The Allowance for the Purchase of Newspapers Decried in the House.

A Large Number of Bills Introduced and Referred to Committees.

But Senator Mayo is not a man who can be deceived by anything by fine words, and he resolutely declined to accede to the request of the Hennepin senator and the resolution was adopted.

I CAN'T SLEEP! There Are Thousands Who Cannot Sleep Well. But There Is No Necessity of Suffering From This Trouble. Insomnia Can Be Very Easily and Readily Cured—How To Do It.

Thousands of people do not sleep well. What wonder that there are so many shattered nerves, tired brains and debilitated bodies, when we consider the thousands who pass sleepless or disturbed nights, and rise mornings feeling indescribably miserable, dragged out, with tired limbs, exhausted energies, nervous and ambitious.

Read what our correspondents say in regard to this matter and follow their advice and example:

MRS. MARTHA JORDAN. I was in bad shape when I began to take Dr. Greene's Nervura blood and nerve remedy. I could not sleep nights, many times had to get up and walk the floor, had no appetite and what little I did eat soured in a few moments. I was nervous, weak and trembling, and got up in the morning more tired than when I went to bed, and felt as though I had not slept at all. I had to take Dr. Greene's Nervura blood and nerve remedy, and in a few days I was able to sleep at night and feel rested in the morning, my appetite was better, food did not sour, and I felt better all over. Now I have taken four bottles and I feel like a new being.

MRS. M. WALSH. For three years I have suffered intensely with general debility, sleeplessness and nervous prostration. So worn out was I that I would have frequent fainting spells, alarming myself and my friends. I found immediate relief on taking the first dose of Dr. Greene's Nervura blood and nerve remedy, and was recovering before one-half bottle was used. The use of five bottles effected complete cure. I can heartily recommend it to those afflicted in like manner.
