

The number of people who find their way out to the Dellswood club house each Saturday afternoon to see the races or to take part in them if the weather is not too rough is growing smaller by degrees. Not that yesterday, for instance, was not just as pleasant a day as any Saturday in July—pleasant, in fact, because it was cool enough to enjoy life—only the races have dragged somewhat of late, and interest in them has come rather flat. It was discouraging, to be sure, for a few weeks, for the wind would not blow at all, and those were the days when a great many people went out to the lake. A concert is proposed for Tuesday evening at White Bear—a benefit, of course—and for a church this time, Miss Gordon, Miss Tarbox, Miss Bice-low, Mr. Oerhofer, the Misses Lam-prey, Prof. Tietz and others have promised to assist.

successful conclusion. It is proposed to organize a festival association which shall undertake to give a half week's festival about May 1, each year. The Chicago orchestra, with Theodore Thomas as conductor, can be secured for a week in the two cities, and with this co-operation and that of the best soloists the country can afford, it will be possible to give concerts of greater artistic merit than any ever before attempted here. Mr. Baldwin will reorganize the St. Paul Choral association in accordance with this plan. The regular season's concert heretofore given by this organization will be abandoned with the exception of the usual "Messiah" performance at Christmas time, the entire year being devoted to preparation for the festival.

In order to make this project possible it is proposed to organize a stock association, with stock to the amount of \$5,000. A good beginning has already been made, one gentleman having subscribed \$500. A meeting of representative business men will be held soon, when it is hoped that the undertaking may be placed upon a substantial basis. A similar organization is organizing in Minneapolis.

FURS AND CLOAKS. DRAPERY AND FURNITURE DEPT.

The demand for FINE FURS must be enormous if we are only doing a share of the business. For we have never had anything equal to it, even in the height of the busy season. Of course, we are selling our Furs cheap, and any one can see at a glance that they are of the best kind. One does not need to be an expert to be able to tell the difference between good and poor Furs, and a lady shopping in a few stores has ample opportunity to learn where the best can be found. This package contains a fact that we miss so few sales. If you want a handsome FUR COAT or CAPE, we will be glad to have you look at what we have to offer. Our stock is very large, and we do not think you can beat our prices, if, indeed, you can equal them, i. e. either city.

Here is a sample of the values we are offering. We might quote a dozen others, but space forbids, but we cannot spare the space. We offer 27-inch ASTRAKHAN FUR CAPES, with 30-inch wrap, made of good, full size, light, soft skins, in any size curl desired, with high storm collar, well made, styled and lined, for

\$9.75

This is the cheapest Fur Cape in the Twin Cities. It is cheap because it is good. There are a great many Fur Capes in the market that would be very dear at half that price.

We have just opened a large line of Fur-Lined Circulars, and this is probably the only assortment of them in the West.

IN CLOTH CLOAKS of all kinds we lead the entire Northwest, as we have for the last few years. We have many styles of garments that you are likely to find in any three stores in either city, and we have many styles that you cannot possibly see elsewhere. We have waited for the latest, and now we have them—the most stylish garments that will be shown this season. In a few days many of them will be gone. We have COATS and CAPES of all materials, with fur or other linings, as you prefer.

An assortment of elegant Plush Mantles has just been received.

OUR TAILOR-MADE COSTUMES are the very acme of style. We bought them from manufacturers who have a very high reputation for the fashionable character of their goods, and they are adapted for use in either warm or cool weather. Prices right; of course they are. Everybody who is familiar with our store and methods will assure you this is so.

TEA GOWN and **WRAPPER** are here in large variety.

SILKS.

The stock in this department was never so full as it is now. Everything new in street and evening Silks can be found here. Of VELVETS we probably have the largest stock in the state.

At 49c—A Wonderful Br. & Tan. 2,500 yards of Black Brocade Gros Grain, Taffeta and Satin, all new stylish figures, suitable for Waists and Dresses.

