

IN THE FATAL FIFTH.

St. Paul Gets Runs Enough in an Inning to Defeat Des Moines.

The Milwaukee Team Bowled Down Three Times by Minneapolis.

Sioux City Victorious at Omaha and St. Joseph at Denver.

Boston, Philadelphia, Pittsburg and Chicago Winners in the National.

Special to the Globe.

Des Moines, Mo., May 18.—The Des Moines team went to pieces in the fifth inning to-day, and allowed St. Paul to score six runs. Emmerke had been pitching great ball up to that time, and he would no doubt have kept up his pace and won the game but for a couple of demoralizing errors, and the ragged work of the umpire Force on balls and strikes. This unfortunate coincidence turned the tide, and he fell before the sluggers. St. Paul scored a run in the first on a single by Phelps, a stolen base and a sacrifice, and Phelan's error. In the fifth inning was given a lift on Macaulay's low throw to Smith. Murphy got a base on balls. Then Pickett hit a fly to Macaulay, but Macaulay purposely let it strike the ground, scooped it up and threw swiftly to Phelan for a strike. Phelan dropped it, and recovered in time to throw Hawes out at third. Carroll's two-bagger sent Murphy and Pickett to base on balls. Fredway, thanks to Mr. Force, was served with a strike. Force and Carroll was forced across the plate. Broughton hit an easy one to Phelan, but the old timer threw a wild ball. Smith's head, letting Fredway to third, from which he soon afterwards scored on a wild pitch. Sowers and Hawes went out. After this inning the Milwaukee team did not get a run past first base. For five innings Sowers was only touched up for two singles, but in the sixth, with two men out, he pitched to Smith, over Fredway's head, for two bases. Macaulay got first on Pickett's error and Maskrey's base on balls filled the bases. Smith made a clear swing, bringing in two runs. Carroll followed with a hit but Traffey ended the inning by striking out. This was the extent of Des Moines' run getting. Traffey's back was the feature of the game. The score follows:

Table with columns: Team, R, H, E, etc. Des Moines vs St. Paul.

Des Moines: R 1 B 1 H 1 E 0. St. Paul: R 6 B 1 H 10 E 0.

Runs earned, Des Moines 2; St. Paul 6; two-base hits, Whiteley, Carroll; double plays, Macaulay to Phelan; errors, Phelan, Sowers; bases on balls, by Emmerke 2, by Sowers 3; struck out, by Emmerke 2, by Sowers 3; wild pitches, Emmerke 1; time of game, two hours; umpire, Force.

THREE STRAIGHT.

Minneapolis Walks Away With the Third Milwaukee Game.

Nearly 5,000 people saw Minneapolis defeat Milwaukee at the new ball park yesterday in the third of the first series of games on the home grounds. Griffith was in the box for Milwaukee and pitched a good game. The team seemed to have confidence in him and gave him much better support than the Milwaukee team had shown in either Freeman or Wells, but it availed nothing. It was evident from the very first that Milwaukee was bound to win if such a thing could be, and Lucie E. Sutton showed his determination in the last half of the first inning by starting a kick that was kept up for some time on Morrison's delivery. Umpire Kelly ruled it legal, however, and the complaints finally ceased. The first ball that Griffith pitched struck Miller on the arm, and he pitched a base and stole second while the Milwaukee man gave West a base on balls. Hanrahan fanned out, and Crossley recovered in time to catch Miller at first, making pretty double. Daly dropped a little fly to third, and a goose-egg stood opposite Minneapolis on the bulletin. Poorman caught the ball for Miller, and he pitched a base on balls. Love sent a long one to West, and big Morrissey came up. He got a ROUSING CHEER as he stepped to the plate, but that didn't prevent him fanning out. Kirby did the same, retiring the side. Turner was the first to bat. He got to base on balls and went second on Sutton's error. Hengle followed, and he pitched the box and got first. Crossley's ball threw to second, when Minnehan hit in front of the plate, advanced each base and placed the Milwaukee base man beside Morrissey. Dugdale hit the ball to right for two bases and Turner and Hengle scored. Miller got a base on balls, and West made a sacrifice, bringing in Minnehan and managed to get to first himself on the play, but was left at second. Milwaukee failed to score in the second, and scoring home on Hassamer's long hit to right. In the fifth, with two men out, Morrison made a long home run hit over the left field fence, and was tendered an extra as he crossed the plate. Turner expired at first, and Milwaukee tried it again, but didn't make a hit. Only

THREE MEN WAVED THE STICK FOR MINNEAPOLIS in the eighth and two of them struck out. West found the ball for a bag, but was caught rolling to second. Milwaukee failed to score in the sixth. In the seventh Daly led with a single, got to third on Turner's double and came home on Hengle's sacrifice while Milwaukee failed to score in the eighth, when West made a sacrifice, bringing in Morrison's long fly as if it was just what he had been laying for, and Joe Miller performed a like service for the Milwaukee team, which was called at

that time to allow the Milwaukee team to catch a train. The score:

Table with columns: Team, R, H, E, etc. Milwaukee vs Minneapolis.

SHORT AND SHARP.

Omaha Quickly Defeated by the Corn Huskers.

OMAHA, Neb., May 18.—One of the best games played here this season was that between Omaha and Sioux City. It was also one of the shortest on record, and was splendidly won by the sturdy Corn Huskers by reason of their superior all-around work. The score:

WON IN THE EIGHTH.

Denver Beaten by St. Joseph on the Former's Grounds.

