

The Cloak Department.

The maker's art never produced a handsomer line of ladies' ready-to-wear garments than the showing you'll find here Monday—the acme of style, beauty, quality, workmanship and price.

Last week our public made deep inroads into the rare offerings, but incoming stocks quickly filled up the gaps. Bright Monday money savers. Quick selling gives you the best part of the profits.

A Novelt Silk Sale

Manufacturers' Samples—Auction Silks—Best

Silk manufacturers withdraw samples when the production for coming season is all sold up. These we secured from several manufacturers. You will understand that they never show poor samples. These lengths run from 1 1/2 yards to 20 yards—fine Black Silks of all kinds—many Colored and Fancy Silks—probably three to four thousand yards all told.

AUCTION SILKS—Many duplicate pieces, at duplicate prices, will be sold this week. Hundreds of delighted buyers from this big, beautiful collection will advertise these sterling values, Monday both of these very important and wonderful bargain lots will be on sale. The collection is without doubt the finest ever offered here. A few sample prices are quoted—a whole page of this paper would not be space enough to name them all. They will be ready at 9 o'clock Monday morning:
