

R. DENZER, DECEIVER

HE STRIKES OUT FIVE OF THE COLUMBIANS PLAYERS IN SUCCESSION.

PITCHED A BRILLIANT GAME

AGAINST CANTILLON'S COMPANY OF CAST-OFF COLUMBIANS YESTERDAY.

ST. PAUL NOW ALONE IN SECOND.

Kansas City Fought a Draw With Indianapolis-Milwaukee Beats Grand Rapids.

St. Paul 22, Columbus 16. Kansas City 4, Indianapolis 4. Milwaukee 8, Grand Rapids 4.

Table with columns: Played, Won, Lost, Per Cent. Rows for Detroit, St. Paul, Kansas City, Minneapolis, Milwaukee, Indianapolis, Columbus, Grand Rapids.

GAME SCHEDULE FOR TODAY.

Columbus at St. Paul. Indianapolis at Minneapolis. Detroit at Kansas City. Grand Rapids at Milwaukee.

Columbus got the same treatment yesterday that the original club received four centuries ago—namely courtesy and an old soldier.

Who said Roger Denzer, late of St. Peter, could not pitch?

Was it that old war-horse, Pete Browning, the gladiator?

Not he. He struck out.

Was it little Tommy Campbell, the Buckeye catcher?

No. He struck out, too.

Was it the quiet, the tactician Wheelock?

No. He went with the others?

Could it have been the new man, McCormack?

No. He did not hit the ball.

And it surely was not Boswell, the college surfer?

No, for he swiped the air three times, viciously.

Come to think of it, it must have been some one who was not in the game yesterday.

Why, if there were many pitchers like "Denzer" the league would have to move the rubber clear back to second base.

Did you see those curves yesterday. Struck out five men in succession as quickly as they could come up and face him.

Pretty good for a lad from the country. Will Roger Denzer do? Ask any fan who was at yesterday's game, and they will say the same.

Tony Mullane will not have to save all the games now.

There was supposed to be some pretty good pitching talent in yesterday's game.

Mr. Boswell—Andrew Boswell, he was known at college—as a few inches over six feet high, and but for the length of his legs could weigh in as a cob rider at a rural fair.

He must weigh 113 or 114 pounds, looking at him from the grand stand. He has to pull his cap down over his eyes to make a shadow.

Then he hides the ball in his two hands. Then he breaks the bunch and reaches one hand around behind him, the other to the other side.

While the batsman is wondering whether he is a south-paw or a north-paw, Mr. Boswell's right mitt described the arc of a circle whose plane intersects first and third bases, and after whirling the ball for five or six seconds behind him, the ex-collegian lives his hold on the ball and it comes toward the grand stand.

Sometimes it came over the plate yesterday, but not always, as seven bases on balls testify. It is quite a mysterious delivery—to people in the grand stand. Those who are real close, say the St. Paul batsmen, for instance, could see it all, as the twenty-two hits made by them in yesterday's game will also testify.

Tim O'Rourke walked to first base yesterday while Boswell was trying to locate the home base.

Charles, the pitcher, is evidently not a part of Andy's college course. Kraus and George managed to hit those curves and straighten them out.

Burns walked out. Burns walked to sacrifice, but Andy picked Kraus off at third. Pickett forced George out at the same base and a double play should have resulted, but McCormack threw the ball over Joe Cantillon's head and Jack was safe.

Then Glasscock and Shugart hit two bases, and Spies, Johnson and O'Rourke singled. Seven runs resulted. St. Paul's share in the first inning.

Columbus started out well. Johnston gave two bases, and Pickett let Cantillon's grounder go through him, which filled the cushion.

the fourth, while Columbus again failed to reach first base. Kraus hit safely and Burns put the ball over the fence a few feet from the big advertising hoarding, making the score 15 to 4. Johnston was then tickled by striking out Butler, Cantillon hit to Shugart, who toyed with the ball for an instant, but got it to first, in the general opinion. Little earlier than Cantillon's arrival, Snyder, who was doing the base decision, however, declared him safe. Sharpe was hit by the ball on that portion of his arm which is known as the bony bone. Then came three straight hits and Wheelock a base on balls. McCormack flew out to Burns, and the fourth run of the inning came in on the throw.

