FIELD, MAHLER & CO.

Wabasha, Fourth and Fifth Sts. A BIG DAY.

We venture to say that more Dress Goods went out of our store yesterday than were ever sold by any two stores in Minnesota in a single day. It was a phenomenal day. Trade began as early as the store opened, and we were busy at closing time. There was no time during the entire day when there were not more customers than could be waited upon.

Of course there's a reason for such trade. It can be stated in few words—best qualities, largest quantities, styles and prices that are not equaled in these parts. That's the whole story.

Diagonal Velour is one of our newest and handsomest dress materials. It comes in all the new and popular shades. Width 50 inches. Price, \$2.

Two cases of Bedford Cords came on Saturday. Navy Blue and a lot of other scarce shades and colors. We bought them wonderfully cheap. The quality is the same as that sold throughout the season at \$2.50. Present price, \$2.
