GAMES SCHEDULED FOR TODAY.

St. Paul at Omaha. Minneapolis at Kansas City. Milwaukee at Columbus.

SPECIAL TO THE ST. PAUL GLOBE.

OMAHA, Neb., April 23.—Until the eighth inning today the game was very pretty. The Saints had it won even at that, but at this juncture the home team went up in the air, and a regular Weyler campaign followed.

PHILADELPHIA, April 23.—New York succeeded in winning the closing game of the series by better all-round work. Doherty was hit hard in the first inning, after which he settled down and pitched very hard in the first inning, and in the second inning he was retired in favor of Dunkle. The feeding of Gleason and Davis was the feature of the game. Attendance, 10,627.

Three Games Off. CINCINNATI, April 23.—Cincinnati-Pittsburgh game postponed; rain.

St. Louis, April 23.—St. Louis-Cleveland game postponed; rain.

Princeton Games. PRINCETON, N. J., April 23.—The ninth annual spring open handicap games were held at the varsity athletic field today.

ST. THOMAS TAKES ONE

FIRST BALL GAME OF THE INTER-COLLEGIATE SEASON

Defeats the Hamilton University by a Score of 8 to 4—Game Was Well Played for This Early in the Season—Enthusiastic Crowd Out to Witness the Contest.

The intercollegiate baseball season was opened yesterday by the teams of St. Thomas college defeating the boys from Hamilton university by a score of 8 to 4 in a well-fought game.

The score would have been higher in favor of St. Thomas were it not for their base running. At every other point they clearly outplayed their opponents, both at bat and in the field.

Dyer, for Hamilton, played an excellent game at center, taking every chance offered. Griffin, at third, and Mitchell, at short, played a clean, snappy game.

The poor base running can be excused owing to the fact that the Hamilton boys made four runs by McCarty's act and by running. In the seventh, Johnson was the only Hamilton boy who reached first in the third inning.

Doyle made one more run for the Saints. Both sides failed to score in the fourth inning.

Griffin and Cameron made two-baggers in succession. They were brought in by Delaney and Doyle, who made a couple of singles in the seventh, and eighth neither side scored, but in the forepart of the ninth Dunn, reaching first on an error, was brought in by Merritt's three-bagger. Dyer scored on a hit and it looked as if Hamilton was going to win out in the last inning.

But Delaney smiled and settling down to business permitted no more runs.

QUEER BASE BALL DECISION.

How a Tomato Can Win a Game in Dakota.

Perry Warden is authority for the most complicated base ball decision on record.

"We were playing a jay club out in Dakota," says Perry, "I was in center garden for the St. Louis Reds, and the jay club kept me hunting. They hit the ball hard, I tell you. There was a barb wire fence about the lot on which we were playing. Back of me was an alley filled with rubbish, including a lot of old tomato cans. Well, a hot one got the can with half the ball in it, and went through that fence and the barbs cut the ball square in two. I jumped the fence, threw it, can and all, to the catcher at home plate, just in time to nail the runner. A big toucher then stepped up to bat, and touching their man with the can containing the ball, did not constitute an out. The umpire was puzzled, and the wrangle waxed and waxed. I had found the other half of the ball sticking to a barb, secured it, walked leisurely to home plate and put it on the enemy. That settled it. The umpire declared him out and we won the game, but we had to form a hollow square and escort that umpire to the out-going train."

THE CALIFORNIA MAN TO GET ANOTHER CHANCE AT THE ST. PAUL ATHLETE.

Dwyer and McLeod.

The terms of the wrestling match to occur between Prof. Dwyer, of St. Paul, and Dan McLeod, of Chicago, at Conover hall next Thursday night, have been agreed upon.

The men will wrestle three styles, Cornish, the catch-as-catch-can and Greco-Roman. The match will be for the gate receipts and a side bet. 75 per cent of the receipts to go to the winner, and 25 to the loser. The prizes of seats, in all parts of the hall, will be lowered and it is expected that the hall will be crowded. The two men are evenly matched and both are determined to come out victorious.

It was decided that the choice of the style of the first bout should be decided by the tossing of a coin. Dwyer won the choice yesterday and selected as the opening bout the Cornish style, at which he is an adept. Dwyer's daily work keeps him in shape and he will do some extra work, although he is now in the pink of condition.

Dwyer will have the best of it in the

Will Hollingsworth Be Seen—Has Been Loaned Out by Comiskey.

