

VARIED ITS COURSE WHEAT MANAGED TO SCORE AN ADVANCE TO CLOSE THE YEAR. OPENING PRICE THE LOWEST. SHORTS WHO WISHED TO SQUARE ACCOUNTS WERE IN THE MAJORITY.

FEW ORDERS FROM THE OUTSIDE. Trading dull as the result of a Short Session and the Impending Holiday.

CHICAGO, Dec. 31.—Wheat today varied in course on the end of the year, and managed to score a small advance, although trading was mainly holiday character. Both foreign and domestic news was encouraging as a rule. Corn, oats and provisions do not show any substantial change in prices. The Liverpool wheat market was apparently reluctant to move in sympathy with the local market and yesterday's decline. It opened half lower than a little later in the day. The opening here was at a decline of 3/4¢ from the previous day's closing price, the reason for this additional weakness being not very clearly apparent. Rain in India was said to have influenced some of those who sold at the opening decline. Business was not enlarged by export orders. Minneapolis receipts for the short session today, and the holiday tomorrow led to a general evening up, and as it turned out, the shorts, who wished to square accounts against the impending interruption of business, proved to be in the majority. The market was helped somewhat by the report that 200,000 bu at Buffalo had been ordered forward to the seaboard by rail, presumably for export. Minneapolis receipts for the short session were 261 cars, against 329 a week ago, and 401 the corresponding day of the year before. Chicago received 27 cars, compared with 101 last year, and 78,000 bu were inspected out of stores. Export clearance of wheat and flour from the Atlantic seaboard were liberal at the equivalent of 460,000 bu in wheat and flour, which includes 117,500 barrels of wheat from Newport News. May wheat opened at 82 1/2¢, 83 1/2¢, 84 1/2¢, 85 1/2¢, 86 1/2¢, 87 1/2¢, 88 1/2¢, 89 1/2¢, 90 1/2¢, 91 1/2¢, 92 1/2¢, 93 1/2¢, 94 1/2¢, 95 1/2¢, 96 1/2¢, 97 1/2¢, 98 1/2¢, 99 1/2¢, 100 1/2¢, 101
