MONARCHIST PLOT IN BRAZIL.

Bomb Outrage in a Spanish Monastery Causes the Death of Several Monks.

PARIS, Oct. 31.—M. Bourgeois this evening informed M. Faure that he accepted the task of forming new cabinet. The new ministry so far as formed is as follows: M. Bourgeois, minister of the interior and

minister of justice and justice and worship; M. Lockroy, minister of marine; M. Berthelot, minister of education; M. Doumer, minister of finance; M. Guilot d'Essaigne, minister of public works; M. Mascurat, minister of commerce; M. Combes, minister of the colonies.

The new cabinet held a meeting this evening lasting late into the night, at which several questions of policy were formulated which it has determined to pursue. It was resolved that there should be a thorough investigation of the affairs of the Southern railway. A motion to do this was the technical cause of the fall of the Ribot cabinet. An endeavor will be made to secure a modification of the Madagascar treaty without sending out a new expedition. The cabinet also decided to favor the creation of a colonial army, and the introduction of an income tax for the budget for 1896. The foreign portfolio will be offered to Baron de Courcel, present ambassador in London.

ARMENIANS TO DIE. Fears of Another Outbreak That Will Endanger Missionaries.

CONSTANTINOPLE, Oct. 31.—A sensation has been caused here by the report, generally believed to be correct, that three Armenian notabilities of Trebizond, including a prominent ecclesiastic, are to be executed on the ground that they are responsible for the present rioting there. According to statements made in Armenian circles, about 200 Armenians were killed during the fighting at Bitlis with the Turks. The loss of the latter is said to be trifling. Advice from Moosh says that the leading Armenians have been conferring with representatives of the American missionaries. The British charge d'affaires, Hon. Mr. Herbert, has made similar representations to the Porte. The result is that the government has decided to send troops to protect the missionaries. In view of these facts the Armenian patriarch has appealed to the different embassies to intervene in time to prevent another massacre. The Turkish officials, in reply, again assert that all the recent outbreaks are nothing more than the work of the Armenian secret society which has provoked all the riots.

ARABS MAY REVOLT. Threats of an Outbreak Increasing the Alarm.

LONDON, Oct. 31.—A dispatch to the Standard from Constantinople says disturbances are threatened in Arabia and the ministers are hurrying reinforcements to the Red Sea. The Arabs dislike the Turkish rule as much as the Armenians do.

ROYAL CHALLENGER. Rumor That the Prince of Wales Is After the Cup.

GLASGOW, Oct. 31.—A rumor which had its origin at Patrick, the extensive shipbuilding town, two miles from this city, is current here today that the Prince of Wales is seriously contemplating building a yacht with which to challenge for the America's cup.

George L. Watson, the designer of the Prince of Wales' Britannia and Lord Dunsaville's Valkyrie, has been to Glasgow recently, and this may have given rise to the rumor. Mr. Watson was questioned regarding the report in circulation but he was not disposed to give any information on the subject, refusing to confirm or deny it.

THE TWO QUICKLY CAPTURED.

Eureka, S. D., Man Kills His Wife Because She Would Not Live With Him.

Special to the Globe. WABPETON, N. D., Oct. 31.—A sensation was caused here yesterday by the report of the elopement of Mrs. Arthur Brougher with a young farmer named Leonard Sprague.

Brougher is the wife of a well-to-do farmer of Sargent county, and was formerly Miss Grace Thompson, her parents residing at Wyndmere, Richland county. She was married about six years ago, has three children, and the relations between the couple are not very pleasant.

While the husband was engaged in thrashing for others throughout the county the faithless wife packed up her household goods and shipped them to St. Paul. Taking her baby, she and her paramour followed and are supposed to be either of the Twin Cities.

Brougher wrote letters to her mother and the mother of her husband, requesting them to take care of the other two children.

Brougher knew nothing of his wife's desertion until several days afterwards, when he returned home from thrashing.

The woman is still young, and is said to be very handsome, and her new spouse is the son of a wealthy farmer near Havana, Sargent county.

WITH ANOTHER MAN'S WIFE. Gay Lothario Skips—Both Soon Captured.

BOTTINEAU, S. D., Oct. 31.—C. H. Bonderson, who came here two weeks ago as manager for thrashing outfit for one Peterson, of Petersburg, this state, induced a man named Jesse Leonard to put in \$500 cash in the outfit, then stole a horse and buggy belonging to Peterson and with the wife of one Wickam, of Florida, a daughter of W. H. Harris, of this city, who was visiting her parents here, skipped out. The couple were arrested at Carrington and will be brought back here.

SHOT HER FIVE TIMES. A Deserted Husband Kills His Wife.

Special to the Globe. BOTTINEAU, S. D., Oct. 31.—George Kalkley, of Eureka, S. D., came here on the 8th inst. ostensibly to induce his wife, who had previously left him and had taken up residence here, to return with him. Failing in this, he last Saturday night shot her five times with a revolver, two of the shots taking effect, one in the head, one in the bowels, the three going clear through her body, one in the left arm and one in the forehead, the latter grazing the cheek. She died at once, but was soon after taken to a barber shop for a shave. While there he was recognized, taken in custody and placed in jail, where she is awaiting preliminary examination.

