THEY SEEM TO CATCH THE CROWD AT THE STATE FAIR.

SOME EXCITING FINISHES.

D. W. THURSTON'S RAY W TAKES THE FIRST EVENT IN THREE STRAIGHT.

RESULTS OF OTHER CONTESTS.

G. W. Sherwood's L L D and J. E. Wheat & Co.'s Billie Gaines. Winners.

The races at the state fair yesterday attracted an immense crowd, the grand stand being packed to the utmost.

The programme, however, was equal to that of the previous day, and under similar conditions would have proved equally good.

The first event was the 2:35 trot for a purse of \$500. Of the fourteen entries only seven started.

The first heat would have been uninteresting but for the desperate struggle between Forest King and Mainstay for second place.

In the second heat the seven took the word splendidly. Ray W and Forest King went away from the rest, finishing first and second.

In the third heat Ray W and Forest King came in first and second, respectively, with Mainstay third.

The 2:30 race proved more interesting, although, as in the previous race, the feature was in the struggle for second place.

The second heat in the race there was little of note until the three-quarter mark was reached, when L L D broke and lost the lead.

The third heat was won by L L D, followed by Nansota and Miss Graves, the latter winning fourth money.

The second heat in the race there was little of note until the three-quarter mark was reached, when L L D broke and lost the lead.

In the final heat the horses came in in good order, after a desperate struggle between Tempter and Welbeck for second place.

The chief event of the shooting tournament at the fair grounds yesterday was the contest for the diamond badge which carries with it the championship of the state.

The cool, pleasant weather of yesterday made a fine afternoon for the tournament and some excellent shooting was the result.
