

CUT IN COAL RATES

MILWAUKEE ROAD SPRINGS A SURPRISE ON ITS COMPETITORS.

A NORTHWEST REDUCTION.

CHICAGO AND MISSOURI LINES TO HOLD A MEETING ABOUT IT.

FIERCE WAR AMONG SCALPERS.

Regular Passenger Rates Seriously Threatened and Roads Are Alarmed.

CHICAGO, Sept. 18.—The Chicago, Milwaukee & St. Paul today took action on freight rates that astonished its competitors, and they will hold an indignation meeting tomorrow to see what they can do in the matter. The Milwaukee announced that it would make a rate of \$2.50 per ton on anthracite coal from the following points: Chicago, Milwaukee, Sheboygan, Green Bay and Joliet.

The ticket brokers of this city are at war, and as a consequence they are selling tickets from Chicago to San Francisco at reduced rates, and even from the standpoint of the scalper rates are being badly cut. It all comes about through the action of the two associations of scalpers who do business here, the American and the Guarantee. Both associations are national in their scope, and they have from time to time considered certain railroad lines with the idea of keeping from them as much business as possible.

UNWILLING TO PURCHASE ROME.

Mr. Corrigan's Secretary Explains the Attitude of Catholics.

NEW YORK, Sept. 18.—Roman Catholics here today were not inclined to regard the plan for purchasing the city of Rome for \$100,000,000 at all feasible. Archbishop Corrigan is out of town, but his secretary, Rev. Mr. Connelly, said: "It is hardly in accordance with the teaching of the church to purchase a city which is already yours. Why should the pope buy out an Italian ruler who is already in Rome under the same name since Sept. 20, 1870, when the Italian forces entered Rome through a breach at the Porta Pia?"
