PRISONERS BEFORE THE BAR.

Blake and Morrill Admitted to Bail in the Amount of \$10,000.

Senator W. E. Cullin, of Wright county, was in Minneapolis yesterday.

One of the best results of the election was the turnout of the voters, and the success of the candidates.

Well, there is one argument which our free silver friends can no longer use. They can't say that the people have not had a chance to vote on free silver.

Our disappointment over the defeat of Bryan and Lincoln, and the success of McKinley and Sherman, is not the best man in the world.

"No, we did not continue the fight upon the Republican candidates for the bench," said the senator, when asked how Wright county felt over the election.

From Judge Steele, whose name was at the head of the judicial ticket, we gave the two Democrats about the same vote as the Republicans, this notwithstanding the fact that Wright county gave McKinley something like 1,200 majority over Bryan.

CAMPAIGN CRITICISM.

Thus endeth the most educative campaign the country has ever known, and right well it should be remembered by the American voters—Mabel Tribune.
