remain as manager of the team, and has been directed to get together an aggregation of players for 1891 which will be in the hunt from the start. The question of grounds is also being considered. Final tracts are being looked at, and the one most available will be selected.

SIX IN SUCCESSION.

The St. Paul Team Continues Its Great Playing. It took the St. Paul team just an hour and fifteen minutes to win the second game from the Sioux City team, and the sixth in succession since its return home.

It is possible that the West Cornhuskers scored their only run. Powell was given a base on balls, was advanced a base on Genins' hit, struck out by Main 5, off Black 1, struck out by Main 6, by Black 2, first base on errors. St. Paul 2 left on base, St. Paul 6, Sioux City 4, passed ball, Umpire, Time, 1:15, umpire McDermott.

THE ST. PAUL TEAM CONTINUES ITS GREAT PLAYING.

It took the St. Paul team just an hour and fifteen minutes to win the second game from the Sioux City team, and the sixth in succession since its return home. From playing the "rockiest" ball seen in the West the club has taken a round turn, and is putting up a game that is simply "out of sight" of anything ever done in the Western association. In thirty-five of the thirty-six innings in the last four games the players have not made an error. Three of the games were absolutely perfect in a fielding sense, and the other was marred a trifle by unsteadiness in the ninth inning.

1830. This will be the last Sunday game of the year, and the home team's long series of victories tend to draw out the biggest crowd of the season. Aside from the splendid playing of the team Schuler's coaching is worth the price of admission.

CHAMPIONSHIP OF THE CITY.

The St. Paul Pickets are feeling pretty well just now and have challenged the league team to a game for the championship of the city. The contest will occur at 3:30 Thursday afternoon.

DUKE WAS INVINCIBLE.