Spies wanted a hit after two were out, and the locals did not score. Denzer went in here to save the game. Callopy took Peck Sharpe's place at second. Grounders to Shugart and Pickett and a fly to Burns retted the Buckeyes in short order, and it was 15 to 9.

Tim O'Rourke flew out to McCormack. Kraus waited for four, but George went out on a grounder to Wheelock. Another base on balls and the locals took a hitting streak of three, netting three more runs, 18 to 11. Tommy Heron hit safely, the first hit off Denzer. The next three came up, and in one, two, three order struck out. Denzer was cheered to the echo.

Two more bases on balls in the eighth were followed by George's single, Burns' fly to center field, and Callopy's fumble, all giving the locals another gain of 3.

Denzer struck out two more and the enthusiasm increased each time. Finally Butler managed to hit the ball, but only for a fly to right field.

Spies went to first on balls in the ninth, and hit by Denzer and O'Rourke brought him around. Kraus also got his base. A double play started by Wheelock ended the inning, when the bases were full with only one man out.

Cantillon was hit by Denzer, and Tommy Heron again hit safely, this time for two bases. Joe scored, and that was the final score, 22 to 16. The score:

COLUMBIAN SNAP SHOTS. Columbus again today, "Bumpus" Jones will probably pitch for the visitors.

When Cantillon came to bat he was enthusiastically applauded by those who were camped in the umpire.

Capt. Pickett says it was the first time he ever was hit with the ball on the head.

The carping, captious and critical base ball writer of an evening paper will do well to clean some of the corners out of his mind before he begins to write.

Sharpe has the unusual record of three runs without a time at bat charged.

Phyle is on the bench. It is reported that he and Manager Comiskey have had a disagreement about the policy of the team.

St. Paul's team batting average was given another little lift yesterday. It is now .368.

Burns lifted his folding average yesterday to .332, only eight points behind Kraus.

Glasscock was the first of the St. Paul team to get 100 times at bat. It was in the fourth inning of yesterday's game.

If St. Paul should take two more from Columbus and Kansas City take three from Indianapolis, the tie would be broken and Kansas City will be a tie for first place.

Manager Loftus has signed a St. Louis player named Sheehan.

Bill Wilson, who played with Minneapolis last year, is in the grand stand at the visitors' bench yesterday. He is disabled and out of the game temporarily.

The Wolverines proved easy at St. Paul yesterday. The Southern leaguers went up and pitched, and the grand stand was not in it. Fielded had a little game on his own hands, and his delivery was batted all over the Indianapolis News.

It is worth the price of admission to watch Howell pitch. He reminds one of Willie Mays, who used to pitch for Minneapolis. He is a college boy, and, of course, wears long hair. He has a motion when he pitches that cannot be described. He does not look like a jackknife, twists around like a contortionist, swings his arm like a revolving door, and then he is in.

Timothy Smith closed the round by breaking foul for the third time during the bout, and Referee Daly, after repeated warnings, awarded McCoy to McCoy on the foul break. Joe Walcott challenged the winner at 152 pounds for any time and place.

department was very weak today. Seymour's win in the box being the poorest seen here this season. He gave ten bases on balls, nine of them ending in runs. Terry, for the Chicago's, pitched a magnificent game, and was well supported. Weather cloudy. Attendance, 1,200. Score:

REDS WON EASILY. CINCINNATI, O., May 18.—The Reds batted Lucius Taylor with ease. Foreman was a puzzle to Philadelphia. Grady was knocked senseless by colliding with Hoy at the plate in the first inning, but recovery proved sufficiently to continue the game. Attendance, 2,600. Score:

Table with columns: R. H. E. Rows for Cincinnati, Philadelphia, Boston, New York.

WILDNESS BEAT THE CLEVELANDS. LOUISVILLE, Ky., May 18.—Hill's wildness, Treadway's poor fielding and the home team's failure to hit McLaughlin kept them from the game today. Manager McGinnis protested the game on Umpire Hurst's decision in sending Joyce up two bases on a blocked ball. McLaughlin had a finger split in the seventh inning, and McGuire took his place. Attendance, 1,200. Score:

Table with columns: R. H. E. Rows for Washington, Louisville, Cincinnati, Philadelphia.

