IN MCKINLEYDOM, TOO

ELECTIONS IN MANY STATES.

ONLY LOCAL ISSUES IN THE MUNICIPAL CONTESTS IN MINNESOTA.

BALLOTTING IN THE DAKOTAS.

Convention Squabbles Fought Out in the North State—Results in Iowa and Michigan.

CINCINNATI, O., April 6.—Exceptionally pleasant weather prevailed over Southern Ohio today for the municipal and township elections. Many women voted for members of school boards and some of that sex were elected, but the percentage of women voting was small. The returns show Democratic gains over last fall, when the state gave its largest Republican plurality. No political issues were at stake anywhere outside of the political control of local affairs. Some towns and some townships have gone Democratic for the first time since the presidential election of 1892. At Lima the Democrats elected Dr. S. A. Baxter, the friend of Senator Brice, mayor by 300, and the Republicans elected the rest of the city ticket and council. At Greenville the Democrats made gains, the ticket being divided. There was no election in Cincinnati, but the suburban returns show Democratic gains over last November. At Hamilton, the home of ex-Gov. Campbell, the vote was 2,000 short, the Democrats electing everything except one assessor, by pluralities of 800. At Urbana the Republicans elected all by 400. At Marysville the Republicans elected their entire ticket. At Millersburg the Democrats elected their entire ticket on a very tight vote. At Caldwell, a Republican stronghold, the Democrats elected the mayor and city clerk, the Republicans getting the rest of the ticket. At Van Wert, for the second time in the history of that city, a Democratic mayor was elected by 150. The rest of the Republican ticket had an average plurality of 400.

CLEVELAND, O., April 6.—The election in Cleveland today was for school directors, three members of the school council and eleven members of the city council. The Republicans elected all their candidates, with the exception of one member of the city council, by pluralities of 7,000 and upwards.

The Republicans carried the city of Akron by a plurality 300 greater than one year ago. A combination ticket, headed by Sandusky, making small gains over last spring. At Fremont the Democrats made small gains. At Oberlin and Medina the Republicans won as usual. At Massillon the Democrats elected the mayor and council, the remainder of the ticket being divided. At Alliance the Democrats reduced the usual Republican plurality of about 700 to less than 100 on all offices except mayor. A combination ticket, headed by Ashabula, party lines being disregarded. The Republicans won at Fostoria. At Youngstown the Republican candidate for mayor was defeated by 225, remainder of the ticket was affiliated with the A. P. At Delaware the Republicans elected all their candidates. At Findlay the Republicans made a clean sweep.

At Wapakoneta the Democrats elected J. J. Connaughton mayor. At South Charleston, the old home of Whitelaw Reid, the Democrats elected their first mayor. At Dayton, Jacob Linkewiler, Democrat, was elected mayor by five votes. At Chillicothe and Madisonville the Republicans and Democrats divided the ticket equally. At Circleville the Republicans made gains, at Troy, Piquette, Springfield, Findlay and London the Republicans elected their entire tickets. At Wooster the Republicans elected most of their ticket. At Zanesville the Republicans were successful.

AT COLUMBUS. COLUMBUS, O., April 6.—There was little interest in the city elections and a light vote. S. N. Cook (Rep., for clerk of police court) was defeated for re-election by W. S. Trusting (Dem.) by 100 votes. L. E. Andrews (Rep.) was elected justice of the peace over F. A. Siegel.

