

SAINT PAUL.

PLUMBERS HAVE A KICK.

Journeyman Not Satisfied With Their Present Treatment.

The journeymen plumbers will hold a special session at Assembly halls this evening for the purpose of discussing the wage question, and will also take action on the present hour system, which is creating considerable dissatisfaction among the members of the Union.

The cooper has secured the adoption of a new scale which gives them an increase in wages from \$2, the old rate, to \$2.25 per day.

The Allied Printing Trades Council will hold its quarterly meeting at Assembly halls this evening. Important business will come up for discussion, and a full attendance is desired.

A meeting of the bindery girls of the city will take place at Assembly halls tomorrow night. A reorganization of the bindery women's union is contemplated, and will probably be consummated at this meeting.

Captured at La Crosse.

Andrew Rice, formerly in the employ of the Northwestern Supply company, was arrested yesterday at La Crosse, Wis., on a telegram from this city.

ONE FORM OF COINSURANCE Not in Conflict With the Law of the State.

Attorney General Childs has finally found one field of fire insurance where, in his opinion, the contract of coinsurance is not in conflict with the law of Minnesota.

Calling attention to General Laws 1889, chapter 175, section 25, you inquire whether the contract of coinsurance is in conflict with the law of Minnesota.

It is difficult to see any valid reason for the incorporation into the foregoing provisions of the automatic sprinkler clause.

It is almost disposed of the view that the clause is wholly nugatory, as being directly at variance with the manifest purpose of the legislature.

In view of the questionable validity of the clause in question, it ought to be restricted within the narrowest limits.

WIDE OF THE MARK

HAVE BEEN THE NEWSPAPER SURMISES ABOUT THE SCHOOL BOARD'S WORK.

NO RADICAL SALARY CUTS.

FEW, IF ANY, PRINCIPALS WILL BE DISTURBED, ACCORDING TO REPORT

SOME TEACHERS MAY BE DROPPED

The Work of the Subcommittee to Be Submitted to the Board Monday.

Next Monday a very important meeting of the school board will be held. At that time the subcommittee which has been making up the schedule of salaries and list of teachers will report.

In taking up the work assigned it the subcommittee has kept foremost in mind the necessity for maintaining unimpaired in the slightest degree the present high standard of the St. Paul schools.

While none of the members of the subcommittee will give out any definite information relative to the character of its forthcoming report, talks with all of them tend to show that certain surmises already published are very wide of the mark.

There will be no cutting off of principals, and the vacancy in the list occasioned by the resignation of Miss Shanley will be filled by appointment of a new principal for the Franklin school.

All vacancies in the teaching force will be filled, with very few exceptions. Some teachers will be discharged "for cause," or, rather, they will not be reappointed; but the reduction in number will be small.

Already the subcommittee has completed and agreed on the schedule of salaries. Of course, anything which might be said about the different items in the list occasioned by the resignation of Miss Shanley will be mere guess work.

As soon as the salary list was satisfactorily made up the subcommittee at once began work on the list of teachers, and the make-up of that is now engaging their attention. By the time the list is complete, but it will not be announced until the board meets on Monday.

The meeting will, it is expected, settle the whole matter of salaries and teachers before adjournment. While nothing official can be learned in regard to the rumored consolidation of the manual training with the central high school, there is little likelihood that these two will be put together until Monday evening.

Progress was reported in the fight against a St. Paul manufacturer of cigars, and the committee adjourned to meet again, subject to the call of the chairman.

TO MARK THE PLAT

SOLDIERS' REST AT OAKLAND TO BE DECORATED BY THE GOVERNMENT.

PYRAMIDS OF CANNON BALLS

AND ONE CANNON WILL BE PLACED THERE AS A MONUMENT.

THE PLANS FOR MEMORIAL DAY.

Rev. M. D. Edwards Will Deliver the Sermon the Sunday Preceding May 30.

The old soldiers of St. Paul, and all citizens who believe that due honor should be shown the nation's dead, will be pleased to learn that Congressman Kiefer has had passed a bill providing for an appropriate monument on the soldiers' rest in Oakland cemetery.

Capt. Charles J. Aker, post commander of Aker post, G. A. R., not long ago suggested to Congressman Kiefer the propriety of securing by act of congress a monument for the plat in Oakland, called "Soldiers' Rest."

Congressman Kiefer thought the expense of a monument would be too great, but promised to see what he could do. The result is that a bill has been passed providing for the placing on the soldiers' rest in Oakland cemetery pyramids of cannon balls—not exactly a monument—but practically as good as one. Just when the cannon will arrive is not known.

The arrangements for the celebration of Memorial day are progressing satisfactorily, under direction of Garfield Post. Rev. Dr. E. P. Ingersoll, of Park Congregational church, will deliver the Memorial day address in St. Paul. This was decided upon at the last meeting of Garfield Post.

Upon invitation all the posts in the city, on the Sunday preceding Memorial day, will attend the funeral services at the United Evangelical St. Paul's church, Rev. Theile is an old German soldier, having served as chaplain during the Franco-German war, and he was a member of the G. A. R. for several years. This service is more particularly for the German-speaking veterans.
