The following officers were elected: President, O. H. O'Neill; vice president, P. W. Farley; secretary, F. P. Brennan; treasurer, John Egan; sergeant-at-arms, M. Coyne. J. J. Mullen, S. Greve, T. McCue, T. F. Derrig and M. F. Lenon were elected the executive committee.

The following were elected delegates to the county committee of the club: S. Greve, P. W. Farley, F. P. Brennan, J. J. Mullen, M. Coyne, John Egan and T. McCue. The following resolutions endorsing Hon. O. O. Cullen for mayor were unanimously adopted, forcible speeches being made in their favor by P. W. Farley, J. H. Barnard, J. J. Mullen, S. Greve, T. McCue and O. H. O'Neill. Resolved, That the Seventh Ward Democracy indorses and pledges its support to Hon. O. O. Cullen as the Democratic candidate for mayor of St. Paul, and will use all honorable means to insure his nomination and election. We believe that from his past spotless record, his well known conservative judgment and his sterling integrity of character, the public affairs of this city if placed in his hands will be administered fairly and honestly for the best interests of all classes, and not to further the designs of any favored few. We further believe his nomination will result in his certain and triumphant election, the rescue of our city from Republican misrule and its restoration to the front ranks of Democratic municipalities, from which proud position it was dragged by the existence of conditions which we now pledge our utmost efforts to prevent recurring.

POLITICAL NOTES.

The Republicans of the Second ward had a meeting last night at Luckner's hall and decided to send a delegation to the meeting of the central club, which meets tonight in the Endicott building.

The Republicans will hold a meeting tonight at the Endicott building. This will be a representative meeting of the faithful and is denominated a meeting of clubs of the city through their delegations. All of the ward clubs will be represented by delegates, except the clubs of colored Republicans.

ROBBED OF \$150.

Minneapolis Man Taken in to That Tune in St. Paul.

P. N. Johnson, who claims Minneapolis as his home, reported to the police Tuesday night that he had been robbed of \$150 at the saloon at 441 Jackson street. According to Johnson's story, he was going along Jackson street about 10 o'clock, intending to take an interurban car for Minneapolis. He inquired of a passing pedestrian the nearest way to the car, and was informed by the fellow that he was going to the city up the river and would show him the way. The stranger and Johnson started up the street, and as they passed the saloon mentioned the man invited Johnson to take a drink. From the bar Johnson was invited to a back room as the stranger said he wanted to see a man. When they entered a card game was in progress, and Johnson's new acquaintance took a hand. In a minute he turned to Johnson and borrowed of him a dollar while he made a bet on his hand. He won the pot and returned the half to Johnson. A few minutes afterward he asked Johnson for the loan of \$5, and as Johnson did not respond readily to the call, the stranger explained he only wanted it for a moment in order to make a bet, at the same time showing Johnson his hand. Johnson reached down for his roll and pulling it out was taking off a \$5 note, then the stranger, according to Johnson's story, grabbed the \$150 and threw it in the center of the table. One of the players grabbed the money, and without waiting a moment or saying anything, ran out of the room. The case was reported to the detective, and as several of the sleuths were about the saloon yesterday, it is possible a part of the money was recovered. Whether Johnson received any part of his money back or the fellows who took part in the affair were apprehended could not be ascertained, but no arrests were made in connection with the case up to a late hour last night.

LIEUT. FINLEY'S BURIAL.

Funeral Held From St. John the Evangelist.

Six lieutenants of the Third United States infantry acted as pallbearers, and six non-commissioned officers of the Third regiment acted as body bearers. Their remains were interred at the Fort Snelling cemetery, half a company of the Third regiment acting as escort and firing party. Rev. Mr. Morgan also officiated at the cemetery.

LOANS A BOOBY.

Eastern Firm Places a Steel Voting Booth on Trial.

The joint committee on election matters held a meeting yesterday afternoon and decided that the present ballot boxes, with some slight alterations, would answer the purpose at the spring election without going to the expense of purchasing new ones. Assemblyman John-on advised the purchase of a steel voting booth, such as manufactured by a Buffalo, N. Y., firm, the booth to be tried as an experiment. C. W. Hornick, of the Pioneer Press Printing company, who is acting as the representative of the Buffalo firm, said that the company would furnish five of the booths complete at \$235 each. The suggestion did not meet with favor, and it was then proposed that the company would send on one of the booths providing the city would pay the freight bills, and the booth could be used at the coming election to see if it would fill the bill.
