Large Comfort Rocker for \$5.30.

A Comfort Rocker in order to be all that the name implies must be built on lines of beauty, comfort and durability. The peculiar points of excellence about this rocker are in the superior quality of the wood from which it is made, the perfect shape and expert workmanship which are equal to any of the full woven reed scroll around back extends entirely across the front to seat. Fancy woven reed back, cane wove legs, firmly strengthened by cross braces. No better rock can be found than that which we use in this particular rocker, and the purchaser will find it to be a piece of furniture of which he will be proud, and which will give more service and durability than any other of the kind secured elsewhere at 50 per cent more than our price. Knowing the great demand for as fine a grade of goods as can be manufactured, we show in illustration one of the choicest patterns that has been put on the market for 1897. It has what is known as a Box Seat with Flemish spiral twist back and legs; beautifully carved back. The Chair is well braced with Flemish spiral spindles. It is made of the finest Solid Oak, elegantly polished, finished in Antique or Flemish, if desired. This is an entirely new design, and will be sure of having a sale. It is a chair which you will be sure of having in your neighborhood. In fact, the chances are that it is as fine as any upholstered in Best Seal Leather..... \$5.80 Per set of six..... \$34.80

A \$25.00 Parlor Suit for \$19.50.

When we call this a \$25 Parlor Suit we really mean that it is a very much undervalued thing. It is a suit that you can find any kind of a Parlor Suit, in any price, for less than \$30, and when you do it is very inferior material and so poorly upholstered that there is no satisfaction to be gained from it. You get very little idea of the handsome appearance of the suit from the illustration. We can say, however, that it is well made on a solid oak frame, with a very handsome carved top, and the suit presents a handsome appearance and will be an ornament to any parlor. The Suit consists of a Large Sofa, Large Easy Rocker, one Large Easy arm Chair and two Parlor Chairs. Each piece has an easy spring seat with spring edge, the fronts being of plush, handsomely corded. We furnish casters free. As we know you will admit it is the best value you have ever seen at anything like the price. We pack these suits very carefully and wrap each piece in burlap, so that it will reach you in the best possible condition. This 5-piece suit is upholstered in handsome figured silk tapestry. In all cases the patterns will be very neat and artistic and the colorings will harmonize handsomely. Our Special Price for the above Parlor Suit (5 pieces)..... \$19.50 Our Special Price for the above Parlor Suit (6 pieces)..... \$21.85