WEST DEMOCRATIC. Republican Losses Reported From All Parts of Michigan. DETROIT, Mich., April 6.—Today's city and township elections in Michigan resulted in Democratic gains in many of the smaller cities, many, unexpectedly, decisively Democratic victories in the city. The townships for the most part retain the Republican majorities. In Grand Rapids the Democrats elected the mayor and council, the remainder of the ticket being divided by 200 to 1,200, excepting Sol (Rep.) for mayor, who is believed to be elected over Stebbins (Dem.) by less than 100 majority. Prof. Samuel Dickie, the prohibitionist national leader, was elected mayor of Albion by 13 plurality over McCutcheon (Dem.). In Saginaw the Democrats elected their entire city ticket. In Bay City the Democrats elected a recorder. The council will be a tie. Jackson went Republican by good majorities. Kalamazoo, Lansing, Bennington, Muskegon and Owosso went Republican by decisive majorities. Sault Ste. Marie elected all Republicans, a reversal of the result of a year ago. Manistee, Flint, Grand Haven, Stanton, St. Ignace, Marshall, Traverse City and Coldwater elected Democratic mayors, in some cases reversing last year's majorities. There was but one ticket at Marquette. Marquette man elected Galtup (Rep.) by 80 majority. Although local issues predominated in many towns politics cut a decided figure in nearly all cases and Democratic gains were the rule, generally speaking.

IN IOWA. DES MOINES, Ia., April 6.—The city election in Des Moines today resulted in a Republican victory for the entire ticket, except two aldermen out of nine, the latter being a gain of one for the Democratic party. The majority for the ticket ranged from 100 to 2,500. The ordinary majority for the Republican party is 800. In Keokuk the Republicans elected four out of six aldermen, a gain of one, and elected Hoagland assessor by 150. In Dubuque what was known as the citizens' ticket was elected by 1,600 majority. It was endorsed by the Republican party. Patrick Duffy was the candidate for mayor against the incumbent, Mayor Olinberg, who ran on the Democratic ticket. Three out of five aldermen were elected. A gain for the Republican party.

IN SOUTH DAKOTA. Special to the Globe. YANKTON, S. D., April 6.—Republicans elected their ticket at the city election today, and have recaptured the administration of affairs from the Populists.

Election in Montana. BUTTE, Mont., April 6.—The city election today was for eight aldermen. The Demo-

A LOVE KNOT TIED

THE MARRIAGE OF EX-PRESIDENT HARRISON AND MRS. DIMMICK SOLEMNIZED.

A WHITE LILAC WEDDING.

THE CEREMONY WAS WITNESSED ONLY BY RELATIVES AND INTIMATE FRIENDS.

GEN. TRACEY ACTED AS BEST MAN.

After the Ceremony Gen. and Mrs. Harrison Took Their Departure for Indianapolis.

NEW YORK, April 6.—The marriage of Mrs. Mary Lord Dimmick to Gen. Benjamin Harrison was solemnized at St. Thomas' church this afternoon at 5:45. Dr. Wesley Brown, rector, officiated at the ceremony. The marriage, which took place in the presence of twenty relatives and friends of the bride and groom, was a very private affair. The edifice was not decorated in the lavish style that marked the nuptials of Miss Vandebilt and Miss Whitney, the two most important weddings of the season, but the flowers used, lilacs and acemion lilies, were arranged in exquisite taste, and the chancel looked even prettier and more effective than at the two previous weddings. Mrs. Dimmick arranged all the details regarding the decorations. The altar was relieved with palms, tropical plants and banks of white lilacs, surmounted with branches of acemion lilies.

The guests, as they arrived at the church, were received by E. F. Tibbets, Gen. Harrison's private secretary, and Daniel M. Ramsdell, who was marshal at Washington during Gen. Harrison's administration, and were seated in the front pews of the church. At 5:30 Mrs. John F. Parker, the bride's sister, was escorted to the front pew on the left by Mr. Ramsdell, and simultaneously, Mr. and Mrs. John F. Parker were escorted to the front pew on the right by Mr. Tibbets. Gen. Morton, with his military staff, occupied the pew directly behind Mr. and Mrs. Parker, and behind him sat Senator and Mrs. Stephen J. B. Elkins, Mrs. J. W. Foster and George Boyd. In the pews behind Mr. and Mrs. Pinchot sat the bride's relatives and friends, Maj. and Mrs. Richard W. Harrison, Mr. and Mrs. W. H. Gill, the Misses Dimmick, and Mrs. Briggs, Mr. and Mrs. Leeds, Norman Leeds and the Misses Leeds, Mr. and Mrs. Broughton and Miss Lambert, Gen. and Mrs. Fitz John Porter and the Misses Porter.

