CAKQUET HAD A VIRTUAL WALK-OVER AGAINST JOHN COOPER.

QUIET DAY AT MORRIS PARK.

Six Well-Contested Races at Latonia—Fast Track and Large Attendance—Three Favorites and Three Second Choices Got the Money—Thorpe Rode Three Winners.

NEW YORK, June 13.—There was little excitement at the races at Morris Park today. The only fixture on the card was the Hudson River handicap, and only two starters appeared, Banquet and John Cooper, and it was a virtual walk-over for the former, as Cooper was never in the race.

First race, five furlongs—Ed Kearney, 105 (Simms), 12 to 1, won; Melba, 83 (Griffin), 5 to 1, second; Wernberg, 110 (Simms), 2 to 1, third. Time, 1:13. Gold Dollar, Huntington, Fondoline, Siroco and Derfaglia also ran.

OFF DAY AT LATONIA.

Three Favorites and Three Second Choices Got the Money.

CINCINNATI, O., June 13.—It was an off day at Latonia, but the six races on the card were well contested and full of interest. The track was fast and several thousand people backed their choices. Three favorites and three second choices divided the money. Thorpe rode three winners. Valrie was the only favorite who failed to make any showing.

First race, mile and twenty yards—Cressawm, Professor S second, Lady Gay third. Time, 1:44.5.

Hawthorne Races.

HAWTHORNE, Ill., June 13.—First race, five-eighths of a mile—Roubie won, Babe Murphy second, Weola third. Time, 1:36.5.

St. Louis Races.

ST. LOUIS, Mo., June 13.—First race, three-quarters of a mile—Two O'Clock won, Frank Gay second, Attention third. Time, 1:34.5.

HURRAH FOR MINNIE.

Her Ball Tossers Make a Great Score at Detroit.

DETROIT, Mich., June 13.—Anson's pet colt, Glaucus, was batted out of the ring in the third inning, making nine hits, which made the cleanest hitting game of the season. Frazier made a new record in striking out ten men.

BREWERS BEATEN.

TOLEDO, O., June 13.—Luck was on the Toledo side of the game today, and although the Brewers found Hettger for twenty hits they could not get them at critical times. Score: Toledo, 4; Brewers, 0.

FOURTEEN FAVORED THE SIXOUS.

INDIANAPOLIS, Ind., June 13.—Good fortune and Schuch's miserable throwing favored Sioux City today. Jones was effective when hits meant runs, and his support was fine. Attendance, 1,000.

Rhines' Great Work.

GRAND RAPIDS, Mich., June 13.—The feature of the game was Rhines' work in the box, which is declared to have been the best done in the league this season. But for a lost ball and a pair of fumbles by Wheelock, Rhines

WOULD HAVE WON HIS GAME THREE TO NOTHING. SCORE:

BOYCOTT AGAINST BEER.

KNIGHTS OF LABOR ASKED TO BECOME TEMPERATE.

IF THEY MUST USE THE FLUID.

They Are Ordered by the Executive Board of the K. of L. to Drink Only Union Beer—Interchange of Working Cards—Boycott Ordered Against a Clothing Firm.

ST. LOUIS, Mo., June 13.—The general executive board of the K. of L. met here today to consider the boycott of that organization against the breweries here controlled by the English syndicate. The determination was reached to send out a circular to all Knights of Labor and Federation of Labor men, as well as other union men, calling upon them to become temperate—in fact, to entirely abstain from beer consumption in every large city or town at all times and all places where the same can be obtained. A number of other minor troubles, also engaged the attention of the board.

PROFESSOR OF THE TRUST.

had been 3 cent per pound on refined sugar, and the increased cost to the consumer under the proposed bill would be a cent a pound. He admitted that the purpose of the formation of the trust was to increase the cost to the American consumer.

SENIOR ALLEN—AND WHEN YOU DID FORM THE TRUST YOU DID ADVANCE THE PRICE OF SUGAR TO THE AMERICAN CONSUMER?

Mr. Havemeyer—We did. It was an advance of about a quarter of a cent net.

SENIOR ALLEN—AND THE AMERICAN CONSUMER IS TODAY PAYING THREE-EIGHTHS CENTS ON REFINED SUGAR MORE THAN HE WOULD BE COMPULLED TO PAY UNDER A SYSTEM OF SEPARATE REFINERS?

Mr. Havemeyer—Yes, sir.

SENIOR ALLEN—IF THE TRUST WERE WIPED OUT THE AMERICAN CONSUMER WOULD BE BENEFITED TO THE EXTENT OF THREE-EIGHTHS OF A CENT A POUND ON HIS SUGAR.

Havemeyer—I will admit that. But anything that will wipe out the trust will wipe out the industry.

JOHN A. SEARLES, SECRETARY AND TREASURER OF THE AMERICAN SUGAR REFINING COMPANY, WAS THE SUBJECT OF THE COMMITTEE'S QUESTIONS FROM 3 TO 6 O'CLOCK THIS AFTERNOON.

Mr. Searles frankly admitted that he had made it his business to influence legislation favorable to the sugar trust, and that for this purpose had called upon and labored with many senators.

THE WITNESS STOOD UPON HIS RIGHTS.

The witness stood upon his rights, when asked about campaign contributions, and declined to answer questions on this subject. He declined to state the amount expended in 1892 on the campaign that it was not within the province of the inquiry.

