GREEK LETTER GIRLS.

They Form a New Society at Madison-The National Meeting.

Alpha Phi has a new chapter at Madison. This was the announcement made this morning by the young ladies of the society who are spending the winter at the Madison university this week. The fact was known some time ago that a petition from girls at that institution was to come up for consideration at the convention, but considerable surprise was occasioned among the university students by the news that the charter had already been granted. The Madison chapter is composed of ten of the college young ladies who were initiated Monday evening, and are represented at the convention by Misses S. E. Ketch, Beatie Ketch and Harriet Burton.

The convention opened yesterday morning with a business session in the armory building at 10 o'clock, but no matters of a public nature came up for consideration. Twenty visitors, including a delegate from each of the eight chapters, were present.

Yesterday afternoon the young ladies were tendered a reception, given by Mrs. P. R. Winston in honor of the visitors and the local chapter of "K. E. E." Last evening Judge Wilson entertained a few of the girls and members of the Delta Tau Delta with a dinner party, at which all the girls of this attended the athletic ball at the university.

The delegates and visitors already here are: Miss Parmelee, Syracuse; Miss Elinor Reeves, Northwestern; Miss Ethel Britton, Boston; Miss Lillian Tompkins, Michigan; Misses George, Duff and Mabel, Harvard; De Pauw; Miss Mabel Clark, Cornell; Miss Jane Anderson, Baltimore; Misses Winifred Smith, May Clark, Ethel Gray, Estelle Caraway, Anna Reimers, Mrs. Mary Hayes, Northwestern.

GAYETY IN HALL OF MARS.

University Academy Dedicated With a Dance.

The ghost of the old coliseum haunted the university campus last evening and joined in the merry-making over the dedication of the new armory and drill hall. It was an occasion in which the flower of the university social set participated, and it was a bright and happy affair. The program consisted of the athletic promenade concert and ball in the new drill hall was a particularly nice affair, and its pleasures were enjoyed by more than 100 couples who occupied the dancing floor. There were besides at least 400 persons in the galleries to witness the entertainment, and spectators were loth to leave when the ball was at its height, so fascinating were the scenes.

The following officers were chosen: President, George Williams; Secretary, Oliver Morgan; Treasurer, J. R. Rice; President, Oliver J. B. Munro. The club will give a grand ball at the hall of the organization, 425 West Avenue North, this evening at 8:30 o'clock.

Highwaymen Held Up Drummers.

Janus Rosenberg, engaged in the clothing business at 224 Hennepin avenue, was yesterday informed by wire of the robbery of two of his traveling drummers at the Tuesday night and the loss of \$250. The two were visiting the smaller towns in the interest of their company and were accompanied by a buggy as a means of transit. Near the place mentioned highwaymen suddenly appeared and forced them to give up all the money they carried.

Consumption is no respecter of persons. The germs of this most dreadful of diseases float in the air we breathe, in the water we drink, in the money we handle. Perfectly harmless in a healthy body, they are absolutely deadly wherever weakness exists. The lungs are the most sensitive of all the vital organs. The delicate lining of the lung cells and passages is easily irritated. If the blood is impure and germful the lung lining soon becomes inflamed. Impure matter accumulates. If a consumption germ is in the body it lodges there and propagates. Soon the entire body is full of bacilli and consumption has firm hold.

Many doctors say that consumption is incurable and necessarily fatal. *They are mistaken.* Dr. Pierce's Golden Medical Discovery will cure 93 per cent. of all cases of consumption, if taken promptly according to directions. It has cured thousands. It is quickly absorbed by the blood and searches out every disease germ in the body. It assists nature to throw off germs and all effete matter and restores the body to perfect health and strength.

When the bowels are clogged they unload their impurities into the blood which in turn deposits them throughout the entire system. In this condition sufferers from headaches, blurred vision, heart-burn, sour stomach, indigestion, the mouth, bad breath and dizziness. Doctor Pierce's Pleasant Pellets promptly cure constipation and these ailments. They are gentle, safe and pleasant. Druggists sell them. Substitutes are dangerous.

UNITE DENIAL

NEW YORK JOURNAL YARN DENOUNCED BY PILLSBURY AND WASHBURN.

A VERY "FLIMSY FAKE."

THEY REGARD IT AS BEING THE STAR EFFORT OF THE YEAR.

ADVANCE FROM A REAL DEMAND.

