

Woman's Dread Enemy Sick Headache and One Discouraging Discomforts That Follow in Its Train.

Perhaps the greatest curse that has ever been visited upon woman is the much dreaded headache which with some women occurs just so often. All of this is due to irregularities in the system; certain obstructions should be moved with regularity, and when the regularity is observed, a clear head is always the consequence.

THEY ANSWER DEATH'S CALL WILLIAM E. BURTON DIES AFTER BRIEF ILLNESS

Prominent in Insurance and Masonic Circles—Benjamin W. Brunson, One of the Pioneers of St. Paul, Also Summoned Hence—Known to Many Residents of the City—Other Deaths.

William E. Burton is dead. He passed away at his home, 601 Dayton avenue, late yesterday. May 4 Mr. Burton was taken sick with meningitis. His condition was considered serious for a few days, when there came an improvement, and Friday his speedy recovery was anticipated. A change for the worse followed. Friday night and twenty-four hours later he was dead.

Mr. Burton was married in 1879 to Miss Emma Jacob, daughter of G. Jacobs, by whom he had six children, three boys and three girls. The mother and children, with Mr. Burton's mother, constitute the remaining household.

HELPED LAY OUT ST. PAUL

Benjamin W. Brunson, Pioneer Surveyor and Engineer. Benjamin W. Brunson, one of the oldest residents of St. Paul, died yesterday at his home, 485 Partridge street, aged seventy years.

Mr. Brunson was a pioneer in the city of St. Paul, and was one of the first to settle here. He was a member of the Masonic order, and was a prominent citizen.

Mr. Brunson was a member of the Masonic order, and was a prominent citizen. He was a member of the Masonic order, and was a prominent citizen. He was a member of the Masonic order, and was a prominent citizen.

ANYTHING BUT A FIGHT.

Admiral Cervera's Instructions From the Spanish Captain. LONDON, May 14.—The Star says a Madrid dispatch, via Paris, throws an interesting light, gathered from an official source, on Admiral Cervera's movements since he left the Cape Verde Islands.

SPANISH FLEET INVISIBLE.

One Torpedo Gunboat is at Fort de France. ST. PIERRE, Island of Martinique, May 14.—The Spanish torpedo gunboat Terror, of the Cape Verde fleet, is still at Fort de France, capital of the island, but nothing can be seen of the other vessels from here.

James Donahue.

Special to The St. Paul Globe. MONTGOMERY, Minn., May 14.—James Donahue died last night at the residence of Mr. McGinnis, in Shieldsville. He was 70 years old, and was never married. He was an old resident of that place, and leaves considerable property.

John Fitzgerald.

Special to The St. Paul Globe. MONTGOMERY, Minn., May 14.—John Fitzgerald, whose address is given as...

OSTEOPATHY. JUNIORS WON THE SPORTS

Its Popularity Growing Rapidly Well Represented in St. Paul. When a Globe reporter sought an interview with the Osteopaths in the New York Life building, where the St. Paul officers of the Northern Institute of Osteopathy are holding their annual meeting, he was answered in four words: "It is common sense."

The annual field day of the Central high school was held yesterday. The field day was a very successful one, and was attended by a large number of enthusiastic high school students at Lexington Athletic park. None of the events were marred by accident such as have occurred in former years. This was largely due to the keeping of the crowd in the grand stand and off the track.

The juniors gained the lead with as many firsts as the other three classes as follows: 1901, two firsts, seven seconds, two thirds; 1900, four firsts, two seconds, one third; '98, one first, five seconds, three thirds. The best time of the day was in the quarter-mile bicycle, and came very near being a dead heat. O'Brien came down the track towards the grand stand, and in several feet in the lead, and going like a young whirlwind.

The first event pulled off was the 100-yard race, which was won by H. Rogers, '99, won in 10-4-5 seconds, and G. S. Williams, '01, finished a close second. Last year's record was 10-3-5 seconds. The quarter-mile bicycle was ridden in 3-1-5 seconds. Harry O'Brien, '01, finished first; Gordon Groff, second, and J. Parker, third. Record last year, 3-1-5 seconds.

The running high jump was easily won by Edwin Clapp, '00, with excellent record of five feet-one inch, against P. R. Baker, second, and J. Parker, third. Record last year, 4-11-2 inches. The twelve-pound hammer throw was won by R. Buck, with a throw of seven feet-one inch, against J. Parker, '98, second, and Ladd, '99, third. Record last year, eight feet-one inch.