CLOSE GAME AT ST. LOUIS. ST. LOUIS, May 18.—Twelve hundred persons saw one of the closest and best-played games of the season here today, in which the Bostonians won by a narrow margin. Both Hart and Nichols pitched superb ball, and their support was of the best. Neither team could make more than six hits off the other's delivery. Score:

Table with columns: R. H. E. Rows for St. Louis, Boston, Cincinnati, Philadelphia.

ERRORS WON FOR CLEVELAND. CLEVELAND, O., May 18.—Errors by Donnelly and Clark, of the Baltimore, and a two-bagger by Blake gave Cleveland two runs and the game in the ninth inning today. Attendance, 2,500. Score:

Table with columns: R. H. E. Rows for Cleveland, Baltimore, Boston, New York.

NO GAME AT PITTSBURG. PITTSBURG, Pa., May 18.—Pittsburg-Brooklyn game postponed. Wet grounds.

LATHAM LET OUT. Rumor Says He May Come to St. Paul to Play.

ST. LOUIS, Mo., May 18.—Walter Arlington Latham, ex-captain-manager and late first baseman of the St. Louis Browns, was unofficially released by President Von der Ahe today. Outfielder Tim Sheehan was also given ten days' notice of his release. It is said that Latham has an offer to go to Louisville or St. Paul and play ball.

HUTCHINSON WANTS A TEAM. HUTCHINSON, Minn., May 18.—Hutchinson has been negotiating with Lew R. Camp, formerly of the St. Paul league team, and he was to put in a fine base ball team to play the local team at the beginning of the Hutchinson team. Camp's being sold to Grand Rapids has knocked the plan. There is a good deal of talk ready for the right man who will put in an A 1 team here.

WINONA WON FROM MANKATO. WINONA, Minn., May 18.—Winona won the first base ball game in the series with Mankato here this afternoon by a score of 21 to 12. Rank errors and good batting allowed the score to pile up.

TIGERS THIRST FOR GORE. The Tigers would like to have a game with the Western Union next Sunday. Address Hansen, 214 East Third.

BOUT AT BOSTON DECIDED AGAINST MYSTERIOUS BILLY SMITH. BOSTON, May 18.—Newton Street army was crowded tonight to witness two fifteen-round bouts arranged by the Suffolk Athletic club. Both bouts were disappointing, as the match between Mike Sears, of Boston, and Sam Kelly, of New York, was stopped by Capt. Foster at the beginning of the fourth round in order to prevent a finish, and the match of the evening between Kid McCoy and Mysterious Billy Smith was stopped by Referee Billy Daly in the sixth and awarded to McCoy on a foul break by Smith.

McCoy was hit in the head at 152. It had been agreed that Referee Daly could give a decision at any time. It was announced that if the bout were stopped, the middleweight championship and defend it. Smith soon opened the fight with a hard rush, and continuing to hit the ropes in the second and third rounds. Smith opened the fourth with a rush and clinch, and broke from the clinch by almost a foul. Frequent mixes required the prompt action of the referee. Smith rushed McCoy to the ropes, and while clinching, indulged in what looked suspiciously like the use of his teeth on McCoy's neck. The sixth opened with another rush by Smith, who closed the round by breaking foul for the third time during the bout, and Referee Daly, after repeated warnings, awarded McCoy to McCoy on the foul break. Joe Walcott challenged the winner at 152 pounds for any time and place.

IVES BEATEN. First of the Chicago Billiard Games Won by Gardner.

CHICAGO, May 18.—Gardner defeated Ives tonight in his billiard by a score of 300 to 257. Neither man played high grade billiards. Gardner's highest run being 53, which he made twice. The highest runs that Ives was able to turn out were 41 and 51. Ives had agreed to play 500 to Gardner's 300. The score by innings was as follows: Gardner—4, 14, 6, 0, 7, 25, 6, 0, 11, 37, 53, 1, 22, 5, 0, 1, 4, 1, 0, 2, 7, 53, 1, 24, 13, 1, 1, 30; average 11. Ives—0, 22, 25, 23, 3, 1, 5, 30, 0, 0, 0, 0, 0, 15, 1, 1, 31, 16, 1, 1, 0, 41, 3, 53, 17, 0, 27; average 11.

PEACE WILL REIGN

PROSPECTS OF A BITTER RATE WAR VANISH INTO THIN AIR.

