The four alleged gambling proprietors did not spend much time in the halls of the station, but were kept in a room, and with a few words each drew upon his savings and a few dollars.

CHARLES F. HANEY IS ARRAIGNED ON A SECOND INDICTMENT.

OFFERED TO ACCEPT A BRIBE, ACCORDING TO THE CHARGE, IN CONNECTION WITH COAL CONTRACTS.

THE BONDS OF MR. THOMPSON To Be Considered This Afternoon In a Special Meeting of the Council.

Charles F. Haney was arraigned before Judge Belden yesterday afternoon on a second indictment having bribery for its basis.

Mr. Haney was brought into the court room by his attorney, Albert H. Hall, County Attorney Peterson appearing at once and calling for an arraignment.

The indictment was read, charging the accused with having offered to accept a bribe from A. Camp, Hall Oct. 10, of last year, in connection with the coal contracts.

Mr. Haney, according to the indictment, had stated to Hall that he was the custodian of the sealed bids, and could easily manipulate matters, so that the bid made by Hall would be lower than the lowest bid received.

The scheme was to allow Haney to bid as low as \$2.85 per ton for coal, and all he secured above that amount was to be profit to him.

When asked to plead to the indictment, A. H. Hall demurred at once, stating that he would be ready to argue a demurrer at any time.

The court named Feb. 25, however, as the one set for trial of the before case. "We want to try these cases as soon as possible," said Mr. Hall, "and get them out of the way. Now, how about the bonds in this case."

"The cases come so close together," said Mr. Peterson, "that I will not ask for any additional bond."

"It is hardly necessary," said Judge Belden. Mr. Haney left the room with his attorney.

He is greatly improved in health, and while he walks with a limp he appears more cheerful and is quite bright.

"I don't see how they can make that indictment stick," said he, speaking of the charge against him. "That man Hall admits himself, in his affidavit to the Good Citizenship league people, that when he called upon me I gave him the cold shake. That don't look much like a bribe."

The demurrer will be argued Thursday morning at 10 o'clock before Judge Belden.

The indictment upon which Mr. Haney was arraigned was reported by the grand jury early yesterday morning.

It had been prepared before the grand jury took its last vacation, but was not returned to it because the jury could not wait for it to be drawn up.

It was the only indictment returned during the day, the grand jury going at other work.

BONDS OF MR. THOMPSON. They Will Be Passed Upon This Afternoon.

A special meeting of the city council will be held at 1:30 o'clock this afternoon to act upon the bonds of City Treasurer J. H. Thompson, which have not yet been filed with the clerk.

Although the former official, who has been in office since the death of the late Mayor, is subject to the call of President Lutz, he realized that unless action was taken immediately to install the city treasurer in office, city employees might miss a pay roll the first of the month.

Mr. Thompson's bond is \$150,000, and the city from the county treasurer, and in order that the money may be transferred to the municipal coffers, and that the city treasurer may have time to prepare the pay roll, it is imperative that he be permitted to assume his duties at once.

The bond committee met yesterday afternoon to pass upon the validity of the bonds and to see that the provisions under which they were drawn up were in accordance with the requirements of the ordinance.

The personal bond amounts to \$400,000. The bonds are for \$200,000. The bondsmen are Gregor Menzel, T. C. Gray, C. B. Hefflinger and A. J. Wilson.

After the reading of the provisions of the bonds the committee went into executive session, and spent the entire afternoon in consideration and discussion. The personal bond was satisfactory enough to the members of the committee, but the surety bonds, and the provisions in the latter bonds which will probably have to be altered in order to meet the approval of the committee.

If the committee does not agree to the changes, it is not likely that the committee will recommend the acceptance of the bonds. In one of the objectionable clauses there is provision in case the treasurer dies whereby the city could recover the \$2,800 premium on the surety bond.

The premium is \$1,400 per year, and the city is required to pay the premium for two years in advance. On the other hand, the companies reserve the right upon return of the pro rata share of the premium, in such event as the treasurer's death, to nullify the bond. The transfer of the bond to another treasurer is optional with the company.

The other objectionable clause is the providing for possible defalcation on the part of the treasurer. This clause

PROPOSALS FOR A PEACE SUGGESTED FROM KANSAS CITY, BUT REJECTED BY THE MEMPHIS CROWD.

NEW ORGANIZATION IN EXISTENCE.

Sovereign, of the Knights of Labor, Made President of the Union Reform Association.

KANSAS CITY, Mo., Feb. 23.—The Union Reform Press association was brought into existence today, and Grand Master Workman J. R. Sovereign, of the Knights of Labor, was made its president.

This is the outcome of two days' work by the half hundred Populist editors who refused to recognize the right of President Paul Vandervoort to call a meeting of the National Reform Press association at Memphis, and who came here in response to a call of National Secretary-Treasurer A. Roselle.

Probably the most interesting event of the day came at the very close of the gathering when the national secretary of the executive committee, J. A. Edgerton, whose work in the meeting had been most active, refused to subscribe to the constitution of the new order.

The next annual meeting of the new association will be held in Omaha a year hence.

When the editors met this morning the pending question was a motion to name a committee of five to treat with the faction in session at Memphis.

The motion was withdrawn and a committee of three named, and forwarded a telegram proposing terms of peace which would make possible a co-operation of silver forces.

At the afternoon session the reply of the Memphis convention was read by J. A. Edgerton, who proposed in favor, and several speeches, the tenor of which was regret that the Memphis people had chosen to evade the question.

The Populist reply asking for a more definite answer to the interrogatory propounded was sent, but no satisfactory answer was received.

At the evening session the work of the gathering was quickly brought to a close by the adoption of the resolutions and the election by acclamation of the following named officers: President, J. R. Sovereign, grand master workman of the Knights of Labor, and editor of the Journal of that order.

Members of the staff, Des Moines, Iowa, Farmers' Tribune, secretary, treasurer, Warwick Sanders, Columbus, Neb., Argus.

MICHIGAN REPUBLICANS.

The Platform of the St. Louis Convention Indorsed.

DETROIT, Feb. 23.—Over 1,000 delegates were present when Chairman Ferry rapped to order the state Republican convention, called to nominate a trustee of the supreme court.

The prospects were for short, countable convention. After a congratulatory address and an exhortation to reaffirm the St. Louis platform, Chairman Ferry introduced Gen. R. A. Alger as temporary chairman.

The next secretary of war was greeted with great enthusiasm. He urged Michigan Republicans to set the pace and make a mark in this state election for coming elections.

Recess was taken after naming committees. After adopting the report of the committee on credentials this afternoon the resolutions committee reported briefly, congratulating the country on the victory of last November, reaffirming the last national platform, and asserting that the triumph of Republican principles will restore the country to the condition of prosperity which it always enjoyed under Republican supremacy.

The resolutions were adopted. Judge Long of the supreme court, was renominated by acclamation, as was also W. J. Crocker, of Adrian, for regent of the University of Michigan.
