Secretary Carlisle Makes a Proposition to New York Bankers. It Did Not Suit the Financiers, Who Make a Counter Proposition.

After Consideration of the Latter Is Rejected by the Government. Only About \$54,000,000 Actually in the Redemption Fund.

WASHINGTON, April 25.—The net gold in the treasury this morning, over and above the \$100,000,000 gold reserve, is \$90,000,000. This accounts for the gold taken from the New York treasury for export today; also for the gold which has been offered and accepted from Boston bankers.

WASHINGTON, April 25.—If there is to be a factious quarrel in the Democratic party of Minnesota, it will have to be started outside of the national capital. This is the determination of both Congressmen Hall and Maj. Baldwin, who have both declined to discuss the matter.

WASHINGTON, April 25.—The following appointments were announced today at the White House: L. F. McKim, to be assistant secretary of the treasury; George William Caruth, of Arkansas, to be minister resident and consul general of the United States to Rio de Janeiro, Brazil; George William Caruth, of Arkansas, to be minister resident and consul general of the United States to Rio de Janeiro, Brazil.

NEW YORK, April 25.—Today was considered an "off" day by the subtreasury officials in this city, as no gold was engaged for export, and there was less fuss and hurry observable. Briefly stated, the construction put upon Mr. Carlisle's proposition to the New York bankers yesterday is understood to have been this:
