DIGS UP THE PAST

JUDGE NELSON OVERHAULING DOCUMENTS THAT HAVE RESTED FOR TWENTY YEARS.

IS PREPARING TO MOVE OUT.

RATHER PLEASED THAT HE HAD SPRUNG A SURPRISE ON EVERYBODY.

JUDICIAL WORK CLOSED TO DATE.

Everything Is Ready for Judge Lochren to Take Up the Thread of the Work.

Judge Nelson, of the United States district court, was busily engaged yesterday in packing up his personal effects, preparatory to moving his law library and other effects from the office he has occupied for twenty years in the federal building. He said a great lot of papers have accumulated, besides the records, which had long since passed from his mind, though a glance at their contents will readily recall the circumstances under which they were made.

The judge, whose long term will be historic in judicial annals, seemed rather pleased over the fact that he had sprung a surprise on everybody. He was well satisfied, too, that his judicial work is closed up to date, and his successor can begin on a clean sheet.

The reporter asked Judge Nelson what he thought of the resolutions adopted by Garfield G. A. R. post Saturday evening. "I have my own opinion," said the judge, speaking seriously, but evidently he did not propose to discuss the matter at length. He did say, however, that he thought it was a mistake, greater to be regretted. He had known Judge Lochren for a great many years, and said he considered his appointment a good one from every point of view.

The next term of court opens at Winona on Tuesday, June 2, and Judge Nelson said his successor will preside at the session which opens on that date. As to where the new judge will make his headquarters, that is left to his own judgment, according to Judge Nelson, and Minneapolis, his own town, will probably be the place where Judge Lochren will keep his office.

POLICE COURT NEWS.

Several Prisoners Bound Over to the Grand Jury.

Charles Thomas, the young man who was run down by Officer O'Neil on Seventh street last week and who was subsequently identified by Mrs. Johanna Boyle as the man who picked her pocket, yesterday waived examination on the charge of larceny in the municipal court, and was held to the grand jury in the sum of \$1,000.

Andrey Rice, a former employe of the Western Supply company, who was brought back from La Crosse, Wis., yesterday, on requisition papers, was arraigned on the charge of larceny in the second degree. It is charged that Rice, in his capacity of traveling agent, was given \$125, with which to purchase railroad tickets, and that the money was misappropriated. Rice was held to the grand jury in \$200 bail.

Bart M. Moriarity was accused of assault on the second degree. The charge against Moriarity to the grand jury in a bond of \$500. Moriarity was preferred by Jackson Strain, one of the proprietors of the St. Paul Garbage company. Strain attempted to drive across a piece of property belonging to Moriarity while on the way to the dump, two weeks ago, when the owner objected. There was an altercation, ending in a row, during which Strain claimed Moriarity had struck him over the head with a bicycle. Moriarity held Moriarity to the grand jury in a bond of \$500. P. J. McCarthy, John McCarthy and Charles Egan were arraigned on the charge of disorderly conduct. The complainant was J. T. Zak. Zak was a member of a bicycle party which was returning from Lake Como Sunday night, when, according to his testimony, the cyclists were attacked and beaten by the defendants. Zak claimed that he and his companions were riding slowly down the sidewalk on Como avenue, when Egan and the two McCarthy boys blocked the way and ordered them to the street. The law provides that bicyclists may ride on the sidewalks on the outskirts and the wheelmen refused to take to the street. In the fracas which followed several heads were bruised and two wheels were broken to pieces. The prisoners claimed that the cyclists were responsible for the trouble, having run down one of the McCarthy's and torn his clothes. Judge Orr, however, took another view of the affair and fined the young men \$15 each.

Comtable Walter Boyd, of Justice Rodgers' court, who was arrested several days ago on a warrant sworn out by ex-Justice Shields, charging the larceny of \$9, was discharged. The case was amicably settled out of court. Mary Wilson and Jennie Lamont, the two Minneapolis women arrested on University avenue Saturday afternoon, on complaint of Easton Ashland, who alleged that they had robbed him of a roll of bills containing \$125, were discharged. Ashland, who had deposited \$25 for his appearance, failed to show up to prosecute the charge of larceny.

Patrick Naughton, a resident of East St. Paul, was arraigned on the accusation of having stolen \$40 worth of tools from the Duluth Railroad company. The case will be heard today.

Suing for \$50,000 Damages.
Judge Otis and a jury were engaged yesterday in trying the case of George Williams against the Great Northern Railway company. Williams was on a train wrecked at Melba, Minn., about a year ago. He claims the injuries then received have practically incapacitated him for life; and in consequence he sues for \$50,000. Every point in the case is being stubbornly fought on behalf of the road by Cy Wellington.

JUDGE IN CHAMBERS.
His Opinion Appealable as Well as a Decision.
A rather important point in law was decided yesterday in an opinion rendered by Judge Thayer, of the United States circuit

court of appeals. It was in the case of Elias H. Webb, sheriff, etc., et al., against Emma C. York. Appeal from order of United States district judge, district of Colorado.

The motion of the appellee to dismiss was denied; and the point of the decision is that an appeal will lie from an order of a judge in chambers as well as from a decision of a court. That is the only point passed on by the appeal judges.

Elmberg Case Dismissed.
The case of John P. Elmberg against The St. Paul City Railway Company was dismissed in the supreme court yesterday.

The same tribunal admitted Kristoffer J. Hagan to full citizenship.

