BROOKLYN, Sept. 13 .- The Brooklyns played a sorry game of ball at Eastern park this afternoon. The error column does not begin to tell the story of their wretched work. In only two innings did they approach ball playing. On the other hand, Cleveland played a perfect game, making no errors and readily taking advantage of their opponents' misplays. The score:

PIRATES WHITEWASHED.

Boston, Sept, 13.—Bierbauer made two bad errors in the first inning that gave Boston her start. Boston's hits were scattered until the minth, when she put in four. Nichols received magnificent support, which accounts for the whitewash. Donovan hit safely every time at the bat, but was thrown out at the plate three times. Farrell excelled in fielding, and Joe Kelly and Lowe made superb throws. The score:

Garfield Officials Downhearted Over the Action of the Council. CHICAGO, Sept. 13.—The management of the Garfield Park race track is feeling very downhearted today. The crushing defeat given them in the city council last night has in great part destroyed their hopes of ever racing again upon the present grounds. The officers of the park, however, say but little, and have left the matter entirely with their attorneys. One of their counsel, Clarence Knight, declares that he is confident of winning the fight, and will have matters so arranged that the will have matters so arranged that the

races will resume next Monday.

As a side issue, Mr. Knight has announced his intention of bringing suit against Mayor Washburne, Chief of Police McClaughrey and Inspector Lewis to recover \$200,000 for damages result-ing from unlawful interference with the racing. The men threatened with the suits say they are confident of success if proceedings are instituted against them. They have closed the track and declare that they will keep it closed. The mayor has ordered a survey made to ascertain whether or not the Hawthorne track extends 175 feet into the city limits, as is claimed.
