A FIGHT IN TWO WARDS.

OTHERWISE THE REPUBLICANS PRIMARIES WERE TAME.

DARIUS REESE IS IN IT. A. P. A. Put in its Oar in the Eighth Ward—Vandiver Cut a Figure in the Second Ward—Entire Delegation Said to be Solid for Reese for Supreme Court Clerk.

The Republican primaries last evening elected, as expected, a straight Dar Reese delegation to the county convention of this forenoon that elects delegates to the state convention. The state went through without a "kick" in all the wards but the Second and Eighth.

In the Second ward there was a merry war. There was something of a sentiment against Dar Reese, and the leaders of those entertaining it cooked up a scheme to run through a delegation the most of whom are opposed to Reese.

The names of Ames, Z. Mann, Joe Berger, Stutzman and Horv, well-known supporters of Reese, were placed on the ticket, evidently with the hope that the other names would be taken for those of Reese men.

WHERE IS GEO. H. MILLER?

LEFT HOME IN KANSAS FOR ST. PAUL ON MAY 12.

NO TRACE OF HIM SINCE THEN. Here He Was to Enjoy Fishing at the Lakes—A Bookkeeper, Kan. He Was a Bookkeeper for a Wholesale House—Accounts Straight—Murder Feared—Police Searching City.

Joseph Miller, a mail agent of the Milwaukee line, residing at Spencer, Wis., arrived in St. Paul yesterday and called at the central police station to enlist the aid of the department in finding his brother, George H. Miller, who has been missing since May 12.

George Miller is a citizen of Hutchinson, Kan., where he is employed as bookkeeper for the Hutchinson Wholesale Grocery company. He has a wife and family at that place. On May 12 he left St. Louis, Mo., over the Wabash with the intention of visiting St. Paul, to enjoy a two weeks' vacation fishing and hunting in Minnesota.

When last seen he wore a dark suit with a cutaway coat and Derby hat. He is described as weighing about 185 pounds, 5 feet 8 inches tall, with dark hair and mustache and dark eyes.

The searching brother is afraid that he may have wandered into unknown territory and met with an accident or possible death.

WAGENER STILL AHEAD. He Stands Now With Six Votes in the Lead. At the close yesterday evening of the Wagner-Elofson election contest the Ninth precinct of the Fifth ward was completed. When the board of referees adjourned Wagner led his competitor six votes.

The changes in the ballots are frequent and surprising. A large crowd is in attendance and watches eagerly the announcement of every change in the result of the election from the precincts are announced. There are a large number of blank ballots among the lot, and one precinct, the Ninth of the Fifth ward, came to the front with fifteen blank ballots.

The following changes occurred in the Fifth ward: Wagner gains one in Fifth district, and six votes in Ninth district. Horst gained one vote in each of the First, Second and Sixth districts; Horst, one vote in the Fifth district.

Since the recount began changes have occurred in over 100 ballots, and it is hard to tell what will occur when the tally of the Sixth and Eighth are reached.

SENTENCE DEFERRED. Murderer Milhausen May Be Witness Against Ermersch. Otto Wonnickit, alias Milhausen, was taken before Judge Kerr yesterday, expecting that he would be sentenced for the confessed murder of William Lindolf in the saloon at the corner of College avenue and Wabasha street. County Attorney Butler, however, asked that sentence be deferred until after the trial of Charles Ermersch, who is jointly indicted for the crime. The probabilities are that Wonnickit will be called as a witness in the trial of Ermersch, should he live to be tried, and does not himself plead guilty.

MEMORIAL SERVICE. Acker Post Holds an Event This Evening. Acker post will hold G. A. R. memorial service at its post hall, Esby building, corner of West Seventh and Sixth streets, at 8 o'clock this evening, after a very short business session of the post.

This is a very interesting and impressive service of the G. A. R. in commemoration of deceased members of the post, much practiced in the East by G. A. R. posts, but never attempted here. It will be introduced for the first time in this city tonight. It consists in calling the roll of deceased members, and when the name of a deceased member is called, a bugle sounds the assembly, a comrade steps forward and lays a bouquet of flowers upon a table, his military record is read and the taps are sounded over the casket.

The entire roll is called and the list exhausted. The service is very solemn and impressive, and tends to cherish the memory of the absent ones gone before—comrades who have been mustered to meet their God in the army on the other side—to assuage the sorrows and obey the orders of the Commanding-Officer above.

Orlando Garfield and Gettysburg G. A. R. posts, with the women's relief corps of the same, and the Sons of Veterans and friends of deceased members are cordially invited to attend. The officers and comrades will be in full uniform.

BOYS TOOK A RIDE. In a Rig That They Took Without License. Three juvenile offenders, barefooted and begrimed with mud, sat weeping in the police court yesterday afternoon. The oldest was but thirteen, the other nine and eight years old respectively.

MAISON NOT LIABLE. Because No Notice of Stock Surrender Was Given Him. Judge Otis has filed a decree in the case of J. P. Franzen, as assignee of The St. Paul Loan and Investment Company, against E. L. Mabon, in which it is held that the surrender of stock in the German Insurance company to Hendrickson being without the knowledge of Mr. Mabon, the latter was released from liability on the note.