FARIBAUT CHRYSANTHEMUMS. Pretty Wedding Ceremony at the Episcopal Cathedral.

Special to the Globe. FARIBAUT, Minn., Oct. 31.—One of the social events of the year was a very pretty wedding which occurred in the cathedral this afternoon at 4:30 being the marriage of Miss Hortense Virginia Daniels, daughter of Dr. J. W. Daniels, and Henry Benjamin Hill, of Chicago. The ceremony was performed by the pastor, and Mrs. H. E. Whitney presided at the organ for the occasion. The ushers were Messrs. George F. Chase and C. K. Crawford. Faribaut, Minn., Oct. 31.—The groom was attended by his brother, J. W. Hill, of Chicago. The church was handsomely decorated with palms and white chrysanthemums. Congratulations were received from friends in nearly every state in the union, also many from abroad. The happy couple left by train for the South. They will be absent about a month.

TWO CHIEFS OF POLICE. Lively Row on Between Mayor and Council of Mitchell.

Special to the Globe. MITCHELL, S. D., Oct. 31.—The fight between Mayor Seaman and the city council goes merrily on, and as a result Mitchell has two chiefs of police. Chief Hall, appointed by the mayor, and Chief Rogers, appointed by the council. Upon Mr. Seaman's return from the cattle ranches west of Chamberlain, he discharged Mr. Rogers, who, however, regardless of this, remained on duty. Mr. Hall, who was the only candidate for the office, was reappointed, he having been discharged by Ald. Pollars, president of the council. Mr. Rogers' absence from Mitchell, S. D., Oct. 31.—The superintendent of schools in Outagamie county has annulled the certificates of Catholic sisters who were employed as teachers in public schools. The only grounds alleged for the act are that they were the attire of a Catholic order. The case has been held before Bishop Messer and an appeal may be made to court.

SOUTH DAKOTA PROHIBS. They Propose to Make an Aggressive Campaign.

Special to the Globe. HURON, S. D., Oct. 31.—The conference of prominent prohibitionists was only lightly attended. It was decided to place a straight prohibition ticket in the field and ask the national committee for aid. Chairman Hill and Secretary Hunt will correspond with speakers of national reputation and prepare a list as early as possible. The Non-Partisan association, Junior League and other temperance organizations will cooperate with the prohibition party. SAFE FROM HARM.

FITZ AND JULIAN PREFER LITTLE ROCK TO HOT SPRINGS.

STILL HELD AS PRISONERS.

THEY AGREE READILY TO A POSTPONEMENT OF THEIR CASE.

SPORTS FILLED WITH DISGUST.

Cries of Disappointment Echo Through the Court—Uncertainty at Hot Springs.

LITTLE ROCK, Ark., Oct. 31.—"I am perfectly willing that this case be continued until tomorrow," said Martin Julian in Judge Martin's court this afternoon.

Had a bomb been exploded in the temple of justice it would have created scarcely less sensation among the crowd of interested spectators than did these words.

"Oh, what a fluke!" "He don't want to go to Hot Springs!"

"Well, what do you think of that?" These are fair specimens of expressions of disgust which passed from mouth to mouth as the disappointed crowd sailed out of the court room close on the heels of Julian and Fitzsimmons as they made their way back to the Capital hotel in custody of two deputy sheriffs of Pulaski.

An hour before the time set for the hearing a dense throng of people had crowded each other in the corridors of the court house in their desire to obtain admittance to the room within which Fitzsimmons and Julian were to answer to warrants charging them with contemplating an assault upon James J. Corbett and requesting to keep the peace. Julian had told every newspaper man who came within hailing distance that he was just aching to reach Hot Springs. All morning he had been saying that he would be released on bond and go to Hot Springs tonight and there claim the \$2,500 forfeiture from the Florida Athletic club, after receiving notice that Fitzsimmons was ready to fight Corbett tomorrow on any terms he might name.

Julian early in the day received a telegram from Hot Springs stating that Col. W. G. Murphy would be here to defend him in behalf of the club. When the Hot Springs train came, however, it was found that the lawyer was not aboard and would not arrive until tomorrow. Then Julian said he would plead his own case. He would go into court and demand that the \$2,500 forfeiture be forfeited, and proceed to Hot Springs and force Corbett to fight or leave the country.

SAFER IN LITTLE ROCK. In anticipation of hearing the pugilistic manager plead his own case and that of Fitzsimmons a large crowd assembled, and when, after a motion for continuance was made by the state, Manager Julian arose and said, without hesitation, that he was until tomorrow, those ardent admirers of the New Zealander who have firmly maintained that Julian and Fitzsimmons are anxious to reach Hot Springs could hardly believe their ears.

