WIN THE CUP, TOO

MILLERS TAKE ALL THE HONORS IN THE WESTERN LEAGUE.

IT WAS A SLUGGING MATCH.

THE GAME WHICH DECIDED THE CONTEST FOR THE FREE PRESS TROPHY.

THE PLAYERS GET A NEAT SUM.

Purse of \$150 for Each of the Millers and \$100 for Each Defeated Hoosier.

The cup belongs to the Millers. The last game with the Indianapolis team on Wright field was a struggle from start to finish and was even more fiercely contested than those played hitherto.

It was a game with good, hard hitting and plenty of it. The Millers did not secure as many hits as the Hoosiers, but they batted for twenty-three bases to the Indians' nineteen. Figgemeier started in to pitch, but Wilnot soon realized that he was not in shape and Parker went to the rubber after the second inning.

While there were errors galore, the fielding at times was fast, and many good stops and lightning throws were made. In the seventh, Ball made what seemed an impossible stop. His recovery and throw were simply grand, and the applause from the 1,000 people was deafening.

Manager McGinnis was presented with a diamond ring by the Hoosier players. It is soon to be shipped to Brockton home.

Pitcher Nichols, of Boston, has not made an out since this season. He has taken part in fifty-two games.

Tom Loftus has decided that Columbus is a good enough town to live in. He is going to try to keep the town in the Western League next year.

It is said Klusman has signed with Columbus. Manager McGinnis was presented with a diamond ring by the Hoosier players.

Larkin Beat Capen. Larkin and Capen were scheduled to play in the handicap tournament at Foley's last night, and Larkin beat the Minnesota man at the handicap allowed. Capen had 152 when Larkin scored game. The winner's play was quite an improvement over that of previous games, and he is expected to prove a formidable factor in the race for the Casey Cup.

LOUISVILLE MEETING. Ideal Sport Witnessed by a Large Crowd. LOUISVILLE, Ky., Oct. 1.—After having been delayed three days by rain, the second annual meeting of Louisville drivers and their association was inaugurated most auspiciously this morning. Excellent racing weather had succeeded the inclement period of the previous days.

CHAMPIONS BANQUETED. The Minneapolis base ball team and its officers were tendered a dinner last evening at the West hotel, Minneapolis, by the manager, T. S. Gray, to celebrate the winning of the pennant and the Free Press cup. Dinner was served in the ordinary. The table was handsomely decorated with a centerpiece of white flowers and sugar representing a base ball field with large figures of the players.

How the Teams Compared on the Statistical Basis. A resume of the Minneapolis-Indianapolis series for the Detroit Free Press cup shows that the Hoosiers were the victors.

Notes of the Game. It is said Klusman has signed with Columbus. Manager McGinnis was presented with a diamond ring by the Hoosier players.

HYSTERICIS. WOMEN SHOULD UNDERSTAND THIS NERVOUS DERANGEMENT.

A Symptom of Something Far More Serious—Mrs. Harris, of Beaver Springs, Relates Her Experience.

The spasms at top of wind-pipe, or in bronchial tubes, the "ball rising in the throat," violent beating of the heart; laughing and crying by turns; muscular spasms; throwing the arms about, etc., tell of a derangement of the female system.

Any female complaint may produce hysterics, which must be regarded as a symptom only. The cause, whatever it may be, yields quickly to Lydia E. Pinkham's Vegetable Compound. It acts at once upon the organ affected, and the nervous centers; removes the cause, and dispels effectually the symptoms.

Mrs. Harris relates her experience for the benefit of others. "I had been sick with ulceration of the womb, causing all kinds of disagreeable experiences, such as irritability, sleeplessness, faintness, and at times hysterics. My physician said it was the worst case he ever had. My back ached, leucorrhoea very profuse, and I had a severe bearing-down pain. The physicians thought I should never recover, and as the last remedy, they procured my Vegetable Compound. I had not taken more than one-fourth of a bottle, before I was more comfortable. I continued its use, also the Sanative Wash, and Liver Pills. After using four bottles, I was able to be out, and do almost all my work. I think the Vegetable Compound is the only medicine that will cure female complaints, and it will reach the worst cases in a very short time. I know it saved my life."—MRS. M. An old-fashioned way of getting there. Slow and safe, but hard work. Most women have got beyond this kind of traveling—found something better. Now, why can't you look at that other old-fashioned proceeding in the same light—washing things with soap and hard rubbing. That's slow enough and tiresome enough, everybody knows, and it's not as safe as washing with Pearline. It's really destructive, in fact, the wear of that constant rubbing. Break away from these antiquated ideas. Use modern methods, Pearline saves at every point. Beware of imitations. JAMES PYLE, N. Y.
