

ET TU BRUIE AFFAIR

WEALTHY SOUTHERNER MURDEROUSLY ASSAULTED AND ROBBED BY AN OLD FRIEND.

MARTIN ENSLEY ARRESTED.

HIS STORY IS THAT A THIRD MAN IS GUILTY OF THE CRIME.

WAS STRUCK DOWN FROM BEHIND.

Hammer Used to Pound Him Into Insensibility—Six Thousand Dollars Taken From Him.

ST. LOUIS, June 16.—C. B. Collins, a wealthy Tennesseean, was lured to his possible death Tuesday night by a man he had known since boyhood, and with whom he had been on terms of intimate friendship for six years. His assailant is Martin Ensley, of Memphis, whose father, Col. Ennoch Ensley, was one of the most prominent mine owners and planters of the South.

Ensley induced his companion to visit Meramec Highlands, a summer resort fifteen miles from here. On the plea of illness, he led him to a clump of bushes about seventy-five yards from the hotel. There, stepping behind his victim, he beat him about the head with a hammer he had purchased presumably for the purpose of committing the murder.

When the pounding with the piece of steel had reduced Collins to a state of insensibility, Ensley stooped over the prostrate body, and tore from a vest pocket a roll of bills that amounted to \$8,000. He darted up the hill and passed the money to an accomplice. Two men saw the terrible assault and the robbery, and witnessed the escape of the man who had been the victim of the principal and his accomplice. They ran and notified Night Watchman Busch and told him the story.

Ensley, after leaving his victim, had run to the fence that skirts the Kirkwood track, and then he passed the money to his confederate. Ensley did not try to board the car. Instead, he ran along the fence and darted down the hill leading to the river. Arriving there, he followed the stream for nearly a mile, until he reached a shallow occupied by a boatman. He pouched vigorously upon the boat, and when the old man opened it, he exclaimed: "I've been robbed, help; look, I am covered with blood."

The old man hastily dressed, and, answering to the stranger's appeal for assistance, he stepped into the boat, and then up the hill toward the inn. Ensley evidently expected to find the body where he had left it, and evinced great surprise when he saw people running around.

"Here is a man you want to tell your story to," the old boatman said as some one called to him. He turned and saw Night Watchman Busch. To him Ensley repeated the story he had told on the river bank.

"What's your name?" asked Busch. "Martin Ensley," was the reply. "You are the man I am looking for," said Busch. "I want you for murder," and he seized his prisoner. Ensley professed his innocence, but was taken to the inn, and placed under guard.

At daybreak Ensley was driven over to Kirkwood and it was broad daylight when the prisoner was taken to the room on the third floor of the north side inn and brought face to face with the wounded man, who was tossing on the bed.

"Is this the man who struck you?" asked a deputy.

Collins looked at him steadily. "Yes," said he. "Ensley, how could you do it?" he added.

The prisoner looked down, muttered something about having been assaulted, and then he turned away. He was then driven over to Clayton.

Dr. Pitman, who attended Mr. Collins, said his wounds, which are ten in number, would prove fatal unless blood poisoning follows.

FOUR BOXES DID IT.

Remarkable Success of a New Pile Cure.

People who have suffered for years or months from the pain and inconvenience of that common disorder, piles, will look with skepticism upon the claims of a new cure. It is known by the name of Pyramid Pile Cure; nevertheless the extraordinary cures performed by this remedy are such as to excite the interest of any sufferer. As a case in point the following letter speaks for itself:

Mr. Henry Thomas, of sub-station No. 3, Hosack avenue, Columbus, Ohio, writes as follows: "Pyramid Drug Co. gentlemen: that you to use my name if it will be of any use to you. I was so bad with the piles that I lost work on that account. Nothing but your cure would do me any good. I had tried many of the many cures of piles by the Pyramid Pile Cure and I went to a drug store and asked for it. The drug clerk told me he had something else that I thought was better, but I told him I wanted to try the Pyramid first. The first box helped me so much that I tried another, and then to complete the cure, used several more, making four in all. I am now completely cured. Have not a trace of piles and I had suffered for four years with the worst form of protruding piles. I suffered death from piles, but I have found the Pyramid Pile Cure to be just as represented. I have recommended it to several of my friends, and I am thankful to be able to write you what good the remedy has done for me."

Physicians recommend the Pyramid Pile Cure because it contains no opium, cocaine, or mineral poison of any kind and because it is so safe and pleasant to use, being painless and applied at night. The patient is cured in a surprisingly short time with no inconvenience whatever.

The Pyramid Pile Cure is sold by druggists at 50 cents per package, and if there is any constipation it is well to use the Pyramid Pills at the same time with the Pile Cure, as constipation is very often the cause of piles and the pills effectually remove the costive condition. Price of pills is 25 cents per package.

