, of Minneapolis. At the afternoon session reports were made by local committees, and an interesting talk on Kindergarten work was given by Mrs. V. K. Hayward, of Minneapolis. At the evening session the spacious church was filled with a fashionable and attentive audience. Music was furnished by the Prohibition Glue club. Addresses were given on "Social Purity" by Mrs. C. O. Vanleue, and "Sentiment of the W. C. T. U.," by State President Mrs. H. A. Hobart. To-morrow the last sessions will be devoted to the election of officers, reading of interesting papers, and the close in the evening with an address by Mrs. Julia Nelson. The convention at 7:30 adjourned sine die.

W. C. T. U. Conventions at Anoka—Crops Damaged by Frost.

Special to the Globe. BUTTE, Mont., Aug. 28.—News reached this city to-day of a fearful accident in Brown's gulch yesterday, by which two little boys lost their lives. The victims are sons of David Morgaz, and only the merest details as to how they came to their death are obtainable. It appears that they had been playing in the barn and one of them was on a wooden platform. The other little fellow was but two years old. The supposition is that they were playing with matches upon the hay, and in some way set it fire.

BURNED TO A CRISP.

Horrible Fate of a Dakota Farmer's Child.

Special to the Globe. ECHESLON, Dak., Aug. 28.—The house of Charles Crosswell, a farmer living nine miles southwest of here, burned yesterday. The fire was caused by children playing with matches. One child was burned to a crisp.

LOVE PROMPTED THE DEED.

The Only Excuse John Flaherty Offers for Murdering Hattie Wilson.

Huron, Dak., Aug. 28.—The coroner's jury this morning in the case of Hattie Wilson, killed by John Flaherty yesterday, returned a verdict that the killing was malicious and premeditated. When the warrant was read to Flaherty in his cell this morning he evinced no surprise or regret, treating the matter with indifference. He has little to say, except that he loved the woman, because he loved her and she would not go with him. His wound is quite sore, but will soon heal. His two brothers, Mike and Tom, are in the jail, and will prepare a defense for him. The body of the woman was buried this afternoon, her associates in crime being Sheriff Taylor, Fred Carriage, etc., and paying all expenses.

DOUGLASS COUNTY LAWYERS HONOR A JUST JUDGE.

Special to the Globe. WEST SUPERIOR, Wis., Aug. 28.—One of those happy little affairs that only come at long intervals in a man's life, was the affair at West Superior, Wis., this morning. The occasion was the trial of the late Sheriff Barnes and District Attorney Pollock, who had the train bearing the brakemen stopped a short distance from the station, and proceeded in the name of the law to demand the release of the men. The jury, however, returned a verdict of guilty to the charge of manslaughter, and the men were committed to the jail to await their trial.

AN APPEAL FOR AID.

Mayor Lawson, of Menasha, Solicits Contributions on Account of the Recent Disaster.

Special to the Globe. MENASHA, Wis., Aug. 28.—Mayor Lawson, of Menasha, yesterday issued an appeal to the people of Wisconsin in behalf of the families of those killed or wounded in the recent fire at Menasha. He reports that twenty-eight small children and nine widows are destitute. At least \$10,000 will be required to relieve the present suffering, and place these unfortunate people in comfortable circumstances. Thomas S. Joudain, another of the victims of the explosion, died yesterday.

Saloons Enjoined.

Special to the Globe. GRAND FORKS, Dak., Aug. 28.—This morning Sheriff Swan served injunctions upon the saloons in Grand Forks, S. D., enjoining them from the further sale of liquor. Judge McConnell issued the injunctions at the instance of District Attorney Pratt. The saloons have been running wide open at night, and temperance people and citizens generally became quite indignant. A determined effort will be made to enforce the law. Recently two of the saloonkeepers have been indicted for violating the injunction, and will have to appear before Judge McConnell, who gives no hope to violators of the law. The judge is an honor to the bench, and insists upon the law being enforced in his district.

Don't Entouse Over Matthews.

Special to the Globe. CASTLEWOOD, Dak., Aug. 27.—Republicans of Hamlin county are in a muddle over the nomination of Matthews for delegate. Before the convention at Waterford had declared its choice, our correspondent interviewed one of the leading Republicans, in his opinion of the nomination of Matthews. He said: "We don't want him any more represented on the farm and labor of Minnesota than Donnelly does the politics of this state."

This is to be known as the state ticket of the United Labor party, or as it is called in St. Paul, "the Merriam annex." The following platform was adopted: The Farm and Labor party, in convention assembled at St. Paul, Minn., Aug. 28, 1888, have adopted the following preamble and resolutions as a platform: We recognize only two parties, labor and capital, and the only issue at stake between the parties is: For the good of the people, to see whether or not an agreement or purchase can be accomplished. The meeting was adjourned last night for the purpose of holding a convention at Eau Claire, Minn., on Saturday morning, and Rev. F. C. Robinson, Big Stone City, S. THE ITCH.

That Has Seized Donnelly Again.

He really could not refuse. It might make his friends feel bad, then he was under pledge to Merriam and last, the itch seized him.

The last was what settled it with Donnelly. He might have held out against all other considerations, but when it came to being tendered this nomination he has received the greatest honor that any state can confer upon any man.

HIC JACET

IGNATIUS DONNELLY.

POET, PUNSTER, JUGGLER.

DIED OF THE ITCH

FOR OFFICE

AUGUST 28, 1888.

ERECTED

To His Oorous Memory

BY HIS FRIENDS,

RAILROAD GILMAN

AND

\$. \$. MERRIAM.

St. Paul, Minneapolis, Duluth, Stillwater and Winona.

In the farming districts Donnelly would show strong opposition to the prohibition of the liquor traffic.

There will be five state tickets in the field in case our party is not elected.

The Pioneer Press says the total vote of the party in 1888 will be 25,000.

Scheffer running independent would be safe for nearly a half of the German vote and some farmers besides—say in all 15,000.

Conceding to Donnelly 10,000 votes, we have then the following result: Total vote cast..... 150,000

Republican vote..... 75,000

Democratic vote..... 75,000

The situation is that a dot, and the election of Eugene Wilson fairly assured from the outlook.

Will Ames Support Him? Minneapolis politicians were wondering how the nomination of Donnelly would affect the position of Ames and the campaign. It will be remembered that Donnelly devoted nearly two months to Ames in the latter's canvass against the prohibition of the liquor traffic.

TO-DAY. Ramsey Gives Scheffer a Solid Defeat.

The Ramsey County Republican convention will be held at Market hall this morning. Twenty delegates to the state convention, one to be selected. Capt. Castle will be the chairman. The delegation selected, will be solid for Donnelly.

THEY MEET To Enthuse an Aroused Democracy.

The Democratic state central committee met at the Germania hotel at noon to-day to organize, elect a chairman and a secretary.

THE FIRSTS OF THE CAMPAIGN will also be matured and the committee meet Eugene Wilson and the state candidates. A large influx of state Democrats is expected to be present.

THE COMMITTEE IS COMPOSED OF—At Large—T. W. Lawrence, D. W. Lawler, M. W. Glenn. First Judicial District—E. C. Stringer, of Dakota.
