

WE DO NOT EXPECT COST!

BUT MAKE PRICES TO REALIZE CASH!

WE offer a few examples of **CLOSING-OUT PRICES**, and wish it distinctly understood that the true value of all goods here quoted is represented by the former prices. The "**FORMER PRICES**" are true figures, not coined for this advertisement, and show the very low figures the Geo. H. Lains Furnishing Co. have always had the reputation of placing on their goods. **THIS IS A BONA FIDE AND ABSOLUTE CLOSING OUT** by Mr. P. S. Hill, of Philadelphia, who bought the stock from the assignee of the former company at a very low figure, and must sell as quickly as possible to curtail expenses. Come in and select your **CHRISTMAS PRESENTS** now while the stock is yet complete. By making a deposit your selection will be held for future delivery.
