

CARLSBAD A 'CORKER'

R. A. Swigert's Sturdy Son of Glenelg Outfoots a Big and Good Field.

Azra, Favorite and Already a Derby Winner, Is Not Even Placed.

Zaldivar, the Coast Wonder Makes a Game but Useless Struggle.

The Track Was in Killing Condition and the Time Very Slow.

CHICAGO, Ill., June 25.—Five thousand persons of the wealth and beauty of Chicago filled the fine clubhouse of the Washington Park Jockey club, and filled the inner field.

Fifteen thousand more persons, chiefly women in bright attire, packed the grand stand of the club, and a crowd of nearly, if not fully, 30,000 persons jammed the betting ring, jostled one another in the pool lawn and paddock, and swarmed into the fields today and the great American Derby of one and a half miles for three-year-olds won by Carlsbad, a son of Glenelg, in 3:04 1/2.

All of them saw in the vast stand a sight rarely seen in the past. Derby ever had last year 41,000 persons saw the contest for the rich purse and stake money, but this year the crowd was even larger, and it is estimated that 50,000 people were in the race grounds. The race itself was a good exhibition of a game, sturdy racing.

In the worst going possible, and it was not good, but bottom, which carried the day. Carlsbad showed that he is a great stayer, and when the race was 800 which the purse netted him, R. A. Swigert tonight has the knowledge that he has a horse game clear through, and strong and fast. Carlsbad, who was the field for the last mile and in the stretch outran the speedy California horse Zaldivar, who handicapped him, and forced into the worst part of the track, made a great spurt to catch the leader and land the purse.

Zaldivar could not do better than the place in such heavy going as felt to him, while Ciero, made almost an equal effort, but he was almost a mile behind and justified to some extent the judgment of persons who chose a good stayer, and a horse with a clear air money. Like most great stayer events with big fields, the favorite failed to come out first, fourth being the best Azra could get.

A surprise for the public and most of the talent, going to the post with odds of 10 to 1 against him after opening at 5 to 1. The day after the crowd, the weather was hot and the track was just enough wind to ripple the water in the lake which the recent heavy rain had formed. The crowd on the infield opposite the grand stand, and only yesterday a soaking rain poured, and consequently the track was as heavy and slow as water.

The crowd began pouring into the gate rooms before the race was set for the first race, and each incoming train and cable car brought its crowd of spectators, and the crowd on the Michigan boulevard and other approaches were occupied by a line of magnificent tarantulas. The women made a fashionable and smart display, and the Chicagoans delight to call it, and were crowned in their hats.

When the first race began the picture was a beautiful one with the long grand stand filled with women arrayed in bright colors, and with faces sparkling at the anticipation of the "derby" as the Chicagoans delight to call it, and were crowned in their hats.

He Will Compete in the Twin City Derby. It will be remembered by local lovers of the turf that Carlsbad, the winner of the great American Derby at Washington Park, Kansas, yesterday, was in the Minneapolis stakes during the Twin City meeting last summer. The winner was piloted by the veteran, Andy McCarty, now dead, and full of run. Carlsbad left in the hands of the late G. C. McNamee, a winner of the \$20,000 Park Derby at Chicago last week; Chief Justice, Newton, Dan Kurtz and Lilian Beatrice. Carlsbad ran several times this season, but as announced in the long, the form shown by this colt was anything but true. Swigert evidently not caring to incur any additional penalties for his colt in yesterday's big event, Carlsbad was entered in the Twin City derby, and with Yo Tambien, Wadsworth, Huron and Ciero, who finished third in the American derby yesterday, and a number of other cracks, should make the coming event at the Hamline course the most interesting and exciting sport of the day.

MONTANA DECLARED OUT. The Match With Major Domo Abandoned. SHEEPSHEAD BAY RACE TRACK, June 25.—Fifteen 1,000 turf-lovers came to the bay this afternoon to see the match between Montana and Major Domo, who finished first and second in the Suburban. One of the conditions of the match was that the track must be good. It was heavy this afternoon and Montana's trainer declared his colt out. The spectators were very much disappointed, especially as four of the six remaining events were won in galloping style.

The only exciting finish was in the Zephyr stakes, for which Lovelace defeated Lawless by a head in a running race. The two other stake events, the Merald and the Coney Island, were won away off by Yorkville Belle and Lourestree, odds on favorites. Raeland raced fairly to a standstill in the third race, with race, mile and a quarter. Lovelace was the favorite, but he was rather tame afternoon's racing from a programme that promised much. Summaries: First race, seven furlongs—Hoy won, Joe Kelly second, Alectra third. Time, 1:23 1/2. Second race, mile and a quarter—Yorkville Belle won, Anna B second, Brown Belle third. Time, 2:30 1/2. Third race, mile and a quarter—Lovelace won, Fair second (two starters). Time, 2:30 1/2. Fourth race, mile and an eighth—Lovelace won, Madstone second, St. Anthony third. Time, 1:42 1/2. Fifth race, six furlongs—Lovelace won, Lawless second, Medford third. Time, 1:14 1/2. Sixth race, mile and a quarter—Lovelace won, Lavacorn second, Gutsyburg third. Time, 2:13 1/2.