The hundred and twenty-yard hurdle was won by C. Lowensbury, '99, in 21-1-5 seconds. In crossing the third hurdle, Carling tripped and fell and Strane, who was close behind, jumped on his head, but recovered and finished. Strane crossed the tape second, but was put back to third place because he ran round a hurdle. As he crossed the second hurdle, he was tripped by Carling, and Carling and Strane are both members of the class of '99.

The running broad jump was pretty contested between O'Brien, '01; Williams, '01, and Ladd, '99, who finished in the above order. Distance, eighteen feet. The mile run was hotly contested between Bryan Dorr, '98, and Harvey Barnett, '01, and was not decided until the last few feet of the tape, when Dorr, who was leading, tripped and fell. O'Brien, '01, finished third. Time, 5-41-3. Rogers and Williams put up a pretty contest for the 220-yard dash. Rogers won in 1-5 seconds.

The mile bicycle was the event of the day. Devine took the lead at the start and held it during the first lap, when he began to wobble, and O'Brien forged ahead. From that time the field was constantly changing, until the final sprint, in which Groff took the lead, and O'Brien finished second, and Carling third. The half-mile was run by Lemon and Dougherty in 3 minutes 14-4-5 seconds. Dougherty crossed the tape first.

The 400-yard dash was won by Dougherty in the slow time of 1 minute 11 seconds. Lemon came in second, and Dorr third. The records as a whole are much better than those of last year and compare very favorably with the records of the other high schools of the interscholastic league, which holds its meet at Lexington park next Saturday. The three leaders in each of yesterday's events will enter in the interscholastic field day. Considering the number of athletes who have left the high school to enter the army or to fill positions vacated by the volunteers yesterday, records are almost remarkable.

Each of the classes has donated to the athletic association a flag, and these will be awarded to the best men from the respective classes. Ninety-eight has claimed the honor of bestowing the gold medals upon her relay team. The members of the field day committee are Roy Squigg, president of the athletic association, R. B. Kuntz, James Ladd, Lee Warner, Dwight Edwards, Harry Rogers.

A WORD-OUT FAD.

"Spring Medicines," "Blood Purifiers" and "Tonics" an Old-Fashioned Idea.

Pure blood, strong nerves and muscles, firm, healthy flesh, can only come from wholesome food well digested. "Blood purifiers" and "nerve tonics" do not such the cause of the mischief. The stomach is the point to be looked after. The safest and surest way to cure any form of indigestion is to take after each meal some harness preparation of this kind composed of vegetable essences, pure pepsin, golden seal, salt, sold by druggists under name of Stuart's Dyspepsia Tablets, and these tablets taken after meals assist digestion wonderfully because they will digest the food promptly before it has time to ferment and sour and the weak stomach relieved and assisted in this way soon becomes strong and vigorous again.

Stuart's Dyspepsia Tablets are superior to any secret patent medicines because you know what you are taking into your stomach. They are sold by druggists everywhere at 50c. per package. Write F. A. Stuart, Co., Marshall, Mich. for book on stomach diseases, mailed free.

JAMES BURNS, Ex-Collector of the Port of Kansas City.

Of the men who have occupied positions of public trust in Kansas City, either by money and efficiency than James Burns, Collector of the Port of Kansas City under Grover Cleveland. He lived to the maxim, "a public office is a public trust," and when he retired he carried with him the respect of everyone in the community.

James Burns has used Stuart's Dyspepsia Tablets and he does not hesitate to say they have accomplished wonders. "I suffered with dyspepsia for twenty years," said Mr. Burns yesterday. "Never for severely with dyspepsia. A few months ago I began taking Stuart's Dyspepsia Tablets and in the first I felt relief, and now, although I am still taking them, I feel entirely cured. For the first time in twenty years I can eat anything I want and suffer no ill effects from it. You can't imagine the pleasure of this unless you have been a dyspeptic sufferer."

"I never gave a testimonial for any medicine before, but I feel as if everybody ought to know of this remedy, and while it is personally distasteful to me to appear in print in this connection, I feel as if I had no right to shirk the opportunity, to perhaps help some other sufferers from dyspepsia. I have been recommending the Tablets to all my sons, and I understand he also is being wonderfully benefited. I can't recommend it too highly."

LOCAL NEWS NOTES.

The Twickenham Sewing Society of Maple Leaf Camp No. 331, R. N. A., will hold its next meeting on May 20 and 21, afternoon and evening.