Wallace Hollingsworth, who has been a member of the St. Paul team, has been loaned to Omaha, and left here for that city last night. He will play second base in place of McKinney, who leaves the Omaha team.

Hollingsworth has played several positions on the local team, all of which he has filled with considerable credit, and was glad of the opportunity to join the Omahas, and get in the game. He has been in St. Paul all winter, and when it was decided he was to play utility man here, negotiations were made for his transfer to Omaha. He is merely loaned, and will return to St. Paul at the close of the season, if not sooner.

"Holly" has a lot of admirers in St. Paul, and he will be given a hearty reception when he comes back with his Omaha uniform on next week. He played short, second base, and in the field last season, and was quite a favorite with the bleachers, both on account of his snappy game and good work with the stick.

President Vanderbeck, of Detroit, is in Indianapolis with a court case. He expects Davis to join the team there, as he may be called upon to go in left field. Irwin, Thomas Underwood, Waddell and Wadsworth are the pitchers.

W. H. Watkins, of the Pittsburgh club, announces that the Pirates will be given five money if they finish first or better in the league race. If fifth, each player will be given \$10; if fourth, an additional \$50 will be given, and so on.

Russ Hall, the much advertised young blood, threatens "not to live up to his lithographs." He is thought to be "a morning glory." He is a wonder in practice, but blunders in a game. Hurst thinks of laying him off. Timilty also has a mackerel eye on "Ducky" Holmes.

The following from the Cincinnati Commercial Tribune is rather significant: A great deal has been said of late about what players on the Cincinnati list would be farmed to the Indianapolis team. According to the league no player can be farmed by a national league club to a minor league club after April 15. That date has passed and Cincinnati cannot legally send any men to Indianapolis on the farm plan. Of course this rule can be avoided in this instance because the feeling between the president of the Cincinnati club and the Indianapolis club is of the best.

George Shock will play third base for Milwaukee at Indianapolis next Monday. A telegram was received from him Friday night by Manager Mace, of the Brewers, announcing that he accepted the terms offered and would report for duty in two or three days. Shock is in North Carolina, where he has been training, and is in condition to begin active work. Barnes will not be used for slab duty, however, if Shock fills the bill at third—Milwaukee Sentinel.

A prominent racing man residing in St. Paul, who was on the suspended list last year, has been reinstated. The Globe has the fees allowed the official handicapper in all sanctioned races were out of proportion with the amount of work done, and were exorbitant.

The rules allow the handicapper 10 cents for every man entered in the race, and 25 cents for every man given a handicap.

Inquiry among the officers of the Minnesota division of the L. A. W. yesterday threw considerable light upon the subject.

They claim the fees allowed are fair when the ability of the handicapper is taken into consideration. He must spend much of his time keeping posted upon the relative abilities of all local racing men, so as to give them a fair allotment in races under his direction.

The officers say, while the amount received for handicapping a single race might be quite large, consideration should be given the fact that the handicapper is the best posted wheelman in the city, and necessarily must be much in demand during the racing season.

A. D. Smith's the official handicapper for the Minnesota division. Mr. Smith was appointed a few weeks ago by Mr. O'vitt, upon the recommendation of some thirty professional riders. He was the popular choice of the wheelmen of the place.

The L. A. W. people received a large number of official L. A. W. hotel signs last week.

Contracts will be let shortly with hotel men along the routes proposed for the summer tours, which will give the wheelmen special privileges and rates. The signs remain the property of the L. A. W., who reserves the right to revoke the contract and also the sign at any time.

Tom Bird received a letter yesterday from C. S. Wilson, chairman of the Decoration and road race committee, of the Duluth Cycle club, stating that professionals would be barred from participation in the race. Mr. Bird stated that a professional race would probably be arranged here and that he would organize the race, to take place at Como some time during the early summer. It would be run differently from the present race, and the scratch men would go for time only. He expected, under this arrangement, some fast time would be made.

The amateurs of the city will also have a chance to try their prowess in a road race at Como. The Laurels are making arrangements for one to come off June 15, or thereabouts.

The White Flyer Cycle club will move into rooms in Sherman hall the 1st of May. The club's present headquarters is in the Washburn building. By the move the club will have much larger and more commodious quarters.

The Crocus Hill Summer club, recently organized, is making plans for a pleasant summer wheel. The club will present a lively aspect during the wheeling season, as nearly all the members of the club ride wheels.
