Special to the Globe. GRAND RAPIDS, Mich., May 29.—St. Paul took another step pennantward this afternoon by walking away from Grand Rapids in a game that was never close enough to prove the yellow jackets' claim for popular favor on the grounds of ball playing.

As it was, the train waited at the ball ground depot for fifteen minutes, while the comedy of errors went merrily on. Briggs, a Chicago league team pitcher, essayed to pitch for the home team.

Tony Mullane pitched winning ball and without wild pitches or other equivalent excesses Grand Rapids had no license to win.

Grand Rapids scored in the second on Smink's double and Shugart's error. Two were earned in the first inning.

AWARDED TO WALCOTT.

But the Decision Against Quinn Was Not Popular.

WOBURN, Mass., May 29.—Capt. Bill Daly, of Boston, tonight gave Joe Walcott the decision over "Sandy-Bill" Quinn, of Pennsylvania, at the end of a twenty-round contest. The 224-pounder was meted out his disapproval by a demonstration. The preliminary bout of fifteen rounds between Billy East, the New York lightweight, and Paddy Fenton, of East Boston, was decided in favor of the New Yorker, and this decision was also greeted with shouts of disapproval. Both contests, however, were warm and were loudly applauded.

Quinn opened the contest with a stiff left on the body, followed by a light exchange. Joe landed his right in the second round, and in the next round Quinn fought warily. Joe chased his man around the ring of the fourth and finally got in several hard swings. Quinn showed up better in the next round, but when the gong sounded Walcott was found the leader.

The next three rounds were the New Yorker's. In the ninth rounds were even, both men showing up strongly. In the next round Quinn was sent down against the ropes by a terrific left-hander. He rose just as the gong sounded, but the next four rounds witnessed some good work. Walcott generally leading, but receiving much praise for his work in the tenth round. Quinn's slow work characterized the sixteenth, but in the next Joe landed savagely on the face. His opponent, however, did not seem to mind it, and when the sixteenth opened, Quinn was leading. The nineteenth against Walcott, who evidently had his hands full. Hot work by Quinn in the contest. Walcott began to look tired and seemed to act on the defense. When he got the decision the crowd howled, but Capt. Daly explained that he acted only from a scientific standpoint.

First Race at Minnetonka. The inaugural race of the Minnetonka Yacht club, which was scheduled to occur this morning at 8:30, has been postponed one hour. Most of the new boats will be entered for this race. The Regatta Point Yacht Club, the Swifts, the Minnetonka and the Wablers will be in line, as also will the new Janney sloop from Peterson's yard.

McLeod Won Both Falls. ROCHESTER, N. Y., May 29.—Dan McLeod, the California wrestler, defeated Ed Atherton, of Cuba, N. Y., in two straight falls in their match in this city tonight. The first fall was gained in forty minutes, the measuring dock in the second, Mattie Lee third. Time, 1:27 1/2. Fifth race, mile and seventy yards—Probasco won. Scamper Lex second, Leaflet third. Time, 1:17.

By the way, the Elfrida, although undoubtedly the fastest and best of the lot, is not the only new sloop on the lake this season built on the latest and swiftest models. C. H. McGill has built a new sloop, the Corona No. 2, which supercedes last year's Corona. W. B. Dean and T. Ingersoll each have new sloops, also, and Sallie Brown is the name of a new cat owned by Messrs. L. P. Ord and J. P. Elmer. In addition to these new ones all the old ones will be out today.

All boats, according to the card issued by Secretary F. R. Bigelow, of the yacht club, must be measured before the first race. The measuring dock is in position at the Bennett pier, and owners of new boats will be expected to have their boats ready for the inspection by Capt. Griggs this morning.

Last year the contest was won by the Buffalo McManus, of St. Paul, and Tom Gleason, the Montana boxer of the Albemarle Athletic club, of Lincoln, Neb. The contest was to have been the evening of June 11 for a purse of \$500, but the indifference of the local members of the club, and the refusal to cancel the contract with the yachts.

ONE HUSBAND TOO MANY. Mrs. Pauline Levensky-Durskey in a Matrimonial Tangle.

