

PHOENIX LADS WON.

The Athletic Club Team Victorious on the Bowling Alleys.

Globe Printers Beaten by a Majority of Seventy-Four Pins.

Victors Do Generally Accurate Work, With Losers Letting Down.

Richards and Stanley to Box, Moth and MacPherson to Wrestle.

THE PHOENIX Athletic Bowling club defeated the Globe printers in the Daily Globe bowling tournament last evening. But it was not a complete triumph with that handiness that characterized some of the games. The printers let down after getting a good battle, and the sequel was a beating by seventy-four pins. The Phoenix Athletics seem the big spheres crashing against the pins with fine precision. It would not do their play justice were it not explained that wretched luck followed the players. Danler, who rolls as pretty a ball as any man in the country, and who is as accurate as the best, perhaps had his worst luck of any of the club. Break followed break when the best judges thought a ten-strike was certain. All this is discouraging, and he did remarkably well to get 71 pins.

TO MEET McALIFFE Before the Coney Island Club. BOSTON, Dec. 19.—Judge Newton, of the Coney Island Athletic club, has invited the Australian middleweight, matched to fight Bob Fitzsimmons for \$10,000, and Jimmy Carrill, Johnny Griffin's trainer, were present today when Dick Burke, the English champion light-weight, signed articles to fight Jack McAliffie, the American light-weight champion, at the Coney Island club in February for a purse of \$30,000 and the championship of the world. It is stipulated in the agreement, that the loser may sign for March to fight before 10 p. m. Saturday, Dec. 24, 1892; that the men weigh not less than 135 pounds and are to wear gloves with five-ounce gloves under Queensbury rules.

GODDARD POSTS A FORFEIT. He Puts Up Money to Bind a Match With Corbett. CHICAGO, Dec. 19.—Puzzled Joe Goddard, who is to fight Jim Corbett for \$5,000 or \$10,000 a side. He has put up \$2,500 with George Siler, sporting editor of a Chicago paper, and if Corbett does not accept the challenge it is open to Charley Mitchell. Goddard is willing to have the fight take place before any club in America. His recent encounter with Maher, which Goddard won with ease, has caused his friends to believe that he can make a strong fight with the world's champion. Corbett was notified last night by telegram of Goddard's distinguished himself by knocking down 136 clean pins. Pfeiffer gave a good exposition of the bowling game, and Capt. Thill took a "nizet" out. Still, he showed the boys that he can handle the spheres with grace and science. Double played his first championship game, and it is no surprise that he became nervous and "let down." Just previous to the game he bowled 204, but in the game 144 were his pins, he could do. This just tied the score made by Fandel in the previous game, and it was higher than the score made by Justus on that occasion.

LONG DISTANCE DRIVING. Proposed Race From Vienna to Berlin Next May. The object of the contest will be to test the qualities of various breeds of horses, notably American and Russian. Thirty prizes will be given. The first prize will be \$3,800, and several honorary prizes will be distributed by clubs. Emperor Francis Joseph will give a special prize. The driving will be done in the day time only. The race will take place next May.

AMONG THE BOXERS. Richards and Stanley Matched—More Deeds. Nook Richards and Jack Stanley have been matched for a ten-round boxing contest before the Phoenix Athletic club for a holiday week event. The arrangements were completed yesterday, and today the articles of agreement will be signed. They will have a "go" for a purse, and Manager Barnes will permit Stanley to train in the gymnasium. This is agreeable to Richards, for he prefers open air work, and will train at White Bear lake. Stanley is considerably the heavier of the two, but he hopes to reduce his weight by good hand work. Hoye, who had partially arranged to put on the bits with Richards, but the latter had just agreed to go on with Stanley, and now Hoye will challenge the winner of the contest, and he will wager \$500 that he will win.

TO PLAY OFF A Tie. This evening Welsenberg and Wilder will play off their tie in the Globe billiard tournament in order to determine which shall have the next challenge right. The present holder of the cup, and should he win once more the trophy will become his permanent property.

WASHBURN SMILING

Over the Poll of the Senate on the Pending Anti-Opium Bill.

Fifty-Six Senators for It, but Some of the Eggs May Not Hatch.

Passage by the House of a Bill Increasing Mexican Soldiers' Pensions.

Some Important Decisions Handed Down by the Supreme Court.