HEARINGS ENDED. In the Federal Court of Appeals—Final Hearing on the Case of the United States circuit court of appeals was concluded yesterday until the fall term. The judges will work on opinions in the meantime and will meet from time to time to discuss their opinions. An adjournment was held yesterday afternoon, at which time some decisions may be announced. Judges Brewer, Caldwell and Sanborn entered orders yesterday as follows:

Thaddeus Hyatt, plaintiff in error, vs. George W. Ross and others, St. Paul United States circuit court, district of Kansas; continuance set aside and ordered to be set aside and authority of counsel for plaintiff in error. United States of America, appellant, vs. William Morgan; appeal from United States circuit court, Eastern district of Missouri; continued per stipulation.

Special Excursion Rates. Special excursion rates are now on sale via "The North-Western Line" from St. Paul to Montreal, Portland, New York and other points in New York and New England points at very reduced rates. Call and see agent at 150 East Third street before purchasing tickets.

DISTRICT COURT. Judge Brill is engaged in hearing the reassessment cases along Wells street and Greenbrier avenue. Xavier Messias began an action against W. Ross and others, to foreclose a mechanic's lien for \$75. R. C. Libby & Co. seek to foreclose a mechanic's lien for \$407.35 in an action against J. W. Ross and others. Judge Brill has ordered judgment in favor of the National Investment company against Robert Igel for \$150. The divorce case of Thomas Glavin, an ex-police officer, against his wife Annie, was tried before Judge Otis yesterday, and the petition denied. A charge of drunkenness was made and not sustained. Catharine H. Lyons, a milliner on Seventh street, has been assigned to Solomon N. Barringer for the benefit of general creditors. No inventory of the stock in the two millinery stores has yet been made, but an estimate of \$6,000 is placed thereon. Samuel E. Harby, the well known colored man who is at present confined in the city jail, was yesterday granted a divorce from his wife Rosa, who is said to be living with John Spivey. Harby gave birth to a child more than a year after deserting John.

RAISING A BILL.

Charge on Which Sullivan Is Held to Federal Court.

Daniel Sullivan, of New Market, Scott county, was given a hearing before United States Commissioner Spencer on a charge of passing a one-dollar bill that had been raised to a ten by pasting clippings from a revenue stamp upon it. Ernest Jackson testified that Sullivan passed the bill upon him at a lemonade stand at New Market. Commissioner Spencer required Sullivan to give \$1,000 bail for his appearance in case an indictment shall be found by the federal grand jury that meets in this city June 26. Sullivan denies passing the bill or buying the lemonade. No defense, however, was made before the commissioner, and the required bail was furnished.

HONORS ARE FALLING FAST UPON THE AIDER-MAN. There was a smile of self complacency and extreme happiness on the countenance of Frank Brady, president of the board of aldermen, as he greeted his friends about the court house and city hall yesterday. Honors seem to sit lightly on the shoulders of the popular representative of the Fourth ward, but appeared to everybody that there was something else in the wind when the fragrant Havannas were handed about.

Mr. Brady is rejoicing over the arrival of a bright bit of humanity in his household in the form of a daughter. Congratulations were gladly extended to the happy father, accompanied with the best wishes for the future welfare of both father and child.

LOCAL SCRAPS. The committee on rules of the board of aldermen meets this afternoon at 4 o'clock. A case of membranous croup was reported to the health department yesterday from 213 1/2 N. 1st street. The Primary Sunday School union will hold its usual meeting at the House of Hope church Saturday, June 9, at 3 p. m.

The Swedish singing society Vega at its last meeting elected Louis Ordell as delegate to the union of Swedish societies that convenes in New York July 3. Seworth services will be held at the temple at 7:30 o'clock this evening and at 9 o'clock tomorrow morning. The latter services include the solemn confirmation exercises.

Complaint was made yesterday to Chief of Police Clark that there are two vicious dogs running at large on the streets, owned by E. W. Matthews, of 591 Holly avenue. The animals attack all passers by, and it was reported that a woman was seriously bitten in the breast and a young girl had one of her arms lacerated by the brutes. Chief Clark has sent notice that the dogs are to be killed if again seen on the streets.

Held to Grand Jury. Charles E. Neff, who was arrested for attempting to pass a forged check on Saloonkeeper Schmidt night before last, appeared before Judge Twoby yesterday afternoon. Examination was waived and Neff was held to the grand jury in the sum of \$500.

100 Lots at Auction. Attend to sale this afternoon at 2 o'clock of the Deering property commencing at the corner of Robie and Bidwell streets.

Will Pay Small Fox Claims. The claims arising out of the late small fox affair in the Midway district will be paid today. The city clerk was busy yesterday afternoon making out the warrants, and the claimants, who have been waiting since March to receive their pay, will be made happier today.

Don't Miss the Train. Commencing Sunday, June 10, the Wisconsin Central limited for Milwaukee, Chicago and the East will leave St. Paul at 7:15 p. m., instead of 7:25 p. m.