Attorneys Spreading Out.
Attorneys admitted to practice yesterday by the United States court of appeals were Stephen L. Geishardt, Lincoln, Neb.; William C. White, Duluth, Minn.; J. B. Richards, Duluth, Minn.; Henry E. Harris, Duluth, Minn.; James H. Macomber, Omaha, Neb.; C. H. Lewis, Sioux City, Ia.; D. V. Burns, Denver, Col.

Divorce for Amanda.
Amanda A. Goeddel was yesterday granted a divorce from Henry A. Goeddel, by Judge Egan. The couple were united in Pennsylvania six years ago, but Henry proved to be altogether too gay and bibulous for Amanda, and finally deserted her.

No Intention to Embezzle.
Andrew Rice arrived in town yesterday in charge of Deputy Sheriff Kinney, who brought him from Milwaukee. The money misappropriated by Rice, \$125, has been made good to the Western Supply company, and he asserts there was no intention to embezzle or avoid payment.

COURT NOTES.
Herman C. Ludtke, who was sued by Martin Stielplager for damages caused by forcible entry, was given a favorable verdict and dismissed, by order of Judge Otis.

Judge Egan has continued until June 27, the question of fixing alimony in the Wallace divorce case.

John Sauerwein, who last year erected a big brick block on West Seventh street, is having all sorts of trouble in court now, through mechanics' lien cases. E. J. Kirkland is the latest to enter suit. William Paulsen sold Kirkland an account against Sauerwein for \$10.41, and Kirkland now sues to recover.

WATERWAY OF WOOD

THE WATER BOARD ORDERS TWO MILES OF CONDUIT FROM CENTERVILLE LAKE.

CONTRACTS ARE AWARDED

FOR THIS JOB AND THE LAYING OF SEVERAL CITY STREET MAINS.

PARK BOARD WATER PROBLEM

Is Deferred for a Time on Account of the Absence of Commissioner Lindke.

The water board awarded several contracts yesterday afternoon. The largest of the lot was the contract for constructing a wooden conduit over two miles in length and 42 inches in diameter from Centerville Lake and the artesian well plant south to the conduit leading to Otter lake. There were seven bidders, the lowest bid being that of Henry & Cox, who secured the contract. Their bid was \$7,846.50.

Five bids were received for laying water pipes in the city. Two contracts were advertised for, one for laying 800 feet of pipe on Duke street, which was awarded to J. T. Millon at \$1.33 per foot, and the other for all other pipe to be laid. Patrick Doherty secured the latter, at an estimated cost of \$4,108.

Nicholas Feyen secured the contracts for hauling material from Centerville station to the Centerville well plant, a distance of three miles, on a bid of 19 cents a ton. He was also awarded the contract for hauling material from the city country to Centerville lake at \$2.64 per ton.

The city engineer's plans and specifications for an intake chamber to be placed at Centerville lake at a distance of 1,600 feet from the shore, were submitted and approved, and the secretary authorized to advertise for bids. The board proposes to supply the city with water from the lake as well as that from the artesian well plant.

The written opinion of the corporation attorney holding that the water board is obliged to furnish the parks with water, was received and placed on file. No action was taken owing to the absence of Commissioner Lindke.

Secretary Canfield was authorized to attend the annual convention of the American Water Works association, to be held in Indianapolis May 28, 27 and 28. Mr. Caulfield is the first president of the association.

GOT NO CONCESSIONS.

Jobbers' Committee Report on Their Trip East.

Messrs. J. W. Cooper, E. A. Young and W. B. Dean, of St. Paul, and Horace Hill, O. C. Wyman and Anthony Kelly, of Minneapolis, the joint committee of the jobbers' regular session. Their report was not in the least encouraging, though the committee was continued in the hope that relief may be offered later. The railroads do not seem to be willing to make a reduction from their regular session. They report that the jobbers will simply grin and put up with it. At least that's what they'll do for the present. The committee is still negotiating with the railroads and hope to secure some concessions.

SWITCH BOARDS COME.
Branch Telephone Office Now Being Fitted Up.

It is probable that the branch telephone exchange to be established on St. Anthony hill will be in operation about July 1. The switch boards are here and the branch exchange at Selby avenue and Dale street will be in working order as soon as the switch board can be placed. The establishment of the substitution on the hill means a reduction in the price of telephone service for all subscribers living in that portion of the city, as the rate will be based upon the distance of the subscriber's residence from the branch exchange instead of from the central exchange down town.

The woman's jaw was dislocated during the trouble and she also received several severe contusions on the face,

A BOSTONIAN THROWS THEM AWAY AFTER TEN YEARS OF SLAVERY.

"Baco-Curo Will Destroy the Appetite for Tobacco in Every Case."

Telegraph Postal Dept., Boston, Mass., Dec. 21, 1895.—Gentlemen: I have been an inveterate cigarette consumer for the last ten years, smoking two packages daily, supplemented by cigars. Having used other so-called cures without avail I tried "Baco-Curo" and I am glad to say that three boxes have made tobacco, in any form, obnoxious to me. My experience assures me that Baco-Curo will destroy the appetite for tobacco in every case. Yours truly, H. B. WIGGIN.

The case of Mr. Wiggin (one of the best-known electricians in Boston) is that of thousands who testify that Baco-Curo is the only scientific, harmless and certain cure for the tobacco habit. Don't stop tobacco suddenly. Baco-Curo notifies you when to cease. It is a cure not a substitute, and is sold with iron-clad, written, guarantee to cure or money refunded.

Sold by all druggists at \$1.00 per box; three boxes (thirty days' treatment), \$2.50, with written guarantee, 60-cent direct upon receipt of price. Write for booklet and proof. Burska Chemical & Mfg. Co., La Crosse, Wis., and Boston, Mass.