Patterson, mayor, by a majority, and the entire Democratic ticket, all being well-known Republicans. John Yegen, the non-partisan candidate for mayor, was supported by the administration people, and Gov. Allen's appointees on the penitentiary board.

Special to the Globe. LANGDON, N. D., April 6.—There were two tickets in the race here today, one headed by Capt. Pat McHugh, a local leader, and the other by Frank Mercer, a hardware dealer, for mayor. Much bitterness was shown and a few fights ensued. The result was a surprise, the winning party by fifty votes and the whole ticket going through with him except one alderman.

Special to the Globe. WAHPETON, N. D., April 6.—The city election today was a close and hard-fought contest. Both parties had tickets in the field. Democrats elected J. P. Reeder, mayor; R. W. Beatty and Nath Kraker, aldermen; Republicans got James Purdon, alderman; Joseph V. Over, treasurer, and H. B. Sleeper, city justice.

Special to the Globe. OTTAWA, Ont., April 6.—Preparations are being made in a general election, and both parties are sending out campaign literature. Many hold the opinion that the government will dissolve before the 24th. In any event, the first week in June is fixed for the elections.

Special to the Globe. HARTFORD, Conn., April 6.—City and town elections were held in Hartford, Bridgeport and Stamford today. The contest in Hartford was a keen one, the Democrats succeeding in retaining the majority. In Bridgeport the Democrats did not choose a mayor. The Republicans won almost every ward in Stamford.

Special to the Globe. HELENA, Mont., April 6.—Dr. Steele, Democrat, was re-elected mayor today by about 300 majority. Prolonged ill health had caused temporary insanity. He cannot recover.

Great Day for Langdon. Special to the Globe. LANGDON, N. D., April 6.—The opening of the new passenger service to Langdon from Fargo by the inauguration of the Langdon express was a significant event in the history of this line. The train, which left Grand Forks behind time, was still further delayed by great crowds which boarded it at every station. At Park Rapids nearly two people made up an excursion party and went to Langdon with their band. At Milton the band got aboard along with many citizens. The train arrived here nearly two hours late, with six coaches, and was met by a large crowd of citizens. With the bands the visitors spent two hours in town very pleasantly, and to the music of three bands the train started on its return trip.

No Sooners on the Reserve. Special to the Globe. FOSTON, Minn., April 6.—The report brought in by cruisers that the sooners are making ready to start on their new reservation, building shanties and log cabins, is denounced as untrue by the farmers along the boundary line. The only squatters are those who have appeared last week on the southeast side of the reserved land. The report that other settlements have been made is said to have been gotten up by interested parties who wish to have the United States marshal to patrol the boundary line. The interest of the reported fight between Foston and Park Rapids settlers on the Little France line ranges here, notwithstanding the fact that they are compelled to pay about \$2 more per head than a year ago.

Printing Office in a Tent. BERMINGHAM, Minn., April 6.—The first issue of the Beltrami Eagle appeared last week. C. W. Speelman, formerly editor of the Verndale News, is the editor. The paper is published by the Beltrami Publishing company, and they have issued the first few copies from a tent, as there is not a vacant room to be had in the city. The two saw mills are unable to cut lumber as fast as it is called for. This place is only a few miles from the reservation, and people are congregating here in large numbers waiting for the opening.

Good Stock Season. RAPID CITY, S. D., April 6.—The winter of 1895-6 will be remembered as the best cattlemen have ever experienced. Cattle are in splendid condition now, when they would be thin if at all; grass has an early start, and has yielded the first few crops from a tent, as there is not a vacant room to be had in the city. The two saw mills are unable to cut lumber as fast as it is called for. This place is only a few miles from the reservation, and people are congregating here in large numbers waiting for the opening.

Badger Burglars. MADISON, Wis., April 6.—Madison was the scene last night of a robbery. The thieves, who, from their work, were evidently professionals, entered the dry goods store of Hinrichs & Thompson and robbed it of goods to