Write to Pyramid Drug Co., 25 Albion, Mich., for little book on cause and cure of piles; sent by mail free.

ANNOUNCEMENT OF REDUCTION ON EASTBOUND PASSENGER RATES CAUSES A TURMOIL.

CHICAGO-ST. PAUL LINES STOP.

CANNOT VERY WELL MEET THE CUT WITHOUT TRUNK LINES' CONSENT.

CLEARING BROKERS' OFFICES.

Milwaukee Tickets in Chicago in the Hands of Scalpers Are All Taken Up.

The unprecedented reductions made by the Soo line in east-bound rates yesterday, as mentioned in the Globe, threw the Chicago lines into a turmoil yesterday, for the reason the Chicago lines know very well they can do nothing to head the Soo off. Any attempt in this direction would only aggravate the Soo still more and render the possibility of getting the Soo into an association still further removed.

The standard sleepers are unequalled for beauty and comfort, and in furnishings and conveniences are far superior to any heretofore built. Passengers who for any reason do not wish to take a sleeping car, will find the reclining chairs, extra charged for seats) and coaches the finest ever offered to the public, having lavatory and sanitary conveniences of the best make, and containing commodious smoking rooms.

The train is vestibuled throughout, the vestibules extending the full width of the platform, forming a real "observation car," and lighted by electricity from end to end. Each berth will be fitted, at the request of the passenger with the beautiful reading lamp, a delightful convenience to patrons of "The Finest Train on Earth."

For time tables, tickets, berth reservations and further detailed information about this train, apply to the ticket agent, 409 Broadway street (Hotel Ryan), or address George P. Lyman, general passenger agent, St. Paul, Minn.

Receiver Clarke III. ST. LOUIS, June 16.—It is reported this afternoon that the Chicago and North-Western of the Union Pacific Railway, and one of its receivers, is quite ill at his home in this city.

COST OF ASPHALT REPAIRS.

Must Come From Street, Sewer and Bridge Fund. President Copeland, of the board of public works yesterday notified the committee on streets of the board of aldermen that repairs which would have to be made on the asphalt paved streets in this city for the year ending June 30, would be paid from the street, sewer and bridge fund.

The board, when it entered upon its duties, agreed that the city could save the city \$100,000 in the next ten years by the arrangement, and it was duly entered into and set to work for the purpose of the board.

TROUBLE PILING UP.

Union Pacific's Action Disturbs Western Passenger Association. CHICAGO, June 16.—The executive officers of the Western roads held an informal conference this afternoon to discuss the withdrawal of the Union Pacific from the Western Passenger Association. Nothing was done at the meeting, but it is undeniable that the roads view the situation with considerable apprehension.

Some of the members of the Western Passenger association are disturbed over the prospects of the association. It is generally admitted that any further demoralization of rates will have a bad effect on the association, and they fear that the defection of the Union Pacific is almost certain to cause such trouble as will seriously compromise the future of the association.

JUMPED AND WAS INJURED.

Mrs. D. Patterson Painfully Injured on Seventh Street. Mrs. D. Patterson was painfully injured yesterday afternoon by jumping from a buggy at Seventh and Pine streets in an effort to avoid a runaway team. The team belonged to a farmer and dashed into Seventh street from the street on the west side of the city.

Gladness Comes

With a better understanding of the transient nature of the many physical ills, which vanish before proper efforts, pleasant efforts, rightly directed. There is comfort in the knowledge, that so many forms of sickness are not due to any actual disease, but simply to a constipated condition of the system, which the pleasant laxative, Syrup of Figs, promptly removes. This is why it is only rarely with millions of families, and is everywhere esteemed so highly by all who value good health. Its beneficial effects are due to the fact, that it is the one remedy which promotes internal cleanliness without debilitating the organs on which it acts. It is therefore of great importance, in order to get its beneficial effects, to note when you purchase that you have the genuine article, which is manufactured by the California Fig Syrup Co. only and sold by all reputable druggists.

In the enjoyment of good health, and the system is regular, laxatives or other remedies are not needed. If afflicted with any of the above named ailments, you may be commended to the most skillful physicians, but if in need of a laxative, you should have the best, and with the well-informed everywhere, Syrup of Figs stands highest and is most largely used and gives most general satisfaction.

Troubles Drove Him Insane.

GRAND RAPIDS, Minn., June 15.—William I. Stager was taken before the probate court yesterday afternoon, insane and ordered committed to the Fergus Falls hospital. Mr. Stager's case is a sad one. A year ago his wife secured a divorce and a hard-fought legal battle the only child was left to the care of the mother. His continued brooding over the long and protracted proceedings, together with his inability to procure work, eventually unsettled his mind. Before the divorce proceedings were over he was a resident of Hamline and upon his wife leaving him, attempted suicide.
