HEBREW MEETING

To Consider Local Politics Held Last Night.

There was a large attendance at 414 Robert street last night, the occasion being a central meeting of the political Hebrew clubs of the city.

Both sides were out in force last night, but when the Tankenoff adherents found that the meeting was a general one, and that there was no recommendation to be done, they withdrew.

A Fourth Ward Club. The Fourth Ward club was organized at the close of the general meeting as follows: E. Freeman, president; B. Rittenovitz, first vice president; M. Shapiro, second vice president; M. Perlman, secretary; B. Levy, treasurer; K. Rubenstein, A. Vin, V. Ribonovitz, H. Perlman, L. Stenberg, executive committee.

A Card From Secretary Cohen. As a result of the contest between Pavan and Tankenoff, Max Cohen, secretary of the Sixth Ward Hebrew Democratic club, brought a lengthy card to the Globe last evening explaining the mistake in the report of the meeting.

Tankenoff for the Assembly. To the Editor of the Globe. Please publish the following instructions given by Hebrew societies to O. Tankenoff:

Resolved, That I lodge do hereby endorse our brother O. Tankenoff, for the position of assemblyman for the city of St. Paul, and do hereby pledge ourselves to use all legitimate means to secure his nomination on the Democratic ticket and his election to office if he will consent to make the run.

Registered at the Merchants' is P. M. Arthur, Cleveland, O. He arrived in St. Paul yesterday, and is grand chief of the Brotherhood of Locomotive Engineers. He was busily engaged writing letters when found by a Globe reporter.

It came here direct from Milwaukee this morning, and alone, Grand Master Sargent, who has been engaged in settling some matters of difference. I believe, between the Southern Pacific and its men, did not come on with me here.

Grand Chief Arthur is a man of dignity and impressive presence, and appearances would indicate that he is a straightforward, brainy and level-headed man.

And still the stories of men losing money in St. Paul in skin games continue to come in, and they will continue to come so long as a certain gang of bunco men are permitted to remain in the city.

Saturday a stock dealer named Drake, of Hammond, Wis., was buncoed out of \$600 in cold cash in a fake cigar store on Jackson street.

The Hammond man quit losing something over \$600. He informed a St. Paul friend that he was given a bill of his misfortune, and the St. Paul man conducted him to the office of the chief of police.

The cigar store was visited by the loser and a member of the police department. The Hammond man was given back \$50 in cash and a draft for \$100 on Grand Funds, dated March 6 and endorsed "John Foss" or "John Foss," and the name "Rebus."
