Special to the Globe.

KANSAS CITY, Sept. 13.—Barring the first inning for the St. Paul team and the eighth for the Kansas Citys, the game was well played and close, with excitement enough to please everybody. Schmit let down terribly at the start, and the Blues pounded him for six runs. He then braced up, and held the home leam well in hand to the end. Swartzel started off very well and kept up his good work until the eighth, when he got tired, and the visitors made three runs. The fielding of the St. Pauls was a little ragged, but their errors were in most cases excusable ones. The rungetting for the Apostles began and ended in the eighth inning. Schmit was at bat and had three balls and two strikes called on him, when he hit it a good one for right field and landed on hird base by a close shave. Abbey folgood one for right field and landed on hird base by a close shave. Abbey followed with a similar hit to left, which passed directly through Elmer Smith's hands and went to the fence. Schmit brossed the plate and gave his position on third to Abbey. Daly struck out, and McLaughlin got a single to right, which was followed by one of the same to center by O'Brien, after Mac had ttolen second. This hit was sufficient to send McLaughlin across the plate, and then Swartzel got in his work, and struck out Werrick and Murphy. This.

Red-Faced Martin Pounded Hard by the Carbonates. The pennant leaders lost easily to Denver yesterday at Minneapolis. Duke was in the box and was an easy mark for Dave Rowe's aggregation. It also has the advantage of playing six of the twelve with St. Paul and Lincoln and two postponed games with the latter. Minneapolis must make one trip away from home, but can scarcely hope to get more than one game of the three. Milwaukee leaves home to-night and plays all its remaining games in the Southwest. It will, therefore, remain in third place, and fall away to some extent in percentage. Denver has a cinch on fourth place, and Sloux City and Omaha will repose the second control of SHEEPSHEAD BAY, Sept. 13.—The Coney Island Jockey club had an excellent programme for to day, the last of its fall meeting. I Sell More Clothing at Retail than Any Other Re-J. L. HUDSON.

In the mercantile world nothing happens without good reason. The result of any business enterprise, whether successful or otherwise, may be traced directly to a cause. Nicoll's extremely moderate prices are not --as many advertised Low Prices are--mere figures of speech; neither do they invite you simply of their own spontaneity to believe in them. We would have it understood that we sell nothing for less than cost; but there are cogent reasons why Nicoll's prices are always Lower than the Lowest and their work as Good as the Best, which, Briefly set forth, are as follows:

FIRSTLY-Our immense purchases of Woolens and Trimmings for CASH.

SECONDLY-Our constantly expanding business in Fine Custom Tailoring, also conducted on a CASH basis.

THIRDLY---CASH to pay our work people promptly and in full Every Saturday Night. (This is something rare with highpriced credit tailors.)

FOURTHLY---Concentration of brains and capital into one line of business.

To condense this question still further, the Cash principle which permeates all our affairs is the cornerstone of our business structure.

GENTLEMEN, we will place on sale in the morning 168 dozen Black (ALL) Fur Stiff and Soft Hats for the small and popular price of \$1.50 for choice. They are bound with silk, have silk bands, are just from the factory, and come in the newest spring shapes and styles. Why, the thoroughly good and really fine trimmings alone are worth every cent of the small price that we'll sell them for (To-Morrow), the labor and material going for nothing. "And what do you get?" you ask. An A1 regular \$3 Stiff or Soft Hat for the meager sum of \$1.50.

ONLY ONE of these Hat Bargains'll be sold to the same person, however, as we wish to distribute them as much as possible among our friends and customers. And bear in mind that this sale is for

ONE WEEK ONLY.