Fitzsimmons and Julian came in this morning at 9:40 from Pine Bluff in charge of Sheriff Dillard, of Miller county, and Deputy Sheriff Heard, of Little Rock. The party were at once driven to the Central hotel, and Julian and the New Zealander were interviewed a few minutes after their arrival. Julian said that Brady's statement, as he had been rushed into Gov. Clarke's office at Texarkana is utterly false. He explained that he and Fitz were in charge of Sheriff Houpt from Marshall, and that Houpt was positive in his assertion that he would get them safely through to Hot Springs. Houpt had a warrant for their arrest and they had nothing to do but go with him. When Sheriff Dillard placed the fighter and manager under arrest Sheriff Houpt was also arrested. Julian says that Deputy Cooper's statement, as he had been rushed into Gov. Clarke's office at Texarkana last night, that every opportunity had been afforded

Fitz to elude Sheriff Dillard, is entirely false. There was no special train waiting for them. Vendig was there with a Cotton Belt railroad official and wanted Fitz to go over that line, by way of Little Rock. Julian said this was a scheme of Vendig's and Cooper's, who is identified with the citizens' committee of Hot Springs, to delay Fitzsimmons' arrival at Hot Springs until after Oct. 31 in order to exclude him out of the \$2,500 forfeit money. Julian accused Corbett, Brady, Vendig, Dan Stuart and the Florida Athletic club, together with the citizens' committee of Hot Springs, of collusion to avoid the payment of the forfeit. Manager Julian said that Corbett and his co-conspirators have done everything in their power to avoid fighting Fitzsimmons, but that as soon as he and Bob reach Hot Springs Corbett will be forced to fight or lay down his hands. When he was at Hot Springs it became evident to him that Corbett was hand in glove with the people there, and that he (Corbett) did not intend to live up to his agreement.

MUST FIGHT TO A FINISH. Julian said that the deputy sheriff, Cooper, who roasted Fitzsimmons in his Texarkana interview last night,

CARDINAL SATOLI

ELEVATION OF THE PAPAL DELEGATE IS OFFICIALLY CONFIRMED.

CATHOLIC SATISFACTION.

ARCHBISHOP IRELAND EXPRESSES PLEASURE UPON HEARING THE NEWS.

THE CHURCH WILL REJOICE.

Eminent Fitness of the Great Prelate and a Reward for His Noble Work.

WASHINGTON, Oct. 31.—Mgr. Satoli today received official notice of his elevation to be a cardinal. The first announcement came by letter, and this was followed by a cablegram to Cardinal Gibbons reading as follows:

"To the Most Eminent Cardinal Gibbons—I am most happy to inform you that the holy father, having decided to confer the cardinalate upon the apostolic delegate, Mgr. Satoli, your eminence will be delegated to impose the cardinal beretta, his holiness intending in this to perform an act gratifying to your eminence. —Bampollo, Cardinal."

The cablegram reached Cardinal Gibbons at Baltimore this morning, and he left on the first train for Washington to congratulate Mgr. Satoli on his elevation. Mgr. Satoli bore his honors gracefully but quietly. To the hearty well wishes of the cardinal and others he responded with sincere expressions of thanks for the profound honor conferred upon him.

Dr. Rooker, secretary to the delegate, made this announcement: "Mgr. Satoli will be created cardinal at the consistory assembling about the middle of November. He is not to go to Rome for the ceremony of receiving the beretta at this consistory. Cardinal Gibbons will be delegated to act for the pope in conferring it. Mr. Barrett, the auditor of the delegation, will act as papal legate at the ceremony, and give the beretta to Cardinal Gibbons in his imposition. The beretta will be brought from Rome by one of the noble guard, who will leave Rome the day after the consistory. The ceremony will consequently probably take place early in December at Baltimore. Mgr. Satoli will not leave America at present, but will continue at the head of the delegation."

The exact date of the assembling of the consistory at Rome has not been announced.

When the attention of Archbishop Ireland was called to the fact that the red hat had been given to Monsignor Satoli he was manifestly greatly pleased, and said:

"The elevation of Monsignor Satoli to the cardinalate is the crowning act in the career of a noble and distinguished man in the United States, and at the same time a solemn recognition of his own personal merits, and the complete delegation was an innovation in the government of the Vatican. Monsignor Satoli, while Cardinal Gibbons generally hailed with delight the delegation, a certain number of his admirers, especially those bringing the authority of Rome nearer to American Catholics, localizing it among us, and the completion of the effort to receive from his delimitation. The duties were made most difficult; yet admirable in mildness and strength has been throughout his administration. He has been especially successful in his rare Christian piety. He is the saint, the scholar, and the Christian statesman, and especially in his favor in the eyes of American Catholics, and the completion of the intelligence of the spirit, the institutions of our country, and of the proper position to be held by the Catholic church toward America. All his many addresses to Catholics, as well as his official rulings, command the highest respect of the people, and the spirit of liberty, to her democratic regime. He wishes the church to be while Catholic in her doctrines and in her habits and local coloring. In his teaching and in his example he is a noble American, a thorough supporter of law and order, and cannot be a loyal Catholic. Yes, American Catholics have reason to rejoice in the elevation of Mgr. Satoli to the cardinalate."