Mr. Pillsbury Says the Logic of the Situation Points to Still Higher Wheat Prices.

Washburn united with J. J. Hill in his emphatic denunciation of the statement of the New York Morning Journal that a "gold bug" syndicate had conspired to aid McKimley by a gigantic corner to raise the price of wheat. In response to a request sent them by the New York Herald the two big millers have sent the following:

The statement in the Journal referred to in your telegram is absolutely without foundation. There has been, nor is there, any corner in wheat, neither millers, millwrights nor speculators have made any attempt in that direction. The recent advance in wheat has been occasioned by the extraordinary foreign demand, and very large sales abroad of both wheat and flour, and the general belief that there is a great shortage in the world's supply of wheat. The millers have only their wheat, which at this season of the year, the silversmiths must be in desperate straits when compelled to resort to such silly misrepresentations and falsehoods in order to break the force of the fact that the price of silver and wheat have no relation to each other. The recent legitimate advance in wheat completely explodes this much advanced fallacy. The farmers of the Northwest are not to be humbugged by any such nonsense.

BISHOP KEANE'S SUCCESSOR.

Three Names Selected to Be Presented to the Pope.

WASHINGTON, Oct. 21.—The archbishops of the Catholic church and many of the bishops assembled at the Catholic university at 10:30 o'clock today under circumstances of unusual public interest. The initial meeting was at the residence of the cardinal secretary of the Catholic university, in which all the archbishops are ex-officio members, although only six of them are entitled to vote. The meeting was presided over by the governing body of the church, without connection with the university, begins tomorrow.

Early this morning the eminent ecclesiastics began to gather at the senate chamber of McMahon hall. Cardinal Gibbons in his long habit of black cassock and cardinal's sash, and cardinal Ruffini in his white cassock and cardinal's sash, were the first to reach the assembly room. The meeting was presided over by the cardinal secretary of the university, at 1 o'clock after having selected the names of three priests to submit to the pope, from which list Leo will select the successor to Bishop Keane as rector. It was decided to fill the vacancy on the board of directors, caused by the death of Bishop Marry, by the election of the Rev. Father Rordan, of San Francisco. The board refused to accept the resignation of Bishop Keane as a director of the university, and will continue to serve in that capacity.

STILLWATER NEWS.

Prison City Registration for Two Days, 2,225.

The Belle Mac came up last evening and will take out a raft of lumber down river points. This will probably be the last lumber raft to be put down as nearly all boats have tied up, there being nothing more for them to do.

The city council met Tuesday evening and again employed Comfort & Wilson to defend a city case, namely the injunction proceedings brought against the city by E. W. Durant, restraining the officers from completing the grading of Pine street. The democratic members of the council voted against employing outside attorneys, claiming that they had a matter for City Attorney Gilman and the city council city printing received from the three offices in this city were thrown out, and the city clerks were instructed to advertise for new bids.

The reports of the judges and clerks of registration show that 349 names were added to the lists on Tuesday, making a total for the two days of 2,225. This number will be greatly increased next Tuesday.

The funeral of Mrs. E. L. Hospes will be held from the family residence, 406 West Olive street, at 2 o'clock this afternoon.

BOMB FOR BRYAN

ONE DROPPED INTO HIS CAMP BY A PROMINENT GEORGIA POPULIST.

FELTON IS FOR M'KINLEY.

AN ELECTOR ON THE BRYAN-WATSON TICKET IN HIS STATE.

DISAFFECTION MAY RESULT.

Middle-Roaders Out for Revenge for the Treatment They Have Received at Jones' Hands.

ATLANTA, Ga., Oct. 21.—A bombshell was exploded in political circles here today by the making public of a letter from Dr. W. S. Felton, Populist nominee for elector, withdrawing his name from the ticket and pledging his support to McKimley. Dr. Felton was at one time member of congress from the Seventh district and has long been conspicuous in Georgia politics. His course is construed by many as indicating that there will be a general defection to McKimley from the Populist ranks in Georgia on account of the treatment of the Populist proposition for fusion at the hands of the Democratic state committee. In giving his reasons for going over to McKimley Dr. Felton, among other things, says: "I first felt indignant at the treatment of Hon. Thomas E. Watson by Candidate Bryan, who has ignored the Georgia Populist leader up to date. I desired to be free to vote as I pleased, and I do not intend to be manipulated by the Georgia Populist leader to refuse to accept Hon. Thomas E.