Pauline Levensky, a resident of the upper flats, has gotten herself into a matrimonial tangle, which is causing her great uneasiness. Previous to the latter part of the year 1893 Mrs. Levensky was the happy wife of Frank Levensky, a laborer, whose industry has enabled him to build a neat little house on the Polish flats. In September of that year, however, her husband began acting strangely. He refused to work, and at times left his wife without food in the home. Later in the year Levensky went insane, and was sent to the hospital at Rochester.

Mrs. Levensky lived alone for nearly three years, when Albert Durskey, a neighbor on the flats, took a fancy to her, and on the 23d of last March the couple were married by Justice of the Peace Shields. Frank Levensky, the husband of Mrs. Levensky, does not appear to have been considered in the mutual alliance until yesterday, when he turned up at his former home, apparently as well as ever.

Mrs. Levensky was somewhat surprised to see her first husband, but it appears not altogether prostrated with joy. When Levensky learned of his wife's marriage to Durskey he left the house in a rage, and his wife at once hurried to the central police station, where she filed a charge against the circumstances. She showed Sergeant Horn her second marriage certificate, also a letter from the Rochester hospital authorities, stating that Mrs. Levensky was insane. Mr. Blair, the institution he had gone to Chicago. The woman said she was afraid of her former husband and wanted a warrant for his arrest. Her request could not be complied with, as she had not the city attorney's office, where a warrant was also refused her. Late in the afternoon she abandoned her efforts to place Levensky behind the bars and went back to her home. She claims to have supposed that she was legally entitled to marry her second husband, having given up the hope of the first one's return.

Merriam Packed Terrorized. Burglars are making life a burden for residents of Wheeler avenue, Merriam park, three residences in that suburb street having been entered within a matter of weeks. The last victim was Mr. Miller, whose house was entered yesterday morning at an early hour. The thieves were frightened away, however, and did not carry away any valuables.

St. Joseph's Total Abstinence society gave a minstrel entertainment last evening at the Emerson hall, Forest street and Virginia avenue.

Summit Avenue Cycle Path Finished to Cleveland Avenue.

The city will probably begin its share of the work to be done in the construction of the White Bear cycle path on Wednesday afternoon. It is expected that the St. Paul Cycle Path association will decide upon the route to be pursued in time to enable the city engineer to begin work on the north side May 31, and on Monday morning. Though the cycle path association would prefer a ten-foot track, it is likely that the path will not exceed six feet in width, and, perhaps, not over four feet.

Work on the Summit avenue path has progressed so rapidly that by tonight the path will have been completed from Snelling to a

mile by tonight.

ACTIVE CAMPAIGN. Broad Gauge Boilers Preparing for One.

PITTSBURGH, Pa., May 29.—About seventy-five members, including the leaders of the new national party, organized last night by the bolters from the Prohibition convention, met at the Central hotel today and arranged for a vigorous campaign. Nearly \$2,000 was subscribed to meet the expenses. Mr. Helen Gougar, Mrs. Richard, of Ohio; L. B. Lagan, of Ohio, who acted as chairman; Candidate Bentley, ex-Gov. St. John and others made addresses. Mr. Bentley asserted that he would get 100,000 votes from the Prohibitionists, and that many of these would flock to the Populist party. He predicted, however, that 75 per cent of the bolters would be back in the field within two weeks. "Such people as John P. St. John, Mrs. Gougar and Mrs. Thompson," he said, "are Populists with Prohibition tendencies. I presume they will go to the Populist party or to the Free Silver party, which is to be formed July 22 in St. Louis."

WASHINGTON, May 29.—The president today, as had been anticipated, sent to congress a veto of the river and harbor bill. The message is as follows: "I return herewith, without approval, House Bill No. 577, entitled, 'An act making appropriations for the construction, repair and preservation of certain public works on rivers and harbors, and for other purposes.' There are 417 items of appropriation contained in the bill, and every part of the country is represented in the distribution of its favors. It directly appropriates or provides for the immediate expenditure of nearly \$14,000,000 for river and harbor work. This sum is in addition to appropriations contained in another bill, and the payments on these contracts are in most cases so distributed that they are to be met by future appropriations, not less than \$3,000,000 in each year. The bill is its authorization of contracts for river and harbor work amounting to more than \$62,000
