

DULUTH IS BEATEN

LOSES THE SECOND GAME OF FOOTBALL TO THE MINNESOTAS.

WAS A PRETTY STRUGGLE.

BUT THE CLIFF DWELLERS COULDN'T GET NEAR THE ST. PAUL GOAL.

THE SCORE STOOD 10 TO 0.

Detailed Account of the Game and Particular Mention of Individual Work.

The brawny representatives of the Minnesota and Duluth boat clubs met for the second time on the grill-iron yesterday at Aurora park, and after a pretty struggle, in which numerous clever plays were made on both sides, the canvas-clad oarsmen from the head of the lakes succumbed to the superior play of their St. Paul antagonists.

Minnesota, in turn, secured the pigskin on downs. Plays by Winter, Houghton, Bugge and Pillsbury netted good gains, when Winter lost the ball on a play around the right end after gaining five yards. Calhoun hit the center for a splendid gain of seven yards. Minnesota again made an off-side play, forfeiting ten yards to Duluth, who made another ten yards around right end when Minnesota braced up and secured the ball on four downs. Belden opened the play by kicking to center of the field, where Duluth secured the leather. Thompson then made a good gain of eight yards through right tackle, when Minnesota took a new hold and stopped Duluth four times. Leary, Pillsbury and Winter followed with four, two and six yards respectively, when Belden was forced to punt, sending the ball out of bounds, where it was secured by Lanpher. Houle and Bugge next made two yards each, when Pillsbury went into the center for six. Plays by Winter and Leary landed the ball on the Duluth thirty-yard line, when time was called for the first half. Score, 4-0.

started for a touchdown when Bailey took after him, and making a desperate dive, pulled him down and saved what was a sure touchdown. Most of the St. Paul line was solid. Houle, Bugge, Denegre, Houghton and Winter being too much for their men, while the ends did some good tackling. To say that the work of the two quarter-backs was equally good is saying much for Draper, of Duluth, for Van Campen is as good a quarter-back as ever offered a state university uniform. Draper, although a youngster, played a steady snappy game, and was always near the bottom of the scrimmage. The men in the center of the Duluth line, McCormack, Vincent and Magoffin, excelled in offensive work, in which they were pretty well supported by the ends. Bugge, of St. Paul, and Magoffin did some magnificent tackling. The Duluth team played ragedly when the ball was in their possession, and lost ground continually by fumbling plays. There was little off side play. Terry was accidentally kicked on the forehead, but

plucky continued to play. Capt. Ballon was unable to play, owing to illness. Draper captained the team. Two twenty-minute halves were played. Messrs. Carl Johanson and Lou Bigelow acting as referee and umpire. At the expiration of the game the members of both teams repaired to the Ryan, where, after going through their ablutions, they dined together. The visitors leave for home tonight.

Duluth kicked off to Leary, who was downed on the spot. On the first line up Minnesota was given ten yards on off-side play. Leary next tried the center for no gain. Pillsbury doing the same. Minnesota then tried the left end, but lost the ball on downs. Two good plays gained six yards for Duluth, when the oval went to Minnesota on a fumble. Leary picking it out of the scrimmage and securing the first touchdown by a sprint from near the center of the field. Try at goal failed. Score, 4-0. Time, four minutes.

Duluth again kicked off. Bigelow catching the ball and gaining ten yards before being tackled. On the following line up Minnesota lost the ball on a fumble. Duluth now bucked the center for several small gains, but lost the ball to Leary on the third play. Minnesota, after going around the right end for six yards, Bugge around left end for two yards and Pillsbury at the center for no gain. Houghton next tried left center for four yards, and Leary made four yards more around the left end. Winter followed with four yards through right center when "Pilly" jumped through a hole at left tackle for a gain of eight yards. The Duluth boys now got down to business and held the line solid for the remainder of the game. The Minnesota goal, Paul men had perhaps a

Minnesota kicked off in the second half to Edson, who, aided by good interference, carried the ball thirty yards before being downed. Another off-side play by Minnesota gave Duluth ten yards. Bailey now made a splendid gain of twenty yards around the right end, but immediately lost the ball on four downs. Duluth regained it on the next play by a bad fumble, and, forming a strong "tandem" went at the line, but were stopped in an elegant man-

ner by Bugge. Three downs without the necessary five yards next gave Minnesota the ball, when Bugge, Pillsbury and Leary each made good gains. On the next play Leary again broke through the line and straightened out for another touchdown, but Bailey was hot after him, and stopped the ball on the ten-yard line. Minnesota here lost the oval on a fumble and Duluth forced it back to the center of the field, where it again went to Minnesota on downs. Pillsbury then made the star play of the game. Guarded by Belden, he got around the left end, and, by clever dodging, carried the ball forty yards for a touchdown, from which Belden easily kicked a goal. Score, 10-0. Time, thirteen minutes.

BOTH TEAMS IN GOOD FORM.

But the Minnesotas by Their Play Prove Themselves Practically Invincible.

WILLIAM A. BOYLE.

