

TEAM PACING MARK

THE WORLD'S RECORD BROKEN

BY JOHN R. GENTRY AND ROBERT J.

BETTERED BY ONE SECOND.

TWO TRIALS NEEDED TO ESTABLISH THE NEW FIGURES FOR PAIRS.

LAST QUARTER IN SPEEDY TIME.

But for a Heavy Wind Better Work Might Have Been Done by the Cracks.

GLENS FALLS, N. Y., Oct. 8.—At the mile-truck of the Northern Horse Breeders' association here today John R. Gentry and Robert J. broke the pacing team record, going the mile in 2:08. This was done after the pair had been sent away in 2:11, and before the close of the day's sport. Gentry, with a running mate, paced a mile in 2:03 1/2. Three thousand persons filled the stands. Robert J. was given a warming up heat in 2:12, and Gentry was sent a mile in 2:04 1/2. The two great pacers then made ready for their effort against the world's record of 2:09 for double teams. After a short spin they faced the flag and received the word. They turned the first quarter in 32 seconds going steady, and the half in 1:04 1/2, was hung out; the three-quarters was turned off in 1:37 1/2, and the mile in 2:11. This, of course, was a disappointment.

In the second trial the team got away on the third score, Robert J. having broken on the first turn in the two first attempts. The first quarter was a repetition of the first trial, in 32 seconds, but the half was a quarter of a second slower. They reached the three-quarter pole in 1:37 1/2 again. As they straightened out for home, Driver Bowne shook them up a bit, and they came down the stretch in a tremendous burst of speed, passing under the wire in the marvelous time of 39 1/2 for the last quarter and making the mile in 2:08. The crowd went wild with enthusiasm.

Shortly afterward Gentry was brought out for his trial with a running mate to break the track record of 2:01 1/2, made by himself in 1896. He went the distance with "locks" regularly in the 2:03 finishing fresh, which, considering the work he had done previous to this, was a great performance. Robert J. was then sent along. He turned the first quarter in 30 seconds, the half in 1 minute, the three-quarters in 1:33, and the mile in 2:04 1/2. The wind interfered greatly in the trials, and the last quarter and making the mile in 2:08. The crowd went wild with enthusiasm.

NO OFFICIAL AVERAGES.

Base Ball Fans Will Have to Await Johnson's Figures.

A correspondent of the Globe to print the record and holding averages of the Western league. As soon as President Johnson's committee has finished their work, they will give them to the public. The Globe has the averages of the St. Paul and Minneapolis teams from week to week, and has also the averages of the Western Intercollegiate Athletic association, as the letter seemed to hint. He also has the averages of the Michigan, Wisconsin, Illinois and Northwestern, the four schools on the Chicago schedule.

BOSTON AGAIN BEATEN.

Exhibition Games Are Easy for the Orioles.

SPRINGFIELD, Mass., Oct. 8.—Three thousand people saw the Boston and Baltimore National league teams play an exhibition game at Hampden park last night. The Orioles won the first two heats, but were defeated in the third. The Orioles' poor work in the third inning was largely responsible for Boston's victory. The Orioles' poor work in the third inning was largely responsible for Boston's victory.

NO FINISH FIGHTS.

Canadian Police Will Not Permit Any Brutality.

BUFFALO, N. Y., Oct. 8.—It is not probable that the McCoy-Creedon fight of any other kind will be held in Buffalo, N. Y. For some time a party of New Yorkers have been endeavoring to secure in Montreal letters of patent for the formation of the "Handicap Athletic Association," the object being to give exhibitions of an athletic character, including boxing. Such letters were issued by the Ontario government in council, but before signing these papers the clause relating to boxing exhibitions was struck out and an attempt to bring off a fight under this charter will be severely punished. There is a clause in the Canadian laws pertaining to boxing contests, but officers of the law are always present at such affairs and stop the exhibition when the slightest brutality is shown.

ST. ANDREW'S FINALS.

Douglas and Gray the Two Cup Winners.

NEW YORK, Oct. 8.—The semi-finals and finals for the St. Andrew's cup and the Holbrook consolation trophy were played today over the St. Andrew's links. After six rounds, in which the playing of the men varied from an amateurish display to brilliant work by professionals, Finlay Douglas, the young Scotchman, who represents the Fairfield County Golf club, won the St. Andrew's cup. The other cup, the Holbrook, was won by Douglas Menzies, one up. Holbrook consolation cup, final round—Gray beat Tappin, five up and four down.

HALF A ROUND FIGHT.

Causer Knocked Out at London by Dick Burge.

LONDON, Oct. 8.—In the twenty-round glove contest fight between Dick Burge and Tom Causer, today, Burge won in a half a round. Burge wasted little time in sparing. Thrice in succession he planted his right hand on the forehead of Causer, who fell without being hit in return. He then landed his right with great force on the left side of Causer's chin. Causer dropped like a log and was counted out. The fight lasted six seconds.

NEW YORK, Oct. 8.—"Golf arm" is the latest discovery of local physicians in the way of physical ailment. It results, of course, from too arduous and excessive indulgence in the royal and ancient game, particularly in the South, educating young girls and training them. Rev.