REDUCED RATES ANNULLED.

PENDING A CONFERENCE OF THE FREIGHT MEN AT CHICAGO, AT LEAST.

TO DISCUSS DIFFERENTIALS.

That is the Purpose of the Meeting in the Windy City This Week.

What promised to result in the direct sort of freight rate war on business between Chicago and St. Paul has for the nonce been blocked by the action taken yesterday calling off all reduced rates on May 31. As stated in this column Saturday, the Chicago Great Western tariff quoting 15 cents on first-class business went into effect yesterday, and that line enjoyed a considerable quantity of additional consignments. The Lake Michigan Car Ferry line—the original differentials—whose cut the Great Western people met, went still lower, and Freight Agent Stohr, of the Great Western, was on the point of sending a rate to meet the new cut when he received a wire from Chairman Midgley, of the Western Freight association, saying in effect that both the Car Ferry line and the Lake Michigan and Lake Superior Transportation company had agreed to pull out their reduced rates the end of May. Coupled with this news was a request for similar action on the part of the Great Western, which was immediately acceded to, so that, although the rates are still in effect, and Mr. Stohr's road will be the gainer, the matter will probably be settled one way or another tomorrow, when Midgley has called a meeting of the Chicago lines.

At the meeting, the Car Ferry line company will no doubt ask that a differential be accorded it, but local freight men believe that no such action will be taken, basing their opinion on the precedent established in the case of the Toledo, Ann Arbor & Northern Michigan road, which added cars on boats and had them towed from Frankfort, on the east shore of Lake Michigan, to Kewanee. This line attempted to enjoy the differential accorded the regular boat lines, but the trunk lines got after them; fought the case, which was finally arbitrated, with the result that as the line did not break bulk it was practically an all-rail line, and thus not entitled to the boat line differential. No action has been taken by other Chicago lines here pending the result of the Chicago meeting tomorrow, but the freight representatives say that if a differential is granted the ferry line they will take the matter to a wider field.

The solution of the matter, which may break out into a complete demoralization of rates, lies in the attitude of the Soo road.

If the Car Ferry line insists upon a differential, the Soo people will be asked to either cut it off their list, or they will be denied the right to participate in joint tariffs in future.

The story of the trouble, much of which did not come out until yesterday, is told in a few paragraphs in the present issue.

The Car Ferry line made the first move by reducing the tariff from 50 to 55 cents. This is supposed to have been done April 17, but it was not until a week ago that a special agent of the Western Trunk line committee turned up a printed copy of the tariff. Immediately the Great Western put out a tariff meeting the reduced rates, and made it effective yesterday. Mr. General Martin, of the Soo, of the ferry line, announced a second cut to 50 cents, and matters were still further complicated by the action of the Lake Michigan & Lake Superior Transportation company—representatives of a 16-cent differential by agreement with the Western Freight association lines—in naming a rate of 45 cents, effective May 20.

It was even before this last step was taken that Chairman Midgley called the freight men to the meeting tomorrow, when General Freight Agent Martin, of the Soo, and Coleman, of the ferry line, will be present, and when an attempt to reach some understanding as to what basis of differentials shall be adopted will be made.

Freight men, as well as jobbers in the Twin Cities, are much interested in the outcome of the conference, as a rate war is among the possibilities in case the Soo sees fit to assume an independent position.

W. A. Russell and George H. MacRae, of the St. Paul & Duluth and Omaha passenger line, are expected to attend the meeting here and there will be a hearing of the three lines, when the agreement will be ratified and finally adopted with a view to putting an end to all chance of demoralizing passenger business between here and Duluth.

Farmer Hines' Road. The Duluth & Great Western Railway company incorporated today with the secretary of the "Hines" road, and articles call for a line from Duluth south across the St. Louis river, across the northwestern corner of Wisconsin, and thence west across Minnesota through Hubbard and neighboring counties to the Red River of the North. The company is a mutual affair, and the farmers along the way will do the grading, or the greater part of it, and hold stock in the road. The capital stock is \$100,000, and the incorporators are George E. Mansfield, of Greenfield, N. H.; Caleb S. Cox and Isaiah H. Bradley, of Hubbard, Minn., and John A. Keyes and Edward H. Spaulding, of Duluth.