"DO YOU NOT" ASKED MR. ALLEN, "DECLINE TO STATE SIMPLY BECAUSE YOU KNOW IT WAS DISREPUTABLE AND UNLAWFUL TO CONTRIBUTE THIS MONEY?"

"No, sir, I do not," replied Mr. Searles, "admit anything of the kind."

SENIOR ALLEN—YOU THINK IT IS PERFECTLY LAUDABLE FOR THE AMERICAN SUGAR REFINING COMPANY TO CONTRIBUTE LARGE SUMS OF MONEY BY THE THOUSANDS OF DOLLARS FOR THE PURPOSE OF INFLUENCING LEGISLATION IN THIS COUNTRY, DO YOU NOT, MR. SEARLES?

Mr. Searles—I have always understood for many years that it is the custom of both parties to solicit from wealthy individuals contributions for the carrying on of their political campaigns and that it is the custom of corporations and individuals to respond to such invitations.

AND WITH THAT UNDERSTANDING AND WHAT I BELIEVE TO BE A GENERAL CUSTOM, THE AMERICAN SUGAR REFINING COMPANY HAS MADE SUCH CONTRIBUTIONS AT TIMES.

Senior Allen—Do you believe it is perfectly proper for a corporation, the value of whose stocks may be affected by national legislation, to contribute its funds to the success or defeat of one political party or the other?

MR. SEARLES—I THINK MY PARTIES ARE NOW MANAGED THAT IT IS PROPER.

Senior Allen—And the American Sugar Refining company, as a company, was actuated by a high sense of patriotic duty in contributing this money, I suppose.

MR. SEARLES—THAT IS A PLEASANT WAY OF PUTTING IT.

Seven Yale Men Go.

NEW HAVEN, Conn., June 13.—It is now expected that Sanford, the quarter-mile runner, will be taken on the trip to England, in addition to Ashley Pond.

This will make seven men instead of six, as was originally intended. The Yale financial union, of which Walter Camp is treasurer, has agreed to give the team \$1,200 for expenses on the continent. The Yale Athletic Union, which is a separate organization, has agreed to give the team \$1,000 for expenses on the continent.

A Bad Bust-Up.

DENVER, Col., June 13.—W. W. Brasie, assignee of the National Co-operative Building and Investment association, says the concern will not pay one cent on the dollar. In August, 1892, W. A. Hemphill, after examining the books of the concern, reported that its assets were \$121,000. When the assignment was made, there were but \$7,000 in assets and no more assets. Assignee Brasie says he cannot find out where the money went. The loss falls principally on poor depositors. The president of the association was William J. Smith, who, it is said, is now conducting a similar institution in Pittsburgh.

NO ORDERS FROM OLNEY.

JUDGE DUNDY WANTS TROOPS TO PROTECT THE U. P. ROAD, BUT HE DOES NOT GET THEM.

SIX HUNDRED COXYTES IN COMMAND AT JULESBURG—TROOPS READY TO MOVE FROM FORT OMAHA OR FORT RUSSELL, AND SPECIAL TRAINS ARE IN WAITING TO CARRY THEM.

OMAHA, June 13.—Judge Dundy telegraphed United States Attorney General Olney this afternoon for troops to protect the Union Pacific railway from the Carter commonwealers at Julesburg and Ogallala. A reply is expected every hour from Mr. Olney ordering either Fort Omaha or Fort Russell troops out, but up to a late hour nothing had yet come at the federal building. A special train was made up this afternoon in the Union Pacific shops in readiness for a moment's notice. A train has also been made up at Cheyenne for Fort Russell, and the crews of both trains are on board. There is intense excitement at Julesburg. There are fully 600 of the Coxytes at Julesburg who are a part of the Carter army which formed in Utah and stole one train. They are desperate, for they cannot go to Denver, having been sent there with a farewell lot of provisions to last them "for keeps."

Forty of the army stole a Union Pacific stock train this morning and were sidetracked at Ogallala.

OLNEY IS NO HURRY. WASHINGTON, June 13.—Attorney General Olney has received a dispatch from Judge Dundy at Omaha, Neb., asking for troops to protect Union Pacific property from damage by commonwealers at Julesburg and Ogallala. Mr. Olney has, however, taken no action except to send for further particulars. He will not refer the matter to the war department or to the president tonight. It is the opinion of the attorney general that the utmost necessity should exist before troops are ordered out, and it must first clearly appear that the local authorities are unable to cope with whatever disorder there is.

WELL, WHAT'S FLIP?

"Flip" is a game that's on the square.

"Flip" is the funniest puzzle going.

"Flip" comes in a box with spots and rings. The spots consist of nine different colors, with a corresponding number of rings to match. Seen through a glass top, outside of box being covered with a variety of eye-catching designs, which, when per, make a most attractive and elegant display.

"Flip" is the funniest puzzle ever devised. It baffles even "trick" players, and is the only one of the score of entertainments that is so simple and so easy to play. It is in prospect for the thousands of children for whom we specially print the Children's Globe.

"Flip" is unquestionably the most popular hit of the season, and delights both young and old, affords a source of amusement by the hour. The continued interest after succeeding in losing the rings on the proper color is to do so. In the shortest time possible, and requires very few steady hands, which will make it a lasting amusement.

"Flip" as a game is played as in Progressive Ruchie. The number of colors in the "Puzzle" and the only difference being should be played by individuals, and a given signal, the one who succeeds in getting all rings on correct first goes to the head table and all commence over again.
