

DEMOCRATS ARE AWAKE

IN ALL WARDS OF THE CITY, AND VICTORY IS OURS.

TWO NEW CLUBS ORGANIZE.

Two Rousing Meetings in the Sixth Ward, One in the Ninth Ward, One in the Third Ward—Meetings Everywhere—Republicans Are Not in It This Time—Meetings Scheduled.

The Sixth Ward Flats Democratic club is a live institution, and a stormy night does not prevent a large attendance or an enthusiastic time when it meets. Last night it had an excellent meeting, and shaved the Republican party so closely that any stray Republicans that happened to be at the meeting will smart for a long time to come.

The president did his share of the speech making and stirring up enthusiasm. Joseph Smith surprised the meeting with an excellent speech of considerable length that won frequent applause.

Judge McCarthy made a good speech, in which he declared that the city shall be redeemed from the hands of a branch of the party that is responsible for a protection that protects the wrong man.

IN THE NINTH WARD.

Democrats Meet and Make Several Endorsements.

The Democrats of St. Paul mean business at the coming city election. If the enemy has chosen to call the party the "unaffiliated," they choose better than they knew. Despite the stormy weather and the bad condition of the streets about 200 voters turned out last night and met at Lemke's hall, in the Eleventh precinct of the Ninth ward, for the purpose of organizing a club.

Organization was perfected by the election of the following officers: President, John Lentsch; vice president,

Thomas Heide; secretary, Math Tschida; treasurer, John Handley. The club was named the Ninth Ward Germania American Murphy club.

Hon. K. A. Walsh was called to the platform and addressed the meeting, congratulating the voters on the enthusiasm displayed so early in the campaign. He cautioned them not to listen to any talk that this city election was to be fought on national issues. He said that it was a strictly home affair. He was in favor of R. A. Smith for mayor and Murphy for alderman, and his remarks were loudly applauded.

YOUNG DEMOCRATS

Meet in Third Ward and Formulate an Address.

Judge D. D. Williams presided in the absence of the chairman of the Third Ward Young Men's Democratic club, which met in the Schuette block last night. In a sort of an informal address the judge thanked them for the honor conferred upon him. He also said, in the course of his remarks, that he was as much opposed to rotation in office-holding and the formation of rings among officeholders as he was in favor of pure primaries and of having some of our spring's nominees chosen from among the ranks of the younger Democrats.

After the following resolutions were unanimously adopted the meeting adjourned to meet with the Young Men's Central Democratic club next Monday:

To the Democratic City Committee—Gentlemen: The undersigned, representing the Young Men's Central Democratic Club of Ramsey County, having clubs in the majority of wards of this city, respectfully request the privilege of naming one judge to act in each primary election district in the approaching election. Our primary should be above suspicion, and in case they are so conducted we pledge our cordial support to whatever ticket may be nominated. Respectfully, A. E. Carsten, President, by E. J. Carpenter, Secretary.

CONCORD DEMOCRATS

Organized a Club Last Night of Forty-Three Members.

The Democrats of the Tenth precinct of the Sixth ward organized a good club last night at a hall on Concord street at the corner of Ada street. Forty-three members were enrolled. The meeting was addressed by Thomas Walsh, William Healey, A. L. Graves and others. The officers elected are: President, F. W. Beer; first vice president, Henry Kuehn; second vice president, A. L. Graves; secretary, J. P. Furlong; treasurer, Thomas Tracey. The next meeting of the club will be Friday, March 23.

REPUBLICAN MEETING.

An Even Forty Listened to Jagard and Vandiver.

About forty Republicans, nearly the total party population of the Third ward, met at the club hall on East Seventh street last night for no particular purpose. After the minutes of the previous meeting were read and approved, including the record of the downfall of Mayor Wright's boom, the president introduced E. A. Jagard, who made a very conservative and acceptable short speech. He dwelt largely upon national issues, and rung in a nice little endorsement of his friend, Fred Wright.

J. S. Vandiver was then introduced, and proceeded with a speech which was notable for its length and its extravagance. Among the things which he claimed for the Republican party was that "it had stood with open arms at every port of the Union where enemies of our country had sought to land their tolls from every sand that is washed by the surf and every land that is warmed by the sun had been welcomed as additional to the American heritage, robed in the royal purple of American citizenship."

His audience seemed a little surprised that the Republican party had been attitudinizing in this ridiculous fashion, but they let him go on for nearly an hour, and finally permitted him to escape unhurt after which a prompt adjournment was taken.

IN THE FIFTH WARD.

Democrats Will Hold a Meeting at 540 West Seventh.

There will be a Democratic rally this evening in the Fifth ward at 540 West Seventh street, corner Goodhue. This is the second meeting of the club, and the principal business of the evening will be the selection of permanent officers. The temporary officers that were chosen at the last meeting have met with such general approval throughout the entire ward that they will surely be made permanent at this evening. Addressed by E. C. Ives, Judge Hall and others, and every citizen of the ward should be present to join the club, as the city election is now rapidly drawing near.