At 69c—2,000 yards of Novelty Silks, Taffetas, Gros Grains and Satins in all colors, stripes and damask effects.

BLACK TAFFETA for 69c, worth \$1.00.
BLACK INDIA SILK, 1 yard wide, heavy and good quality, for 69c, worth \$1.00.

FINE DRESS FABRICS

FOR AUTUMN AND WINTER.

They are here from France and Germany, the best and most beautiful productions of manufacturers who have long been famed for the excellence and high style of their fabrics.

They are here from England and Scotland, in the peculiar weaves so well known as English and Scotch Suing and which are probably as popular among our own people as they are in Great Britain.

In addition to the most desirable of the new weaves, which are free to the general market, we have secured many exclusive private designs, made expressly for the best retailers of Paris, London and Edinburgh. These represent the cream of the new productions, and are imported in single dress patterns only.

We also have an overwhelming supply of the best

AMERICAN GOWN MATERIALS,

which are in many instances copies of imported goods, that better the originals, at just about half the price.

Our nineteenth shipment of Navy Blue SUNDERLAND SERGES has just been received. That merit wins is proved in the case of this famous Serge. No other gown material has been so largely sold as this. It is 44 inches wide, and our price is only

59 CENTS A YARD.

BLACK DRESS GOODS

Best Imperial Black Serges, our \$1.50 quality for 95c.
A small lot of novelty weaves in new patterns, 40 inches wide and all wool, at 69c.

NEW KID GLOVES.

Our new importation of the Stylish Reynier Gloves has arrived. These excellent gloves are well known, and any lady who has worn them can testify to this one fact in regard to them may be mentioned. When other gloves are stretched and shapeless by long wear these are still good and fit perfectly. They absolutely do not lose their shape. Try them on and you will find the excellence and elegance will be like a revelation.

The H. O. P. club was pleasantly entertained by Miss Kate Field, of East Fourth street, during the week.

W. S. Joy, of Reaney street, is making an extended trip to Washington, Baltimore and New York.

The way business of the best kind is rolling into this department is certainly encouraging in the highest degree. If you are not yet thoroughly convinced that this is the best place in the Twin Cities to buy when you want Artistic Draperies or Furniture, the time is not far distant when you will, for the high character of the stock and general excellence of the work done is rapidly becoming widely known.

Our Fall Stock is now in, and the goods are handsome and more varied than any we have yet shown. The famous Armitage and Morris Fabrics can be found here, with many others of equal merit, including Novel Japanese and India effects. We have a particularly attractive line of French Striped Fabrics of Silk and Silk with Cotton, in addition to a very large general line of artistic materials suitable for draperies and furniture covering.

We invite particular attention not only to the high artistic excellence of our goods, but to the extremely low prices at which we sell them. We have made strenuous efforts to meet the demand for good values combined with novel and beautiful effects at reasonable prices. It is only necessary, we think, for you to see the goods to be convinced that we are offering them at the lowest prices ever known in St. Paul for equal qualities.

Take these as samples of many others equally cheap that will be on sale tomorrow—

FURNITURE FABRICS never before offered for less than \$3.50 to \$4.00, will be sold on Monday and Tuesday for \$2.50 per yard.

Drapery Stuffs, sold in all the best houses at \$3.00 and \$3.50, will be sold for \$2.50 per yard.

We reupholster old Furniture in the very best manner at very reasonable prices.

CARPETS.

The best orders we have ever received in this department were taken last week, and the prospects for a continued increase of business are of the brightest kind. The reasons for this encouraging influx of new orders are, of course, easily understood. We have the only new, complete stock in this section, while in magnitude and range it surpasses anything heretofore seen in the Northwest. We show a magnificent variety in all the latest and best styles and colorings in Wiltons, Axminsters and Gobelins, as well as in Brussels, Tapestries and Ingrains.

We can please all classes in style, quality and price. We find it difficult to particularize in so large an assortment, but will be glad to show our Carpets to all who are interested.
