

DECIDED A DOZEN

SUPREME COURT HANDS DOWN OPINIONS IN TWELVE CASES OF IMPORTANCE.

CORONER'S FEES REDUCED.

MINNEAPOLIS CORONER WILL NOT GET MORE THAN \$5 A DAY HEREAFTER.

DULUTH'S WATERWORKS VOTE.

It Was Legal—An Insolvent Insurance Company Must Square Five Claims Against It.

The supreme court yesterday handed down a number of decisions, among them one sustaining the decision of the Hennepin county court against the payment of huge fees to coroners when they are called upon to act in more than one case in any one day.

Decisions are also filed in six cases involving the rights of policy holders in the insolvent National Credit Insurance company, entitling them to recover the unearned premiums on their policies and to that extent to participate in the moneys of the company in the hands of the state insurance department.

The court also sustains the validity of the recent special election held in Duluth to decide upon the issuance of bonds for the erection of a new waterworks plant.

The syllabi of yesterday's decisions are as follows:

Jonas M. Kler, Appellant, vs. Board of County Commissioners of Hennepin County, Respondent.

Where the coroner, on the same day, makes two separate examinations of two different dead bodies, or holds an inquest on one body and makes an examination of the other, held, under Sec. 5554, G. S. 1895, he is not entitled to a fee of \$5 for each examination and each such fee shall be reduced to \$5 per day "for the time actually spent."

POLICE MUTUAL AID ASSOCIATION TO WIND UP ITS AFFAIRS.

DIVIDE UP WHAT IS ON HAND.

ATTORNEY GENERAL CHILDS INFORMS A COMMITTEE WHAT STEPS TO TAKE.

SOME OPPOSITION TO THE PLAN.

Officers of the Association Favor it and That Will Probably be the Result.

The committee appointed from the various stations to take such steps as are necessary to disband the Police Mutual Aid association held a meeting yesterday.

The delegation called on the attorney general and learned from him that it was necessary to have a majority of the incorporators sign papers for the disbandment.

After this is done the matter will have to be brought before the district court and on a showing that the association is not indebted to anyone an order will be made disbanding the organization.

There is about \$1,800 in the treasury and about 150 members.

The association was started in January, 1895, the intention being at the time to have a bill passed by the legislature which would give the association a part of the money turned over by the state to the Firemen's Mutual Aid association each year.

One per cent of the insurance fees paid to the state are under a law paid the mutual aid associations connected with the fire departments in the state.

Considerable lobbying was done by the Hoemen but the proposed bill failed to get through.

The association incorporated and since then has gone ahead financially and otherwise. Three death benefits have been paid those of the force who died since the association started, being D. J. O'Connor, John Zirkelbach and John Gleason.

As soon as Mayor Doran took his seat and commenced to reorganize the department the cry was started that it would be a good thing to disband.

While there is some opposition to this the officers now in charge of the department are almost unanimously in favor of the disbandment.

As it is just at this time, anything their superiors want the rank and file are bound to agree to.

Some of the men are in favor of disbanding the association, as a provision was made in the articles which provided that a member withdrawing from the force should still retain membership by the payment of monthly dues the same as though he was on the force.

Others are in favor of keeping the money intact and paying it to the heirs of the first three members who die.

Those in accord with this proposition claim the \$100 or so that would get by breaking up the association would not be of much use individually, and it would be a great help to the wife and children of the members who might be claimed by death.

As stated above, however, the officers of the department from some reason are in favor of disbanding and the lists left at the several stations to be signed show that the men are following the leaders and signing to break up the association.

The greater part of the money in the treasury was secured by a game of ball played between nine from the St. Paul and Minneapolis police force last summer.

ST. MARY'S HALL EXERCISES.

Mons. Calliet Delivers an Address to the Class.

Mons. Calliet presented the medals at the graduating exercises of St. Mary's school held last evening in St. Mary's hall.

The medals were awarded to Lorena Gilbert, of the Convent class, Rose Farrell, for good conduct, and Joseph Reibolt, for good conduct, and Joseph Reibolt, for good conduct.

Mons. Calliet, in addressing the class, said that he was glad to see them in such a large number at the school.

He said that the members of the graduating class gave an attractive little play entitled "All is Not Gold that Glitters."

The little girls gave their lines with clearness and something of dramatic effect.

Frank Kearns recited "The Bachelor Auction," and a flag drill by a band of little girls was one of the prettiest features of the programme.

There was a good attendance.

Accommodations for Cobham Post of Crookston.

Gen. Flower, of the G. A. R. transportation committee, has been notified that the Chicago and Ohio River Passenger association has decided upon a one-cent a mile rate for the encampment, which fact practically settles the transportation question.

A problem in its final solution giving St. Paul the lowest rates that have previously been conceded by the railroads for any like occasion.

C. H. Mix, of Crookston, visited headquarters yesterday to secure accommodations for Cobham post of that city, which will attend the encampment in a body.

Mr. Mix stated that post organizations would probably come from Stephen, Red Lake Falls, Warren and Hallock.

Arrangements are on foot, according to Mr. Mix, to consolidate the representations of the above towns with that of Crookston which carried out will insure a large delegation from the Northwestern part of the state.
