"ARE YOU THROUGH?" 'Yes, Through, Central; You May

Disconnect." The National Telephone association's convention concluded its business yesterday morning and the delegates spent the day in pleasure. In the morning they were driven about Minneapolis, the guests of the Northabout Minneapolis, the guests of the North-western Telephone Exchange company. Leaving the West at 9:30, after seeing the city they arrived at Minnehaha Falls, visited Fort Snelling and later in the day arrived at St. Paul, where they were made at home at the Ryan. It has been decided that the next convention will be at Detroit.

NEXT TIME WASHINGTON.

The Chosen Friends Decide on the Place for Their Next Convention. The supreme council of the Order of Chosen Friends was busy yesterday morning chosen Friends was busy yesterday morning and evening in the secret sessions of the third day of the convention. To-day the delegates visit Minnetonka. The convention will probably finish its work to-morrow. It was decided at the morning session that the next supreme council will be held at Washington, D. C., though St. Louis made a hard struggle to have it meet with them. In the evening the session was a secret one, and little was done of interest to the public.

A BILL FOR TWO DEALERS, Over Which Supervisors Disagreed-The Wood Trust Opposed.

At the poor supervisors' meeting yesterday Supt. Snyder presented his monthly report showing number of applications at office 438; number of visits by superintendent, 71; relief granted amounting to \$485.63; number of patients in hospital, 78; hospital exber of patients in hospital, 78; nospital expenses, \$535.64; poor house expenses,
\$493.43; burials, 22; amounting to \$158;

costing \$199.85; total expenses, \$1.725.94.
The bid of the wood trust for furnishing the
wood needed for the poor department was
rejected after a discussion in which the

will readvertise for bids.

John Day Smith appeared before the board in behalf of the boy of Mrs. McGuire, who was run over and badly injured by a Milwaukee train several years ago. The lad's legs and one arm had to be amputated. In the district court a judgment of \$3,000 was recovered. The railway has carried the case to the supreme court, where in the opinion of Mr. Smith it will hang for two years or more. Meantime, the family is desperately poor and asks the poor department to furnish the boy a set of artificial limbs, which would cost about \$150. Supt. Snyder was ordered to investigate the case.

Assistant City Physician Hall presented a bill of \$2 for vaccine points, and accompanied the bill with a statement that some of the points which were furnished by the health department were bad. Ald, Gray opposed the payment of the bill. Ald, Brodish thought it was a small matter to quibble about, and moved its payment. Dr. Brazie said with considerable magnetism in his tones that Dr. Hall had made an unwarranted reflection on the health department in his report.

The bill was rejected by a tie vote, and Dr.

reflection on the health department in his toport.

The bill was rejected by a tie vote, and Dr. Hall will probably have to stand it himself.

Ald. Parry made a little kick about the expense of the city hospital. He said that the Northwestern hospital would take patients at the lowest price for which they could be maintained at the city institution. He moved that the chair appoint a committee to investigate. Dr. Brazie named Mr. Barry for chairman, and all the members of the board to visit the hospital. Mr. Parry suggested next Thursday afternoon as the time of the visit.

## Catarrh

IS a blood disease. Until the poison is I expelled from the system, there can be no cure for this loathsome and dangerous malady. Therefore, the only effective treatment is a thorough course of Ayer's Sarsaparilla - the best of all blood purifiers. The sooner you begin the better; delay is dangerous.

"I was troubled with catarrh for over "I was troubled with catarrh for over two years. I tried various remedies, and was treated by a number of physi-cians, but received no benefit until I began to take Ayer's Sarsaparilla. A few bottles of this medicine cured me of this troublesome complaint and com-pletely restored my health."—Jesse M. Boggs, Holman's Mills, N. C.

Boggs, Holman's Mills, N. C.

"When Ayer's Sarsaparilla was recommended to me for catarrh, I was inclined to doubt its efficacy. Having tried so many remedies, with little benefit, I had no faith that anything would cure me. I became emaciated from loss of appetite and impaired digestion. I had nearly lost the sense of smell, and my system was badly deranged. I was about discouraged, when a friend urged me to try Ayer's Sarsaparilla, and referred me to persons whom it had cured of catarrh. After taking half a dozen bottles of this medicine, I am convinced that the only sure way of treating this obstinate disease is through the blood."