DENVER, May 18.—The home team played in hard luck today, and lost the game through their inability to hit the ball. It changed pitchers in the fifth inning owing to Darabrough's illness. The score:

WEAK IN THE BOX.

Louisville Wins an Undesired Game From Columbus.

LOUISVILLE, Ky., May 18.—The game here this afternoon was won by Louisville by bad work in the box by Gastright and Widner. In the third inning Gastright was completely knocked out, and Louisville made seven earned runs. Widner, put in his place in the fourth, did very little better. Ehret's pitching was a pleasant surprise to the home management. Both teams felled well. Attendance small. The score:

CLIPPED THEIR HAIR.

The Giants Neatly Defeated by Pittsburg.

NEW YORK, May 18.—The Giants were beaten by Pittsburg to-day after a lively and sharply played game. For base running by O'Rourke and Whitney and a bungling play by Ward did much to lose the game. A dense fog prevailed, in which the Pittsburgers seemed to revel, remembering perhaps the smoky skies at home. Game made two remarkable one-hand catches, and Sunday won the honors for Pittsburg. Attendance 4,482. The score:

DUE TO O'BRIEN.

Boston Defeats Cleveland With His Help.

BOSTON, May 18.—O'Brien gave the first three men their bases on balls in to-day's game, and as Boston followed up with two doubles and a single, and O'Brien with a poor throw, the home team made six runs. In the second inning Boston made three wretched errors, and as they were interspersed with three singles and a triple, six runs were made by Cleveland and the game was pretty close. In the fourth, when O'Brien pitched, he gave Boston three runs in the ninth, while Cleveland made one on three successive hits after two men were out. Attendance, 6,649. The score:

A REMARKABLE GAME.

It Takes Brooklyn Eleven Innings to Defeat St. Louis.

ST. LOUIS, May 18.—Brooklyn won one of the greatest games ever played in St. Louis from the Browns to-day after eleven innings hard fighting. It was a pitchers' battle, in which Terry had a shade the better of it. Campbell and Lewis took the lead in the second, and held it until the ninth, when the score was tied by timely hits by Burns, Collins and Foutz. Visser brought in the winning run in the eleventh. The score of the game was the marvelous

fielding and base running of Capt. Coniskey, who was deprived of a home run in the first inning by the umpire declaring a fair-hit ball a foul. The score:

Chicago Whips Washington in an Eleven Inning Game.

WASHINGTON, May 18.—Eleven innings was necessary to decide the Washington-Chicago game to-day and the latter club won on Ryan's single, a base on ball and sacrifice hits by Duffy and Anson. The interest was at fever heat all through the game and the two clubs fought ahead of one another four times, and as Sweeney was laid off in the first work, but the latter player was atoned for by his loose fielding by timely batting. Van Halren's work in all respects was the feature. The score:

BY BETTER BATting.

Cincinnati Wins a Game From Baltimore.

CINCINNATI, O., May 18.—The Cincinnati won to-day's game from Baltimore by their superior batting. Duryea's speedy pitching was too much for the visitors. The fielding of Ennis and Shindler and a one-handed catch of hard line hit by Tucker were the features. Attendance, 2,000. The score:

BY FINE FIELDING.

Philadelphia Defeats Indianapolis by a Narrow Margin.

PHILADELPHIA, May 18.—The Phillies again defeated Indianapolis this afternoon, this time by cleaner fielding. Both Buffinton and Boyle were hit hard at times and the outfielders were kept busy. Buffinton was a shade the more effective when men were on bases. Attendance, 7,500. The score:

POSTER COMING BACK.

The Minneapolis Team Gets Two Men Dropped by New York.

Unless something unlooked for happens Sam Morton's force of hired men will be greatly strengthened before the end of next week by the addition of a first baseman, who is "way up in G," and a fielder whose brilliant catches have often proved a nuisance to Minneapolis audiences. It is safe to say that before the Minneapolis team comes back from Milwaukee next week, Edging Foster and Wagner, who have just been released from the New York team, will be with Minneapolis, which will be a material strengthening of the team before its next meeting with the men from down the river. This addition will, of course, necessitate the release of two men, and when Bingham arrives in June, or perhaps sooner, another twirler must follow Vinton. Just who will be dropped is not known yet, but it is comparatively easy to make a reasonably correct guess.

WOW, THIS IS AWFUL.

The Minstrels and Minneapolis Newspaper Men to Play Ball.

A game of ball is announced for next Thursday afternoon at Minneapolis that will probably attract considerable attention. It will be between members of the Thatcher, Primrose & West Minstrel troupe, and the ranks of the Minneapolis newspaper men. The minstrels will be dressed in costumes more or less fantastic, and the newspaper men will be dressed to represent their respective newspapers. They will be captained by Manager Conklin, of the Grand opera house. A prominent citizen who expects to spend the summer in Europe will be secured as umpire. The receipts will go to revivify the sinking fund of the press club. A similar game will occur in St. Paul Tuesday.

TOO MANY PITCHERS.

Des Moines Releases Charles Bryan Because He is Not Needed.

Special to the Globe. Des Moines, Io., May 18.—This afternoon Manager Macaulay handed Charles Bryan his release, and he is now at liberty to sign anywhere he can catch on. The reason given for releasing Bryan is that the club has more pitchers than needed. Bryan had not shown up as promising as was expected, the cold weather keeping him back. He has pitched only one game for Des Moines this season, and they were terrible punishment, owing to the lame condition of his arm.