FOR THE CHAMPIONSHIP. Moth and the South St. Paul Cyclone Will Contest at Minneapolis. The forty-round glove contest for the heavyweight championship of the Northwest, to come off before the Hennepin Athletic club in Minneapolis the evening of July 15, will be a great sporting event. Since the death of Pat Kilien there has been no bona fide title fight in the Northwest. Moth, who defeated Billy Wilson, and since the Cardiff-Killen encounter the title has not been contested. The original title to the coming meeting are Charley Moth and the "South St. Paul Cyclone," as he is very properly styled, and he is a very well known pugilist. He has had several meetings, and has demonstrated the fact that he is a giant with wonderful prowess. He and Moth met in a fight about one year ago. It was in the Olympic theater in this city, and the contest was won by Moth. But it was a very close and a furious one, and that stirs up an audience to fever heat. The Cyclone had the best of the encounter in the first of the fight, but Moth proved the better general, and won it by defeating Billy Wilson, and since the Cardiff-Killen encounter the title has not been contested.

BEATEN BY BENEDICTS. Single Men Not in it at Cricket Match. A very pleasant club match was played on the grounds of the Minnesota Cricket Club at Kitzbuhle between the married and single members of the club. Wickets were pitched shortly after three o'clock, and the men without partners came to bat first. They found the bowling of A. E. Knight too much for them and eight wickets fell for a total of 35 runs. The Singles 15, not out, being the best score. The married men were harder to get rid of and as the bowling of theachelors was very weak wickets fell slowly. One wicket had fallen for forty when a widower joined the single men and managed to dispose of McGregor, whose 30 was gained by careful play. The rest of the married gentlemen added 50 runs to the score before they were all sent to the pavilion with G. Sander's 26, A. E. Knight's 12 and A. E. Knight's 11 with a few small scores brought the total up to 100. The single men did better in their second innings, eight wickets falling for 75 runs when time was called. The match was decided in the first innings in favor of the married men. The individual scores was as follows: SINGLE MEN. T. Knight, not out.....13 P. S. Knight, not out.....10 G. C. McNamee, b. G. Sander.....6 A. McCulloch, b. Knight.....5 A. E. Knight, b. Knight.....5 H. H. Harvey, c. Sander, b. Knight.....3 N. P. Blaine, b. Knight.....3 H. L. Sander, b. DONE IN SHORT ORDER. Last night at Engelberg's Lake Shore pavilion Nick Richards met the White Bear local favorite, Tommy Wild, in the best three out of five, catch-as-catch-can wrestling match. Charles Moth acted as referee, and time was called at 9:45 p. m. Richards won the match in a most surprising manner, taking the total in three falls in 10 seconds, 3 minutes and 30 seconds and 30 seconds, respectively. At the conclusion of the match Moth announced that he had been part of Richards, he would accept the challenge of Herman Smith to meet any 150-pound man in the Northwest.

FOR THE CHAMPIONSHIP. Moth and the South St. Paul Cyclone Will Contest at Minneapolis. The forty-round glove contest for the heavyweight championship of the Northwest, to come off before the Hennepin Athletic club in Minneapolis the evening of July 15, will be a great sporting event. Since the death of Pat Kilien there has been no bona fide title fight in the Northwest. Moth, who defeated Billy Wilson, and since the Cardiff-Killen encounter the title has not been contested. The original title to the coming meeting are Charley Moth and the "South St. Paul Cyclone," as he is very properly styled, and he is a very well known pugilist. He has had several meetings, and has demonstrated the fact that he is a giant with wonderful prowess. He and Moth met in a fight about one year ago. It was in the Olympic theater in this city, and the contest was won by Moth. But it was a very close and a furious one, and that stirs up an audience to fever heat. The Cyclone had the best of the encounter in the first of the fight, but Moth proved the better general, and won it by defeating Billy Wilson, and since the Cardiff-Killen encounter the title has not been contested.

BEATEN BY BENEDICTS. Single Men Not in it at Cricket Match. A very pleasant club match was played on the grounds of the Minnesota Cricket Club at Kitzbuhle between the married and single members of the club. Wickets were pitched shortly after three o'clock, and the men without partners came to bat first. They found the bowling of A. E. Knight too much for them and eight wickets fell for a total of 35 runs. The Singles 15, not out, being the best score. The married men were harder to get rid of and as the bowling of theachelors was very weak wickets fell slowly. One wicket had fallen for forty when a widower joined the single men and managed to dispose of McGregor, whose 30 was gained by careful play. The rest of the married gentlemen added 50 runs to the score before they were all sent to the pavilion with G. Sander's 26, A. E. Knight's 12 and A. E. Knight's 11 with a few small scores brought the total up to 100. The single men did better in their second innings, eight wickets falling for 75 runs when time was called. The match was decided in the first innings in favor of the married men. The individual scores was as follows: SINGLE MEN. T. Knight, not out.....13 P. S. Knight, not out.....10 G. C. McNamee, b. G. DONE IN SHORT ORDER. Last night at Engelberg's Lake Shore pavilion Nick Richards met the White Bear local favorite, Tommy Wild, in the best three out of five, catch-as-catch-can wrestling match. Charles Moth acted as referee, and time was called at 9:45 p. m. Richards won the match in a most surprising manner, taking the total in three falls in 10 seconds, 3 minutes and 30 seconds and 30 seconds, respectively. At the conclusion of the match Moth announced that he had been part of Richards, he would accept the challenge of Herman Smith to meet any 150-pound man in the Northwest.

PHILIP CLAUSEN, of Columbus, has the season record for successive victories, as he won the first four games in which he pitched. He fell foul in his fifteenth.
