The World's Sweetest Songs

Both Vocal and Instrumental.

This series contains not only the brilliant productions of the brightest composers of the present day, but also those Jewels of Song that, because of their exquisite worth, will live forever.

It is designed, not for professional musicians, societies or church choirs, but is pre-eminently adapted to increase the pleasure of the home-circle and render home tenfold more attractive to the young and doubly enjoyable for the older members of the family than it otherwise would be.

WHY PAY A BIG RENT? Is not that what you do when you go to a big store and pay 50 cents for only one song instead of taking advantage of the "GLOBE'S" great distribution of "The World's Sweetest Songs" at a cost to you of less than

Half a Cent Each?

Why this immense difference; do you ask? The rent of a big store is enormous, and printing music in very small editions is costly, to say nothing of a force of stylish clerks that must be in waiting to serve one single piece of music, neatly wrapped and tied with a silk cord. While we pay no rent, print this series in enormous editions, and distribute it by the thousands daily.

Think of It! Patti's Favorites, 20 Lovely Songs, Excellent Paper, Handsomely Printed, Elegantly Bound, Worth, at Sheet Music Prices, About \$10.00.

Parts 1, 2, 3, 4, 5, 6, 7, 8 NOW READY.

EACH BOOK IS EMBELLISHED WITH 4 ILLUMINATED PORTRAITS OF STAR MUSICIANS.

Out-of-town purchasers will save time and postage by sending for the whole series at once. We will then be able to place this prize complete in your hands in ample time for the holidays.

Do not miss getting this work, because it is easily worth 50 times our price. NO COUPONS. 10 cents in silver (not stamps) secures each part. Address

Art Department, Daily Globe. Back numbers supplied at same rate, postage paid.
