

THE WORLD OF WORK.

The St. Paul Trades Assembly Transacts Much Business.

No Change in the Stone Cutters' Strike--The Labor Bureau.

Minneapolis Briskly Prepares for the July Fourth Celebration.

Workingmen Are Opposed to Franchises Which Are Monopolies.

The St. Paul Trade and Labor assembly held its regular meeting last Friday evening. Nearly every trade except the horsehoes reports work quiet, with a prospect of remaining so through the summer.

Election of officers for the ensuing six months resulted in the following: President, J. B. Coughlin; vice president, James McGuire; recording secretary, Miss Mollie Lee; financial secretary, Frank Vallesh; treasurer, Thomas Reese; trustees, Phil Corcoran, J. C. Heenan and Philip Fisher.

The circular from the state eight-hour committee was read and approved. A committee was appointed to visit the country, and urge the union to make all arrangements so that the committee can report at the next regular meeting of the assembly.

Each delegate was also instructed to report to his organization that the trade and labor assembly recommend that every effort be made to ensure the success of the eight-hour celebration.

A communication was received from President Harrison's secretary saying that the recommendation of the assembly regarding the appointment of a public printer, was duly received and would be laid before the president.

THE STONECUTTERS' STRIKE. Many Men Leave the City--The Rest Are Firm.

Delegates from the stonecutters' union reported that the members of that craft still out, but hopeful of ultimate success. About 225 men went out on the strike. Of this number only eighty-five remain in the city, the others having left the city to find work in other places.

The ladies' labor league held a business meeting on Thursday evening. Reports of committees and routine business occupied a larger portion of the evening. At present the scope of the work is limited to the various committees report progress in the lines of work assigned to them.

The Nationalists' club held a pleasant meeting last Tuesday evening. The agenda consisted of the reading of the taking definite shape. Now cards of invitation are given to each member, and only those provided with such cards are admitted.

The Street Car Drivers' association met last evening and had a large attendance. A number of the members have left the city, but the interest in the organization is still kept up.

The plasterers hold an open meeting at labor headquarters to-morrow evening to discuss organization. All members of the trade are invited to attend, whether they belong to the union or not.

The plasterers have several grievances against contractors in this city. One of them is that they are paid less than employ apprentices at their work, and charges for their small wages.

Several unions in this city have heretofore been in different parts of the city moved into the Labor Temple during the past week, and will make their headquarters in that building for the future.

The St. Cloud Legion of Knights Honor have invited Miss Eva McDonald to deliver an address at an open meeting to be held next Wednesday evening.

It is reported on good authority that the employers in Minneapolis are organized and about to try conclusions with the stonecutters of this city, but the work of the next few days will be spent in better time to work for the appointment of an efficient three rather than spend time in going over past events.

The Land Improvement association is growing in popularity with the workers. The machinery of by-laws and regulations seem rather elaborate, but possibly the directors will be willing to spend the time necessary to put them in thorough operation.

The industrial parole committee meet at T. A. Clark's office this afternoon. The committee is composed of T. J. O'Connell, Gault, of Nebraska, who is the speaker.

the purpose of giving prominence to that question, and showing how unanimous was the opinion of the workers among all branches of organized labor. The largest industrial parade ever seen in the city will be held on the 14th of July on the grounds, in which every branch of industry is invited to participate.

In order to make the affair a success, and also that all may have an opportunity to take part in it, it will be necessary to discuss the matter thoroughly and make all local arrangements immediately. Those who wish to take part in the parade should send their names to this office at once. Please notify this committee what section your local or union takes in the matter, so that the details in regard to the parade and sports may be arranged accordingly.

Some organizations are taking time this forenoon to get ready for the enjoyable picnics, to which all members and friends are cordially invited. Among these are the tailors' picnic held to-day at Bass lake near the knights of the circle, and the picnic of the young men's club, which will be held at Denova Park this week.

The East Side labor club reports a steady increase of membership for several months past and expect a return to the old time prosperity.

The Social Science institute holds its regular meeting this evening at the Labor temple. Street railway franchises will be the most important topic of the evening. The speakers are expected to be there in full force. The discussion is open to all without reference to membership.

The K. of L. building association directors held a special meeting in the Labor temple last Monday evening. Several important matters were brought up for discussion, and the plans are ready for publication.

The local eight-hour league held a business meeting on Thursday evening. Reports of committees and routine business occupied a larger portion of the evening.

A member prominent in labor circles visited Washburn, Wis., and vicinity during the week, and reports an encouraging state of affairs. The K. of L. have a large organization, and use it to great advantage.

The ladies' labor league of North Minneapolis held its regular meeting on Thursday evening. A large number being present to receive instruction in the symbolic work of the order. Another meeting will be held next Thursday evening at the same hall.

The Nationalists' club held a pleasant meeting last Tuesday evening. The agenda consisted of the reading of the taking definite shape. Now cards of invitation are given to each member, and only those provided with such cards are admitted.

The Street Car Drivers' association met last evening and had a large attendance. A number of the members have left the city, but the interest in the organization is still kept up.

HOW THEY GOT THERE.

Prominent and Wealthy Men Who Have Captured Pretty Girls.

Peculiar Circumstances of Their Courtship's Romantic Days.

Many Fascinating Stories on the Very Interesting Theme.

Whitney's Luck--Belmont's Duel--Young Gould's Love--General Love Talk.

The wife of Hon. William C. Whitney, recently secretary of the navy, has proved a veritable mascot to him. And the manner in which he became a close ally of Standard Oil is indicative of the good fortune which has attended this astute politician and financier throughout his career.

When young Whitney was at Yale he had a chum in a confiding classmate, who is now Rev. Leander Chamberlain, a brother of ex-Governor Daniel H. Chamberlain.

