Charles Johnson, a laboring man, was arrested for having counterfeited money in his possession. Such, at least, is the charge, but the counterfeiter was nothing but one of the common advertisements made to resemble a dollar bill. Johnson claims he did not attempt to pass the bill. He simply laid it down on the counter of a grocery store while selecting from his purse some small coins to make a purchase with.

ABBOTT SPEAKS BLUNTLY. Action of City Fathers May Reduce Teachers' Salaries.

President Abbott, of the school board, said yesterday in speaking of the action of the council committee appointed to consider the school budget:

"If the recommendation of the committee not to raise the \$2,000 for additional teachers prevails, there will, in all probability, be a reduction in teachers' salaries before the school year closes."

"As for the recommendation that the salary of Superintendent Gilbert be reduced from \$4,500 to \$2,500, the board will not be influenced by it. We will not reduce the superintendent's salary, and consequently the \$200 must be taken out of the amount estimated for the pay of janitors."

COPELAND. Expert Treatment. LOW PEOPLE COMPLAIN WHO SUFFER FROM CATARRH AND HOW TO GET CURED.

We invite your attention to what may be a very important matter to you. Many people suffer from catarrh and do not know the cause of their trouble.

Here is what it causes: Deafness, discharging ears, ringing in ears, weak and watery eyes, closing up the nose, polyp or tumors in the nose, constant catching of colds attended with sneezing, pain across the bridge of the nose and about the eyes, pain in the chest, bronchitis and asthma, bloating of the stomach and indigestion.

If you want to be cured go to the Copeland physicians and take their matchless treatment. They make a specialty of catarrhal troubles, and their charges are so low as to be within the reach of all.

LIEBE UND TREUE.

LINKED WITH FREUNDSCHAFT, ARE THE GREETINGS OF THE DAY.

SONS OF HERMANN HERE AS WELCOME GUESTS OF THE CITY FOR THEIR ANNIVERSARY.

TWENTY-FIVE YEARS OLD NOW. Opening Festivities at Turner Hall Last Night—A Splendid Concert and Ball.

The festivities attendant upon the celebration of the twenty-fifth anniversary of the founding of the Sons of Hermann in Minnesota were ushered in last night in a most auspicious manner. When the curtain of the stage at Turner hall rose at 8:30 for the opening number of the grand concert arranged for the evening, the Turner hall was crowded to its fullest capacity.

The interior presented a very beautiful picture. The traditional German oak was not forgotten, for everywhere were hung large garlands and wreaths of the time-honored leaves, spreading a refreshing fragrance through the hall. Intermingled with the green waved the Stars and Stripes side by side with the black red and gold of Germany, the symbol of German liberty and her efforts to secure unity and liberty. Shields bearing the colors of the various states of Germany and those of America, surmounted by small flags, filled in vacant spaces around the balcony, and the whole presented a picture most pleasing to the eye.

The guests began to arrive early in the evening. The German-American citizens of Minnesota were represented from every section of the state, and all came with the determination to have a royal good time, as German people have a knack of enjoying, for "Gemuthlichkeit" is their proverbial motto. Old and young, man and woman, entered heartily into the spirit of the occasion.

The concert was a typical German one, and the programme, as previously announced, was faithfully carried out. Every number was thoroughly enjoyed by the audience, and many encores were demanded and cheerfully granted. Singing forms always an important factor in all entertainments of the German people, and especially the "Mäennerchor" or male choruses, and many encores were demanded and cheerfully granted.