Special to the Globe. CHICAGO, Ill., Oct. 26.—It was long after the sun had slid out of sight that the dust begrimed warriors of the Universities of Chicago and Minnesota stalked off Marshall field tonight after one of the hottest and most stubbornly fought football battles of the year. For two hours and a half they plied each other over the field and during at least twenty minutes of that time in a pitched battle with the dust and the coming night that even from the side lines the yellow legs of the Minnesotas were slow to get down to business, and could not stop the Chicago's spurt for a touchdown and goal. For a time the victory was in the lead, Allen having been successful in his attempt to kick the goal, and Harrison having failed in his, but after the next kick off the Minnesota men went into an irresistible rush and hammered out another score and the game. For the Minnesotas, Pettibone, Parkyn, Kehoe, Teigen and Dalrymple did the most noticeable work. In the first half the backs made all the ground by bucking the line. The same policy was pursued in the first of the second half, when it was discovered to be a good scheme to send Pettibone around the end. His runs and the determined rushes of the linemen brought the second touchdown in the second. The left side of the Minnesota line was well nigh invincible. The Chicagoes could neither get through nor around it.

YALE COULDN'T SCORE.

The B. A. A. Had the Collegians Well in Hand.

NEW HAVEN, Conn., Oct. 26.—Neither Yale nor the Boston Athletic club was able to score this afternoon. Yale was outclassed by an average of

twenty pounds in the line, but stopped the flying interference well. Her interference on the offensive, however, was badly broken up. For Yale, Chadwick, Jerrens and Benjamin put up a star game, and Anthony, Curtis and Bert Waters did the best work for Boston. Yale gained more ground than the B. A. A., and should have scored, the game ending with ball on Boston's yard line.

Pennsylvania's Game.

PHILADELPHIA, Oct. 26.—The University of Pennsylvania in a football game defeated Lafayette today by a score of 3 to 0. The game was decidedly the best of the sons of old Penn had to play.

LAI D OUT CORNELL

HARVARD TOO POWERFUL AT FOOTBALL FOR THE ITHACA LADS.

TWENTY-FIVE TO NOTHING.

BRILLIANT FIRST HALF IN WHICH NEITHER TEAM SCORED.

BILLY ORL WAS BADLY MISSED.

Cornell Was Especially Weak in Punting, While the Other Side Was Strong.

CAMBRIDGE, Mass., Oct. 26.—Overwhelmed, broken and shattered, after fighting desperately to the last, Cornell went down before the heavier and stronger Harvard yesterday afternoon by a score of 25 to 0, Cornell was badly defeated, but he made a game fight and played pluckily from start to finish. It was a clean game, without slugging or brutality, and the new rules, on their first real trial of the year, worked like a charm. Cornell played Harvard to a dead-lock in the first half, but the pace was too hot for her to maintain, and in the second half Harvard played with twice the dash and vigor, while Cornell's weakening showed that Harvard's constant hammering at the line was too much for her to stand up against. Six thousand people were gathered round the gridiron.

Cornell's famous old kicking full-back, "Billy" Orl, was sorely missed, for the contest was distinguished by a kicking game, and the visitors' inferiority at this point, and especially in receiving Brewer's long punts, was much against her. In the second half the Ithaca boys could not withstand the repeated onslaught of the crimson backs, and Brewer, Fairchild, Cabot and Gonterman went ploughing through tackle and center with telling effect. Harvard scored all her points in the second half, four touchdowns, from which only two goals were kicked, and a splendid goal from the field. Harvard lost many points throughout the match by off-side playing and holding in the line, and there were not many praiseworthy points in her general play. Brewer's punting was fine, and the visitors always lost on an exchange of kicks. It was the indomitable endurance and the dogged aggressive work which gave Harvard the game. Her interference in the first half was lamentably weak, but her defense was good all through the game. Rarely was Cornell able to make a substantial gain, and Harvard's forwards would break up the interference before it got well under way.

STRONG PLAYERS.

The individual work was brilliant in many instances. The three center-men were a tower of strength, and Holmes especially loomed up on the defensive. Hall gave Donald a hard game at tackle, but the youngsters were equal to the occasion and acquitted themselves creditably; Stevenson was the weakest point in the Harvard line. Cabot was the star in the line, and the way he ran with the interference was wonderful. Capt. Wickoff made some telling tackles for Cornell. Behind the line Beacham was the best.

CHANCE FOR BOWLERS.

The gold medal representing the individual championship for St. Paul bowling has been ordered and will be ready the last of the week. Mr. Foley hopes to be able to get the tournament under way before Dec. 1. There are several entries already made, and the list will be kept open to any bowler living in St. Paul until the day of playing the opening game. When a sufficient number of entries are made a meeting will be called to determine whether or not a small sweepstakes shall be charged in order to secure two or three prizes besides the champion medal.

Willie Windle was the foremost racing man in America from 1888 to 1891, when A. Zimmerman succeeded him, and proved conclusively that he was Windle's superior in a race. In 1887 Windle retired from the path and announced that he would never ride again. Not long ago, however, he became interested in a bicycle manufactory and concluded to emerge from his retirement and attempt to place all Class A records to the credit of himself and his wheel. Faced by the "quint" recently he covered a mile in 1 minute 32 2-3 seconds, and the same day Berlo rode in 1:46 4-5, a new professional record as well as a new world's record.
