TERRIBLE TORTURE.

The Indian Heartless in Inflicting and Calm in Undergoing Physical Pain.

Reared as they were to a life in which sickness was almost unknown, the Indian did not realize the meaning of pain, or anticipate it and suffer as we would do under similar circumstances; and then, too, when sick or wounded to a point where death would be a certainty with us, they could be brought back to life by nature's own remedies, which acted in the most wonderful manner on systems unharmed by injurious drugs.

The tribe greatest skilled in the use of Indian medicines has ever been the Kickapoos. For such ills as they encountered they used such specifics as they alone knew how to prepare, for instance:—

The KICKAPOO INDIAN Worm Killer, for Worms.

The KICKAPOO INDIAN Cough Cure, for Coughs, Colds, Hoarseness, Sore Throat and all Lung complaints.

The KICKAPOO INDIAN Salve, for Cuts, Bruises, Burns, Etc.

The KICKAPOO INDIAN Oil, quick cure for all pain.

The KICKAPOO INDIAN SAGWA for all diseases resulting from a deranged condition of the kidneys, liver, stomach and blood.

All of these are purely vegetable and are made and sold to-day throughout the civilized world, exactly as they were centuries ago, when they were made by the Indians of roots, barks, herbs, gums and leaves of their own gathering, and each absolutely infallible for the cure of such disorders as they are intended for. All druggists sell them.

formal one in which Mr. Bailey, W. A. Stone (Rep., Pa.), Mr. McClintock and Mr. William (Dem., Miss.) took part.

Mr. Cannon (Rep., Ill.) said that the tariff bill had been sent to "No Man's Land," referring to the consideration of the government until that measure was disposed of.

A motion was made by Mr. Wheeler (Dem., Ala.) to recommit the resolution to the committee on rules with instructions to report whether it was in violation of the section of the constitution governing the adjournments of congress, but this was lost.

Mr. Bailey offered a substitute providing for the consideration of the bankruptcy bill on May 24, which the speaker declared out of order.

A motion to recommit was lost 93-105, the Democrats and Populists being solidly arrayed against the Republicans.

The resolution from the committee on rules was adopted by a party vote, 101-83.

Present and not voting today to move to adjourn, Mr. King (Dem., Utah) besought him to delay that he might ask for the immediate consideration of a resolution which was waving in his hand.

"What is the resolution?" Mr. Dingley inquired.

"The annexation of Hawaii," was the reply, whereat the house broke into a shout of laughter and immediately adjourned, until Monday.

The resolution which authorized the territory to be received into the United States whenever ceded by Hawaii, Congress is given authority to make laws for the islands.

The Chinese shall not be admitted to the islands nor from there admitted to the United States.
