### STILLWATER NEWS.

Events of a Day in the Booming Bluff City. Mrs. Albert Lowell, an early resident of Stillwater, whose husband was one of the former proprietors of the Sawyer house, is probably dying at Durbin, Dak. Her son, Elmer Lowell, received a telegram late yesterday announcing the serious illness of Mrs. Lowell with pneumonia, and left last evening for his mother's bedside. The Holcombe block, advertised for sale at auction, will probably be disposed of at private sale today to John Glaspie, who has made a liberal offer which will probably be accepted by E. C. Holcombe. Miss Mackie Busch, of Stillwater, and Jacob Stelling, of Osceola, Wis., were married yesterday at the latter place. Mrs. Eliza May Ringold, after a pleasant visit at her old Stillwater home, returned yesterday to Montana. Mrs. John R. McDonald died early yesterday morning at the age of fifty-seven years. The funeral will be held this morning from St. Michael's church. No one seems to grieve over the fact that the city printing job has been imposed upon the Stillwater Democrat. Twelve members of Dalles Lodge No. 68, Taylor's Falls, visited the Stillwater lodge Thursday evening and were very joyously entertained.

### EVANSTON IN MOURNING.

Death of Dr. Cummings, an Eminent Educator—Obituary. CHICAGO, Ill., May 7.—Dr. Joseph R. Cummings, president of the Northwestern university at Evanston, died suddenly this morning at his home in Evanston. Fatty degeneration of the heart is assigned as the cause of President Cummings' death. CHICAGO, May 7.—Frederick Haskell, an old resident of Chicago, died yesterday of pneumonia. Mr. Haskell was for many years president of the Haskell & Barker Car Manufacturing company, of Michigan City, Ind. He was born in East Windsor, Conn., in 1810. SAN FRANCISCO, May 7.—Judge Edward F. Head, of the superior court of San Mateo county, died at his residence in Redwood City yesterday of pneumonia. Judge Head had held the office of superior judge since 1879, and although totally blind was recognized as one of the ablest jurists of the state. Deceased was a native of Massachusetts and during his early life was a well known lawyer of Boston. He leaves a wife and four grown children, one daughter being the wife of a professor in Harvard college. He was seventy-two years of age.

### GEN. LEE IN BRONZE.

The Trucks Bearing the Statue Drawn by Fair Women. RICHMOND, Va., May 7.—The trucks containing the Lee statue were removed to-night to the place of unloading, with men, women and children tugging at the ropes. The line of march was literally packed with people from starting point to finish, while the cheering and waving of flags was continuous. There were 500 grown ladies and girls whose fair hands held the ropes. Little tots were carried into the streets in their mothers' arms, and their small hands placed upon the ropes. All the trucks were handsomely decorated with pictures of Gen. Lee, and flags of the Southern states, while here and there a Confederate battle flag floated to the breeze.

### ROASTED BY A PRINCESS.

Kennan's Siberian Exposures De-nounced by a Russian. INDIANAPOLIS, Ind., May 7.—Princess Engelitchoff, of Russia, who is traveling through this country, arrived here today, and in an interview severely criticized the statements of George Kennan

### regarding abuses to Russian prisoners.

She says that Kennan is a sensationalist and panders to the Americans' love of sensationalism, but purposely avoids all reference to the good in the Russian institutions and magnifies the evils because such a course brings money, and any other would not. She says there are, no doubt, some abuses in Siberia, but the perpetrators are always punished when detected.

### SAVE YOUR EYES

Do you appreciate how many eyes are injured by cheap, poorly fitted spectacles? An optician should understand the science of optics, and unless he does so, should never sell glasses, any more than a quack should practice medicine. Moral: Have your glasses fitted by a competent optician. Having made a careful study of the subject myself, and having a regular graduate in my employ, I solicit your orders. Prescriptions filled for special ground glass.