Young Chamberlain, so the story goes, had won the heart of Miss Payne, daughter of Henry B. Payne, of Cleveland, O., and he gave his classmate glowing accounts of the charms of manner, congenial powers and general qualifications of the lady to young Whitney.

On one of his vacations, young Chamberlain invited his chum to go to Cleveland with him and make the acquaintance of Miss Payne. The future corporation counsel and secretary of the lady accepted the invitation; he made the lady's acquaintance and managed so skillfully to strike a romantic and glowing bow that ere many moons had passed young Chamberlain had gotten his chum and his chum, friend and bosom companion walked away with the fair prize.

Owing to the devotion of Col. Oliver Payne to his sister, she has proved a boon to Mr. Whitney, and the splendid house at 1717 seventh street and Fifth avenue, and a large gift, said to be \$500,000, when the secretary and his wife set out to startle Washington.

Several important matters were brought up for discussion, and the plans are ready for publication. The local eight-hour league held a business meeting on Thursday evening.

AN ETELKA SUMMER COSTUME.

guardian closer and finally strengthened into the bonds of love. An old schoolmate of Mrs. Cleveland's tells the tale of Cleveland's proposal.

When Helen was eight years old she was sitting on "Uncle Grover's" lap one day entertaining him with childish prattle of what she should do when she grew up into "a big lady."

At the time of Nelly Grant's marriage in the White house, which had formed a topic of family talk. "I'm going to have a nice white satin dress and get married in the White house," she lisped.

"But I thought you were going to marry me, and I should wait for you," she said. "Of course it will be you, for you will grow up to be president then," said the child, knowingly.

When Cleveland was elected Mrs. Folsom and her daughter were preparing to go to Europe, and on calling to say good-by, Mr. Cleveland claimed for personal comfort.

SAUNDERS' CASE. Frank Newman to Pay \$2,000 for Alleged Seduction.

AN ENT THE LYONS BURGLARY. June Settlement Between the County Auditor and County Treasurer.

The district court jury yesterday fixed upon the sum of \$2,000 as the proper amount of damages to award Frank Newman on account of the alleged seduction of his daughter Carrie by Frank Newman.

The June settlement between the county auditor and treasurer shows the total current tax collection to be \$187,251.09, of which the city collections, approximately, amount to \$132,251.09. The relation to this case court adjourned until 9 o'clock Monday morning.

Accquaintances of Fitzpatrick and Lowder do not credit the truth of the story told to the police regarding their connection with the Lyons burglary. Fitzpatrick was a well known, well-to-do, law-abiding and well appearing young man; and a reputable citizen is able to swear that Fitzpatrick was with him during all the night that the burglary occurred, and had no connection with the affair.

Pimples to Scrofula.

Every humor from pimples to scrofula, except lethymosis, is speedily, permanently and economically cured by the CUTICURA REMEDIES. This is strong language, but true. It will encourage thousands of hopeless sufferers who have tried and found wanting both physicians and medicines, to make one more effort to rid themselves of these terrible afflictions. CUTICURA is the only positive cure.

Cured by Cuticura

For three years I was almost crippled with a scrofulous sore leg from which I got down to my ankles; the skin was entirely gone, and the flesh was one mass of disease. Some physicians pronounced it incurable. It had diminished about one-third the size of the sore, and was in a hopeless condition. After trying all kinds of remedies and spending hundreds of dollars, from which I got no relief whatever, I was persuaded to try your CUTICURA REMEDIES, and the result was as follows: After three days I noticed a decided change for the better, and at the end of two months I was completely cured. My flesh was purified, and the bone which had been exposed for over a year, got covered with the flesh began to grow, and to-day, and for nearly two years past, my leg is as well as ever, sound in every respect, and not a sign of the disease has been seen.

S. G. ABERN, Dubois, Dodge Co., Ga. I have been troubled with scrofula seven years, which first started on the top of my head, and was in a hopeless condition. I treated it for seven years unsuccessfully, and was unable to check it until I found your CUTICURA REMEDIES. One box CUTICURA, one cake CUTICURA SOAP, and one bottle CUTICURA RESOLVENT completely cured me, my skin becoming perfectly clear and smooth. Artesia, Los Angeles Co., Cal.

Your CUTICURA REMEDIES have done great things for me. They cured a skin disease which has stood many years. I have tried many other remedies, but nothing did me any good until I commenced using your CUTICURA REMEDIES. I can recommend them to all. Mrs. C. W. BROWN, Jamaica Plain, Mass.

SKIN DISEASES. I contracted a terrible blood-poisoning a year ago. I doctored with two good physicians, neither of whom did me any good. I was cured by using your CUTICURA REMEDIES. I have been using them about ten weeks, and am now happy to say that I am almost rid of the awful sores that covered my face and body. My face was as bad, if not worse, than that of Miss Boynton, spoken of in your book, and I would say to any one in the same condition, to use CUTICURA, and they will surely be cured. You may use this letter in the interests of suffering humanity. E. W. REYNOLDS, Ashland, Ohio.

SCALP DISEASES. I have been troubled with a skin and scalp disease for seventeen years. My head at times was one running sore, and my body was covered with infinite trouble, with constant itching, casting off of dry scales, and a watery liquid exuded from under the scales. I treated it for seven years unsuccessfully, and was unable to check it until I found your CUTICURA REMEDIES. One box CUTICURA, one cake CUTICURA SOAP, and one bottle CUTICURA RESOLVENT completely cured me, my skin becoming perfectly clear and smooth. Artesia, Los Angeles Co., Cal.

CUTICURA, the great skin cure, instantly cleanses the skin, scalp and blood of humors, blotches, eruptions, sores, scales, crusts, whether simple, scrofulous, or contagious, no agency in the world of medicine is so speedy, sure and economical as the CUTICURA REMEDIES.