Special to the Globe. WASHINGTON, Dec. 19.—The anti-opiumists have completed their poll of the senate, and the GLOBE correspondent tonight got possession of the totals. There are fifty-six senators for the bill, nineteen against it, twelve doubtful, one dead. Had the late Senator Gibson, been alive he would have counted against the bill, and would have been one of those who would have spoken against it. This poll was not made by one of the numerous professional lobbyists who will make a poll with very little show any completion of the bill. The man who made it, it is, it is true, an anti-opiumist, but he is a conservative, reputable and competent person, who has been tried repeatedly in the past and not found wanting. In consequence of the poll the anti-opiumists are highly delighted. Senator Washburn's face has been all smiles since the result of the poll was announced, and so have the faces of his lieutenants. At the same time his lieutenants are highly delighted with the possibility of the bill being passed. It is believed that the bill will reach a vote before March 4, the bill will be reintroduced in the Fifty-third congress, and it is believed that it will reach a vote not later than Jan. 15, and that after passing will be put through the senate by the end of the month. It is a confident talk, but before any one permits it to sound its opinion into final shape, he should recollect that the attention of the senate is highly directed to the prospect of the bill last session, and that the bill is still pending.

ESTHER GETS \$25,000. Young Mr. Sire's Gold Will Help to Cure Miss Jacobs' Wounded Heart.

The Jury Decides That \$25,000 of the Deceiver's Money Will Heal the Wound.

NEW YORK, Dec. 19.—The jury in the Jacobs-Sire breach of promise case brought in a verdict this morning finding a verdict for the plaintiff of \$25,000 damages. The suit of Esther Jacobs against Henry B. Sire, which was brought in the superior court some weeks ago to recover \$50,000 from the defendant for breach of promise of marriage and consequent damages, has excited a more than local interest. Mr. Sire is a rich young business man, and a defendant for clubs and the races, and having an office at 183 Broadway. Miss Jacobs is one of a large family of sisters, a musical voice, and is a remarkably bright and handsome young girl. The defense is that the attention of Mr. Sire was highly directed to the prospect of the bill last session, and that the bill is still pending.

MONEY FOR VETERANS. Bill to Increase Mexican War Soldiers' Pensions Passes the House.

WASHINGTON, Dec. 19.—The small attendance in the house today was an indication that no bills of popular interest would be called up or passed during the day. This is very true, increasing the pension of veterans of the Mexican war who are now receiving \$8 a month, and an exact quotation of the bill limiting the jurisdiction of the courts of the United States was passed. His attention was highly directed to the prospect of the bill last session, and that the bill is still pending.

AN IMPORTANT SEATTLE CASE DECIDED BY THE SUPREME COURT. WASHINGTON, Dec. 19.—The important case of Henry L. Yester, plaintiff in error, vs. The Board of Harbor Line Commissioners of the City of Seattle, involving harbor rights of great value along the water front of Seattle, was today dismissed by the United States supreme court for want of jurisdiction. The case was brought by writ of prohibition to restrain the state board of harbor line commissioners from interfering with the harbor line of the United States, which brought him to include within them Yester's property.

WALEES MAY VISIT US. LONDON, Dec. 19.—It is again rumored that it is the intention of the Prince of Wales to visit the Chicago Columbian exhibition. It is said that he will make the trip across the Atlantic early next summer in the royal yacht Osborne, and that he will disembark either at Montreal or Quebec, proceeding thence to Chicago. The Osborne will be escorted by a number of British war ships. Though it is impossible as yet to verify these rumors, they are repeated so often and with such pertinacity of detail that they cannot be surprising if they turned out to be founded on fact.

CONSULTED MR. CLEVELAND. Dickinson and Vilas Called on the President-Elect. NEW YORK, Dec. 19.—Mr. Cleveland entertained two members of his old cabinet at his house Saturday afternoon and evening. The visitors were Don M. Dickinson and Senator William F. Vilas, of Wisconsin. They said yesterday that they had no hesitation in stating that they had been in consultation with Mr. Cleveland on matters relating to the interests of the Northwest. The conference lasted several hours. Among the matters under discussion was the question of cabinet appointments. It was said that Mr. Vilas and Mr. Dickinson had been asked for their opinions as to the cabinet and other matters, because Mr. Cleveland had learned from association with them to rely upon their judgment. No one has any of the details of the conference to make public yesterday, and if any determination was reached by Mr. Cleveland as to any of the questions under discussion, Mr. Vilas and Mr. Dickinson did not disclose it. Both left the city yesterday evening.

PINKED DE MORES. The Titled Anarchist Gets the Worst of a Duel. PARIS, Dec. 18.—The Paris Journal La Presse states that the Marquis de Mores is confined to bed in a hotel at Brussels with a severe wound in the right shoulder received in a duel with a leading Parisian. The duel grew out of a violent discussion on anti-Semitism. The encounter took place several days ago, but was kept a profound secret.

STOLE \$35,000 WORTH OF JEWELS. LONDON, Dec. 19.—Burglars have made a rich haul of jewels from Leigh Court, near Bristol, the seat of Sir Cecil Miles, bart. Lady Miles had left jewels to the value of \$35,000 in a safe in her bedroom, unlocked. While the family were dining yesterday robbers entered the house unobserved and removed the safe. They took only the jewels and did not burden themselves with silver articles and valuable papers.
