Resulted in Death.

The remains of Henry Piper, who was accidentally shot at Lake Independence Tuesday, and who died Wednesday at the Homeopathic hospital, this city, were sent home yesterday for interment, and the burial will take place today. The accident, which in his death was a peculiar one. Gustaf Piper, a younger brother, was pointing a revolver at the foot of the boat, the trigger to see if it was loaded. Accidentally it went off, and the bullet hit some hard substance, glancing up and lodging in the back of the elder brother. It was purely accidental.

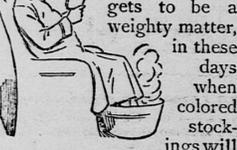

Passed Upon Bids.

A meeting of the construction committee of the court house commission was held yesterday in the office of Lum & Kees, when the bids on roofing and plastering were passed upon. SIGNED FOR THOUSANDS.

How James Robertson Got Whole Books of Notes Signed—One Man Was Paid \$30 for Signing His Name to 230 Notes—S. M. Houghton in Court as a Witness—Long List of Witnesses.

S. M. Houghton, the vice president of the Guaranty Loan company, will likely be arraigned this morning in the municipal court. Yesterday morning he put in his time receiving callers in his office and then went to the court as a witness. In the meantime the Streeter trial was progressing favorably for the state. A number of witnesses were introduced who told about the notes, the signers of which were not known to them. Something of a sensation was caused when James Robertson took the stand. He is the man who secured signatures to the notes referred to in Wednesday's testimony. He had secured Carroll's signature to whole books of notes, and had also negotiated with John H. Houghton the idea of getting him to sign a lot of the notes. Among other notes shown the witness was one signed by G. A. Russell. He stated that Russell was a fellow who at one time kept a stand at the A. D. T. corner.

A NARROW ESCAPE.

Carload of Interurban Passengers Face Death. Twenty-five men and women, passengers on an interurban car, came within an ace of being hurled to a dreadful death yesterday morning. MUST FURNISH A BOND.

Park Board Considers the Proposed Celebration at the Falls.

G. J. Rilly, of the Labor Problem, appeared before the park board yesterday afternoon, and proposed the Fourth of July celebration at Minnehaha park, at which Gen. Coxe is billed to speak. Several members of the board were in favor of rescinding the permit granted to Mr. Rilly for his attractions, it being the opinion that the latter had altogether too much of a snap. After an animated discussion it was decided that a bond should be given by Rilly for the restoration of the park, and the details of the matter will be arranged at a meeting to be held tonight.

RIBBONS AT VILLA ROSA.

A FALSE REPORT.

R. H. Teeple Still in the Land of the Living.

The report of a morning paper yesterday announcing the death of R. H. Teeple, of this city, at Great Falls, Mont., it appears was a trifling premature. Mr. Teeple was injured by falling from a horse Tuesday afternoon, and he was removed to Great Falls for medical attendance. Yesterday the Tribune announced that he had died at that place Wednesday. Being started by the report, the mother and other friends of Mr. Teeple in this city telegraphed to Great Falls yesterday for particulars. In response to a telegram sent by E. H. Hamilton, the local agent of the Red Line Freight company, word was received yesterday that Mr. Teeple had not crossed the dark river, but that on the contrary the chances for his recovery are very favorable.
